Hello Everyone! !

i see that alot of you still remember me and are wondering where all my poems are (at one time there were over 100 i had listed here) . well i kept getting them deleted by.....i dont know who.....i tried several times to repost them but the very next day they were deleted once again. sry if this is bad news for ya'll.....i know i loved being on here and talking with all the great people on P.H. but due to this mistake or whatever you want to call it.....i will no longer be posting ne poems on here. it is far too much work and effort to have them deleted the next day. hope ya'll understand and i wish all of you the best! !
