**** Every Where I Want To See My Name,**

** Every where I want to see my name,
** Either someone look anywhere or not.
** Every where my work hectic,
Whether I am a leader, writer, pleader,
**Which ever land, my acquisition every where.
**God takes help to rule very strongly,
** In whole creation all are everywhere.

, When A Kid In School.

I remember the day, when a kid in school.
Very positive environment, mind was so cool.
Always enjoyed happiness, be it study or play,
Punctuality was at it's peak, could not tolerate delay.
Chanting prayer was dear most to me.
Very Lovely play, I liked, wandering around tree.
In classroom also, did not like to take seat,
I liked always standing, although others liked to sit.
Teacher always liked me, to read in class book lesson,
I too felt very glory, as I got wise kingdom,
Only special in my nature, I did not like to stay more,
Waited for the last bell, when period will last it's core.
Most important was moment, when I found mother at school gate,
All the lovely mother's came there, only to wait.
I used to find my mother in a single glance,
And that was everything I want, never wanted to lose any chance.

TÚ Y YO

Tú y yo llevamos cicatrices en nuestros cuerpo nuestras almas heridas, pero llena de pasión de de deseos incontrolables llevamos marcado el dolor en la piel y en lo más profundo del corazón.

Tú y yo tenemos secretos escondidos en la vida invaluable que mantienen nuestra existencia en suspiros y anhelos vivos teniendo ese fuego candente en nuestro cuerpo donde la soledad tristezas y melancolía son un reflejo de alegría.

Tú y yo nos ocultamos bajo un mismo destello de esperanza donde somos almas que suspiran somos amor ardiendo entre llamas de ilusión buscamos lo profundo esa alegría que nos mantengan vivo.

Tú y yo somos una melodía echa canción un verso escrito, un lienzo en blanco para llenarlo de letras de momentos vividos escribir en él una bella historia de amor.

Tú y yo con ganas de vivir olvidar el pasado y olvidarlo que un día nuestras pieles fueron tatuadas y las llenaron de cicatrices y hoy renacerán tú alma y la mía.

Ontem que você veio a sonhar,
Alguns estranhos presentes foram trazidos,
Eu ainda não tenho a certeza,
Quando eu trouxe a plataforma para mim.

Você decorou com suas mãos eu,
Henna com as tuas mãos eu,
Estávamos à tua procura apenas,
Os meus dois olhos estavam cheios.

Venha e me beije em felicidade,
Perguntou a condição do meu coração em toda a am?kavara,
Repetidamente olhos meu nayan limpo,
Podíamos ter-nos tornado felizes com o meu coração.

De repente a rajada de vento chegou,
Os palle da janela batem na outra,
Sonho único de sonho realizado único,
O 'Naveen' não foi capaz de sair da cama de novo.

A Childhood Always In Me,

A childhood always in me,
While I was child,
Whether in grown up,
Still now child like nature in me.

I loved always child,
Whether may be rich or poor,
Wearing dirty dress,
we always had close relationship,
All innocent around me.

Whether may be in lap,
Moving in dusty street,
Weeping or laughing,
All lovely dear like soul to me.

O dear! you too tempted to be child,
Came on earth to enjoy,
Ran to lap mother,
Welcomed all, very lovely moment to me.

A Living Being Always In Emotion,

A living being always in emotion,
Need of always sweet expression,
Unable to express in his world word,
Adopt shelter of lovely indication.

Expression means adoption of letters of word,
Accumulation made a distinct world,
All accumulation in lovely dictionary,
This is the reality of expression history.

What one observe, expression in its way,
Grammatical norms may not be left away,
All languages has it's own norm,
Nowhere any may find uniform.

But some expression away from word,
Neither any may tell, nor any heard.
One may get through only experience,
Without experience never anyone's existence.

We may too far from someone special,
What found in lovely emotional,
Nobody may make express nowhere now,
How taste experience may express tongue anyhow.

Some expression only may be through sign,
Tears and silence only may make such design.
I think 'love'word most superior,
As 'God 'too have got only three letters.

A Lovely Woman Thinking Something At Sea Shore,

A lovely woman thinking something at sea shore,
A lovely lover too asking her eye core,
Why did not she accepts his lovely love,
What is wrong in way, why not open your heart door.

Love is love, affection, emotion, surrender of heart,
Always automatically spontaneous, never to exert,
Life wave is although, a rhythm like tides,
But sacrifice of all wishes only for lovely introvert.

