# Breaking Up

You had me believing that we hadn't fought,  
But when I heard the truth, my heart was a knot.  
I try to hide pain; I pretend it's all through,  
But it comes flooding back when I see him with you.  
Leaving me stranded was more than enough,  
But to do what you did made it even more tough.  
I fake a smile while I'm dying inside,  
But you're all too happy with your heart open wide.

Now I know what it feels like to be an old toy,  
To be thrown away for some other boy.  
You tell us the reason but I know it's not true,  
You're not hard to read, I see right through you.  
You'll realize it was wrong to have quickly moved on,  
But when you need me back I'll have been long gone.  
All you get is a lover but your hearts don't belong.  
While you breaking me built me up all the more strong.  
You might deny now, but you'll realize I'm right,  
Even though we don't talk, we still had a fight.

Alex Lees

# Can You Believe In Me

Why is it so hard to see the truth?  
Truth is no one cares.  
They want lies! ! !  
They lie to get there way.  
You look for the good in people but can't find it.

I have looked high and low for the truth.  
I can't it  
No one can believe that I care for anyone.  
So this is how I'm gonna be.

Alex Lees

# Crescendo

I wonder what will happen to tomorrow or the next day?  
I hear your heart beat.  
I see your face.  
I want to love you forever.

I pretend to love someone when its not real.  
I feel like I am in love.  
I touch your face.

I understand you love me.  
I say something to you and you don't listen to me.  
I try to love you all the time.  
I dream about you all nite.  
I hope you love me.

Alex Lees

# Cry My Heart Out!

It's not your fault  
For my down fall  
Please forgive me  
It's my fault for falling  
In love again.

I love you!  
I will say it again  
I love you for you

Alex Lees

# Day

Day is when you wake up,  
C'mon wake up, baby!  
Don't die it's a new day  
So c'mon don't be a downer.

When you wake up,  
It's a whole different story.  
Day by day I wait for you.  
But you never come.

Alex Lees

# Death

It's a dark place,  
with weeping,  
gnashing of teeth.  
For all eternity.

It's a glorious place,  
Joys for forever more.  
Colors too brilliant to describe  
For all eternity.

Two neighborhoods,  
Light and Dark.  
You will choose in the End!  
So where will you be?

Alex Lees

# Dinosaur

What I love them!  
You are a D.i.n.o.s.a.u.r.  
So if your old get out of here.  
I'm a D.i.n.o.s.a.u.r.  
So like Rawr and Stuff.  
If you hit on me, why?  
Thats a little creepy.

Alex Lees

# Do You Know Love?

Every single day,  
I come to you.  
I see you in my dreams!  
'I love you' I cry to you  
But you don't hear me.  
I am ready for you.  
I am wanting you.  
To hold you.  
I am reaching for you,  
But you're just out of reach.

Alex Lees

I love you,  
I know that  
You love me too.  
This is why I have  
To leave you now.  
Don't take it to heart.  
Bye 4ever  
I will always miss you and  
Your brown and blue eyes.  
I will miss your smile.  
I am counting on you to  
Say bye to me forever.

Good-bye forever  
I love you always.  
I know that you love me,  
But you hurt me  
By cheating on me...why?  
Why would you do that I thought you  
Loved me?  
You cheat!  
Why do you hate me?  
I trusted you with my love  
But you let me down.  
Why kill me with that?  
I told you so.  
You told me why do you  
like and love me.  
But that was not enough.  
So good-bye 4ever.

Alex Lees

(Warning-This poem is based on true feeling for a guy.)

So your looking at me with those eyes.

And I wonder what your thinking?

I am wanting to know how you feel about me.

But I am wanting to say a pharse to you and see your reaction.

But what if you don't say it back?

I love you?

But then you say it back and then kiss me

How do I even feel now?

I don't know now

You are my world, my everything, so what am I to you?

Alex Lees

But you say Never Agian...Forget it.  
I wish i had not done that deed and I want to take it back.  
You say with a cold, hard heart 'No'  
I forgive you anyway.

# Love Is A Battlefield

Love is always a battlefield  
Because they don't know that it is really!  
They don't know what they are fighting for?  
They could pretend to be friends but that will not happen.  
I never wanted to hurt you but I had to.  
But you never cared enough to really stay.  
Why are you still here you NEVER loved me.  
So is that all you will not leave.

But if you do love me then you will stay with me forever! ! !

Alex Lees

# Love Less

Why is love here?  
Why do people want it so bad?  
Maybe it's just something to do?  
Who knows maybe its by the World's standards  
That we love.

So, um do you have someone to love?  
If you don't well you will!  
Maybe you never had a love so perfect?  
Why is there so many questions to answer.

Alex Lees

# Love That Is Never There

# 'My Guardian Angel'

He's sweet, with a splash of kindness  
Nothing can separate me from my Angel!  
No one knows who he is!  
He lies in the shadows.  
He is always there.  
I've always loved him from the start.  
No one can change the way i feel about him.  
I wish he was here in my arms tonight.  
I longed for the Forbidden Kiss  
He has told me that I miss/love you.  
I also miss his smile and hazel eyes.

