# A Contradiction

My own identity  
I want to know

I forgot I am human being  
I am part of people  
my heart is no longer heart.  
my heart is now polluted one.  
I am singing song which is never liked by other.  
my dress is white ☐  
my deed and action are black.  
I am villain, I am don.  
I am sorrow of every day.

you seem like lion and hero  
why are you eating grass  
where is your satisfaction like lion.

when & where will your  
madness for money stop.  
☐  
when your morality  
Defeat immorality.

your heart is never bother for others  
purely selfish thought and action.

All your deed are parallel to Don  
even then you are hero and i am don.

I am physically harming  
you are harming mentally

I doing illegal thing and accept it  
you are doing illegal thing and proudly say  
i am legal Honestly!

Don't you think this is nonsense.

# A Possibility

Every day we are fighting  
Every day intense appeal from within says  
&quot;I love you more than you love me&quot;  
It's very difficult to certify  
who's love is more strengthful.

My whole body burning  
A huge smoke coming out  
But I am unaware of consequences  
Simple fall in love with you.

I am helpless, how to come out  
How to get rid of blind love.  
There is clear warning  
This is injurious to health  
Even than love to Smoking and drug addict is not lost.

Can anybody came out stand strongly  
And convert from love to hate.  
Raise their voice against  
Smoking and drug addict.....will you.....may be one day.

## Agree - Yes Or No

I, me & myself is every citizen priority.

What ever i am doing is correct.

Rule which is convenient to me are rules and rest of them for amendment.

What is my benefit, why should we think of our motherland?

We will raise hue & cry only where money is paid to us.□

We will raise our voice only for our rights.

We will encourage people for raising slogan for meaningless agenda.

Ignore previous problems generate new problem.

Our main object is how to divert people attention for their welfare.

Corruption is everybody right to exercise.

No matter what ever country suffer& what is most important is myself.

When angry i can take away  
everything along with me.  
Beauty is incomplete without me.

Few people not aware of my importance harm me,  
save me from my arch enemy called pollution.

On looking negative side of human being  
we are always lying on the floor because  
of misdeed committed by them for their self interest

what will happen as a result of their misfortune  
Please do not commit these type of error

Humiliation faced by us is very painful and unbearable  
very difficult question is asked and we are empty....who are you  
Always feel insulted by people on ground of misdeed of few  
Their misdeed not only harm them but also defame parenthood in the universe  
However some human kind came to help us  
in different form, some adopt us while few give us separate home  
but we only want to live with full respect... no question.....related to parenthood.