A Voice

A voice
Like Johns
full of melody
Full of cries
Untainted in its purpose
Marinated in mission.
A voice
Like Davids
Musical with strings

with a slayer's sword
warming the master's heart.
A voice
not an echo
Solid as a lioness
An Eagle unimpaired by the wind
Victorious like the Son.

A Postman,

What an important status of a man,
A postman,
Very dear,
Very lovely,
In a simple dress,
In one hand umbrella,
Other hand holding letters,
Arranged accordingly to the pathway
building located,
Knows each and everybody,
on shoulder hanging a bag,
Wearing glasses,
Two or three pens in pocket.
Very mild,
Very sweet smiling,
Throws letter,
Spelling the word letter,
As if information,
Ur letter has been delivered
In ur room,
Who one hears,
Feeling delighted,
Become excited,
What news now has come,
May not be old,
Always new and like gold,
Kisses first,
Take to head,
What new news message
Today we got,
Go through the letter contents,
One becomes happy,
Tell all the news to family members,
If shocked,
It is like so.
A man like messenger.
Never hurts anyone.
I remember those days also,
When ladies and old person,

Totally illiterate,
May not be able
To go through letter,
Gone through a long distance,
What written in letter,
And then conveyed the message to family,
What was happening in information.
When I myself was child,
Got very good job:
Reading the letter
And
Writing a letter on his behalf
To the person,
Who has sent the letter.
An important tale might not be,
Extra one,
If I telling you,
One very scholar
Mathematician
Wrote a letter,
To his going to be wife,
In very lovely emotional expression,
Dropped in letter-box,
Afterwards he realized,
A word was wrongly
Used in the letter,
Why not it may be improved,
Gone near letter-box,
Waited some while,
Post staff came
Opened letter-box,
Collected letter from letter -box,
He himself asked told all story,
Asked letter to improve,
Staff replied,
How I can give u other letter,
Full of sorrow,
He reached R MS,
But failed,
Even reached,
At his bride home,
Maid cried,

Get out,
I will not marry, u mad!
Lastly returned home
With fully sorrow heart,
Spent his whole life bachelor,
Not a tale, real incident.
Age progressive,
Now no such incentive,
Telecommunication developed,
We all also progressed,
Left to write,
Think talk right,
I have also left to write anyone,
Nobody has complain, we are all one,
But my father asked me,
why u do not write a letter,
Writing is always means
Of expression always better,
As my mode of expression
Always in poetry,
This was the basic mode
Taking emotions in heart entry.
Now a days also
postman is always special,
When ever he reached us,
Remains homely, totally personal.

A Small Kid Playing In Courtyard

A small kid playing in courtyard
I like always this is God's reward.
How sweet is his lovely smile,
Forget all, when I see for a while.
Sometimes he tries to embrace,
Who one feel this action embarrass
Running speedily to kiss
This is his only lovely sweet bliss.
Wanted to kiss me even my feet
If he sees, will run in narrow Street,
Jumping tells me, come in my lap
In a laughing way leaves no gap.
If kiss him, body parts give very Lovely,
I take him in my embracement, how much it sweetly.
Reminds me of old days of mine,
A sweet childhood which can never be defined.

A Spinster's Cry

A spinster's cry

Hello, hello, o my dear!
I am calling you urgently here,
Waiting for you, out of door, dear!
Come soon, come soon, very near.

What enjoyment made on valentine,
Although enjoying very super fine,
Could not take precautions measure,
Now feeling pregnant, oh dear mine.

What we have to do in future,
Very essential to marry me, o dear!
Otherwise I will be blamed in society,
Although all known to Almighty.

We are living, love living world,
May not hide through our word
Seed automatically grown as a tree,
We never want to harm this love plant.

You will have to hold my hand,
To tie me in relationship grand,
We will establish our new family now,
This baby will be born, we will enjoy lovely music band.

A Stone Is Not A Way Blocker

A stone is not a way blocker
Just only a speed breaker.
Use it as experience, when you pass it,
After some time it's a loser.

Life is a difficult path,
Scattered everywhere
small stone,
Don't care of small pinch,
Smile and cross the tiny
hurdles.

In the beginning may be
some difficulty,
At the end of the day no
body seems to be faulty.
All you sail what comes on
way,
You may be a gainer.

