Bird To Bard

A Heroe

REAL heroe

Doesn't need marking

Doesn't need harking

Doesn't need praising

Bird To Bard

All Throttle Me

All Throttle Me

The sky is up above the chest

The earth is the under feet

In the severe cold

I sweat

If the air goes disfavor

Such the fire

Water rises furiously

Life becomes river bed

The Land slides from under the feet

Where do i keep them

alas! alas!

Without your HELP

My shelter is none

Dumb Ashpit Where I RUN

Bird To Bard

Beg To The Creator

GREAT men are they
who fears None but ALMIGHTY CREATOR
GREAT men are they
who asks for HIS HELP
GREAT men are they
Who asks for EVERY thing to HIM
GREAT men are they
who asks to HIM LAVISHLY
' BEG to The CREATOR'

gives deep/thoughts

word a game itself

Bird To Bard

Give Me Little Love

I Never Search a Good House
I Search Little Love
I AM poor
I Have No Heart or Soul
But Why So?
I asked Him
He said: You the Needy Of Love
You Need not Good House of Luck!

Bird To Bard

How A Bird Be A Bard

a bird
prayed to be The BARD
a peddler to the busy Road
save me oh LORD
a flower BUD
all throttle me
give me little LOVE
how can i count The SPEED
a false religious Rogue
may be the Touches of LIGHT
can save me
from the village to TOWN
to you a mighty CLOWN!
the 31 march my birth came down!

Bird To Bard

How You Count The Speed

97 thousand kilo
The Blood vessels are
how speed
from the Source
rushes
Sperm passes

Bird To Bard

I Am Religious

I Am Religious

Selling Religion is My Profession

I beg along the streets and Roads

I Don't have shame

I am Really Lame!

Bird To Bard

I See I Feel In Me But Still

if you keep some roots
some roots on the GROUND
give birth of new roots
so what He died
he kept me as roots
now new himself climbing to the Ground
9 APRIL
my original root died
my master
my FATHER
3 same or almost same i NOTICE
Elder, Younger n ME
Father is Among thee
Still tears fall from eyes
abba/ dad / father can't die

Bird To Bard

May Be The Touches Of Light

On the stamp of the hoof of ANIMALS

The Moon Beam Shines

It Shines like dazzling

Seeing the Dazzling Shines

The Moon giggles

Bird To Bard

Nature Mom Nurture Us

stop electrical flow
cut all the lines
they pull under ground water
they grow unnatural crops
air is to give fan
rain is to cool
river or pools good tools
love air, water n rain
a time was when we valued rain
a time was when seasons maintained chain
now no chain
no comparison of summer
or of winter
all alike for chain is broken
as broken human heart
stop all unnatural process
lets go to the SKY
ask Cloud to shelter crop growing rain

Bird To Bard

O! The Bird Of Principles

Rustic A Feel

rustic is from rural

Bird To Bard

Rustic Feels More..

now none begs
rain to the Land
for good harvest!

sins of not begging to thee

a rustic unpolished Direct PROPOSAL!

Words Are Lights

words are expressed
through vibration
vibration itself a light
(there is light/power behind all action)
words are power
enlighten dark of heart
enlighten DARKNESS OF THE WORLD
(say god's order/ word a light)