He is strong, not afraid of death  
He will save me from danger.  
He will never leave.  
Love is one thing that is always in my Angel.

Alex Lees

# My Love For You?

What is my love for you?  
No one can know.  
But only one person has my love.  
He's mine forever! !  
What he tells me is i love you and i miss you.  
I don't believe it.  
I want to feel real Love.  
You see me hurt and ask 'Whats wrong? '  
I say 'Everything! '  
You understand all I am going through.  
There's no questions to ask.  
I want you to tell me everything! ! !

Alex Lees

# Night

&lt;/&gt;Night is dark and scary  
With stars to light the way.  
The moon is brighter than stars.

The sky is my home with the stars.  
When I die I hope to be in the star and clouds.  
Come with me to the stars!

Alex Lees

# Not Your Fault!

Now I am all alone.  
You said 'Don't leave.'  
Then I said 'Why? '  
Then before i knew it you were gone.  
I cry all the time.  
I know your game.  
I fell to hard.  
I love you but you don't.  
I say enough but kept going.  
Your kiss.  
I cry all over again.

Alex Lees

# Our Song!

I was sitting in shotgun with my red hair everywhere in the front seat of his car  
He's got one-hand on the wheel and one hand on my heart  
I look around then at you, I turned the radio down, you say "What's  
wrong?"  
I say Oh, um, nothing baby, I wanted to know if we had a song?  
Then he says to me with a kind voice...

Our Song is slamming the screen door, sneaking around late at night tapping  
with small rocks at  
Your window, when I talk to you, you say thing so slow and kind. But then it's so  
late your  
mama doesn't know so we laugh and the night we had our first date you say in  
your head "kiss  
her" but you don't so when you go to bed before you say amen you ask  
God to play it again.

I was running to your door after that night and everything has fell apart or has  
already fallen  
Apart, you say "what's wrong?" with a worried look in your eyes. I  
say to you "Yes, there is and I  
know that's you know this too "I love you! Then I see roses on the  
table that say my name with  
a note...

Our Song is slamming the screen door, sneaking around late at night tapping  
with small rocks at  
Your window, when I talk to you, you say thing so slow and kind. But then it's so  
late your  
mama doesn't know so we laugh and the night we had our first date you say in  
your head "kiss  
her" but you don't so when you go to bed before you say amen you ask  
God to play it again.

I have heard you songs that you like on the radio but I have been waiting for  
something to  
come that was good enough to call our song

Our Song is slamming the screen door, sneaking around late at night tapping  
with small rocks at

Your window, when I talk to you, you say thing so slow and kind. But then it's so late your  
mama doesn't know so we laugh and the night we had our first date you say in  
your head "kiss  
her" but you don't so when you go to bed before you say amen you ask  
God to play it again.

So please God please Play It again...  
Our song play it again Oh,  
Oh yeah, uh huh Play it  
Again.

O Lord thou hast searched me  
And known me

Such knowledge is too wonderful for me;  
it is high, i cannot attain it

# The One...Not!

If you love someone  
Tell them  
If not!  
Don't play with their feelings.

Feelings?  
I start to cry,  
when he leaves.  
Then he comes back,  
he sees me cry.  
He tries to wipe the tears away,  
and I look at him in his eyes.  
i cry again and agian but you say Stop and hold me forever

What is it about Love?

No one cares!

So why do we fall or even feel it?

No one wants to love me?

So why go with it if its going to hurt?

No one wants to hurt, no one likes pain!

Why do you care for someone who may cheat on you?

Or, or may never love you.

But you want it so bad you break the rules.

Rule breakers always get what they want dont they?

Right, am I right?

Yes, I am.

Love is something to have and to hold for life.

# What I Love About U

Your face is so loving  
When you look at me.  
Your kiss is what I love the most,  
Why can't you see that.

Are you mine?

But we can't be, because  
We live in two different worlds.

You are from the rich  
And I from the poor  
I wish I could love you forever

No one cares about me anymore  
So why are you still around?  
All you can do is Leave me.

But when you left I started to cry.  
When I pray I found someone else.  
His name is not to say  
I do want to say but it's a secret

Is it me?  
Cuz I have no idea.  
Please tell me  
If I have hurt you.  
If you leave.  
I will be all alone.  
Please stay with me  
But if you don't, go away!

I kissed you.  
You liked my sweet kiss.  
You said 'You love me.'  
I said 'I love you more! '  
But really you did not mean it.  
Why did I fall so hard?

You said 'Goodnight'  
I said 'Goodnight to you, too.'  
You said 'Good Morning.'  
I said 'Morning to you.'  
Then you Left Me, forever.

Kiss me and I will know.  
Why leave?  
When you can stay forever.

Tell me that you love me.  
Your pushing me away.  
Why do you hate me?  
Was I to much for you to handle?  
Why?

Why is it always me.  
I will never get away from this!  
Why?

Alex Lees

# You Love Me For Me?

So, if you love me  
What would you say  
And do.  
I think you would miss me  
and say in your text messages  
I love you.  
But you dont mean it at all.  
So why do you say it?

Alex Lees

# You Say Yes