A Woman Have Many Many Norm,

A woman have many many norm,
But I like and love only mother form.
Like a scene when mother feeds her milk,
I become emotional, hold pen, flow ink.
A cow with his calf scene very interesting one,
Being amazed to see any dear emotional one.
I worship daily a picture of cow and calf,
Without that I feel my routine totally half.
I wait whole year very fine Christmas Day,
When I see Mariyam-Christ picture every day,
I collect different picture pose in this eve,
I get collection of pictures, what more to achieve.

Aj Khuleaam Chand Nazar Aya Mujhe,

Aj khuleaam chand nazar aya mujhe,
Charon taraf apna dupatta lahrate,
Hanste machalte uchhalte ghum ghum,
Kabhi kabhi nazaron se mujhe bhi bulate,
Tab jakar hamne bhi chand ka hath pakar liya,
Dono ne ek sath rahne ka hath mila vada kiya.
Ab chand ko ham dekhte, chand dekh raha mujhko,
Ap log sab dua karen, koi juda nahi kar paye dono ko.

All Anxiety, Sadness, Exile.

What a lovely your smile,
All anxiety, sadness, exile.
Even already every moment,
Keep joy in very excitement.
Competition, conflict disappear,
Nobody may see your face in fear.
Cooperation, accommodation, exist,
Nothing intake mind to resist.
Life span of a very short period,
Hidden history of a good myriad.
Only love memory always remembered,
Faith, love, sympathy, help behaviour always honored,
What a lovely role of smile action,
Showing inner heart emotional expression.
When anyone see anybody smile,
Forgoing enmity get worthwhile.

All Have One Goal In Different Ways

X: : . Good Morning, my dear Y,
, . O Friend, How are you?
Y: : Good Morning, how are you?
in these days, what do you do?
X.: : As you know, O friend
have been ailing
In distress these days,
Facing unsatisfied present days,
Y: .: why so, o my dear friend
X: : O My friend,
As you know
I don't enjoy the books
don't want to exercise more
And most logical reason
that
Whatever written in scriptures
Time to time
Something which is immemorial
I could not follow them
exactly and fully
One disrupts other, then
Other discards another,
So many castes
So many Classes
So many Creed
So many languages
So many thoughts
So many sects,
All in competition,
To get highest,
Prestigious position,
As if
All are immortal,
And
Would be in
Position of
Superpower Almighty,
All scriptures propounded
Their school of thought.

So
I have faith
Only on scholars,
Who
Churned the knowledge
Got essence of philosophy.
Today
I visited
An eminent scholar
Surrounded by
Disciples
And scholars.
Showing proper respect
I requested my eagerness,
in humble manner,
O Great Scholar! ! !
I am very disappointed
And perturbed on this Earth.
Y: My dear! I also see only
Struggle, malice, conflict
Tendency to torture the mankind
To get a small thing
For name, fame, property.
Life of people is not safe,
There is no point in Fighting for
Caste, creed, color, race, Religion, language and sect
People have made issues
much beyond human control.
When I look at the situation
I feel sad, I feel pity for what up we have done.
X: Firstly, he closed eyes
After some time he started
His voice,
O my dear! Lend me your ear please,
Listen,
Almighty provided
Everybody
Two eyes, ears, hands, legs, nostrils,
Concerned with action.
Digestion, respiration, circulation,
Excretion, reproduction, stimulation
Common biological process,

A gift of nature.
If all take food,
All drink
All exclude tears, laugh, walk, run, sing, dance, take birth in same way and
Lastly all leave earth
In same way,
There is only one difference,
That is only face model,
there is no difference
between a man
and other creature.
Same soul in
an insect and man.
Only cultural
Language difference,
The credit goes to
Geographic region.
Y: . Ya, . What under
A human control,
For which
I have got proud in myself.
Is a man in a position
To transfer one's soul
To another
Or
May he regenerates
A man
In his own choice?
X: : If you are making

All People In The World Are Called Friends,

All people in the world are called friends,
But my friend! Can not live without you,
You are my friend, birth partner,
That is why you can not live without it.

Friendship is meant to be with sadness,
Never be able to stay away for a moment,
Being like a shadow of body also,
A settlement of mind, even when you are away
In this the friendships of friendship remain.

The relationship of friendship always remains immortal in the world,
Either way, in any situation,
It never stays in the moment,
The friendship of the "new" friend, where the movies are created.

All Restless For Prestige And Property,

All restless for prestige and property,
Leaving all ideal norms of dignity.
All running having selfishness in mind,
Left kind relationship, emotions affinity.

Day to night all availing disturbance,
Taking in mind, a very good performance,
But ego have captured all whole mind,
Very rare some want others to be enhanced,

Quarrel common on caste, class, colour,
All engaged to take in hand law and order,
What talk of a nation, neighborhood,
If brother is not getting well with his brother, it's tragedy.

O my God! what is your creation,
Everywhere there lack of sweet emotion,
O Almighty! come once, o my dear!
You are only able for this whole explanation.

An Emotional Have Intrusion Power,

An emotional have intrusion power,
Very deep capacity to spend for hours,
That's why he gets attached with one heart,
Feeling all enjoy and hurt.

Such emotions always flow in any form,
Either in tears or word uniform,
When such experience flows in word geometry,
Then we look in form of poetry.

Poetry is nothing, always a feeling,
What in one's heart happening,
When we feel emotions of sad and poor,
We take a glance of sad poetry very dear.

A poet is nothing, always a living doll,
Full of emotions always, all in all,
If he charged with other emotions,
His pen spontaneous for all overall.

As A Daily Event I

As a daily event I look daily a street pathway seller,
Age of more than Sixty, hanging curly hair.
Daily sitting a wall side way of a small Street,
Spreading different all food items on a clean sheet.
Waiting morning to evening passing through ways,
Taking a glance of passed, either he comes from very away.
Neither calling nor shouting or praising her item,
People gather around, many may see from top to bottom.
Children visit daily, ladies also not much but only often.
Young service man take launch from her for only her tiffin,
Mid day meal main center here, rickshaw puller waiting.
Breakfast meal very tasty, so popular in market,
But after evening one may not find, as he may not now wait.
A small child comes to take her, carrying to her home,
Work hour spent you here, now whole day is gone.
I asked one day to child, why you do not care,
Boy said very nicely, he does not want to relief herself anywhere.
Now when she returns to home, again would start prayers.
Wishing to do continue her work, taking rest never.

As Child Wants To Play With Fire, Lo

As child wants to play with fire,
But is tightly held by the mother dear.

Father also spares his son from that act,
So you too keep me always, but never react.

Although looks very strict, but fully filled up inner full emotion,
In a rough behavior, hidden love of ocean.

Sky, earth, stars, moon, sun and river,
What a spontaneous wonderful gift of you to us in nature.

But my mind always moving hither and thither, leaving you so dear one.

Although want to move in your way, but leave always exact path,
Try again and again, but unable to find to take step even an half.

Always enjoy like a good player, like anything you don't.

Although time to time, I enjoy your blessings too,
But could not locate you, my dear, where I have to search for you.

O my own! Although everywhere, I may not approach you dear!
But you have to see me very kindly,

But never it was for me throwing in jerk.

Sky earth star river valley tree location,
It is only due to your lovely blessings emotion.

day to night,
Spontaneous gift of you, available alright.

But my mind always tried to deviate from this gift,
Always liked to be involved in worldly rift.

Again and again captured in ego, self centered fever.

Best regards & Thanks to Edith Elvira Colqui Rojas who translated my poem in Spanish

Si muero por mi nación,
No tengo, por favor,
emoción triste
Me rendí solo por el país,
Nadie exterior puede entrar,
Nunca quise en la vida la riqueza,
No me importaba mi salud,
Esta tierra hizo alimento,
Es polvo crecido cada momento,
El verdor de la tierra me hizo verde,
Como si fuera la escena de la belleza en ninguna parte,
¡Qué hermosa, mi querida nación!
Quiero asimilar con el polvo de Ur la dulce devoción.
No llores,
Nunca llores,
Ya he alcanzado la altura máxima.

Birth Is Not Certain,

Birth is not certain,
But death is sure,
One may not take birth
In his own will
But death spare none.

A great moments of joy
When life seed grows on,
Preparation to welcome
new guest goes on.

Gradually a stage come
We cry aloud
Wade through the
rough waters of life.
In despair negativity
however day and night.
Then, wants to be free
from all liability and bondage,
Wants to fly from life Cage.

In this world none
Is a foe or friend,
but receive jerk
in every stage.
Life is immortal,
If one view sympathetic kind,
Life is one time
God's precious gift
Serve human happily
Do work and as writes, poets, artist scientist, saints
so on
But each and every work
may not be appreciated in words

Very important for me, oh my dear!
Very precious birthday of First Prime Minister,
JawaharlalNehru Birthday, the lovely person of the nation,
Children called him chacha always,
As he loved children, spent memorable days,
Once I met him on airport and garlanded,
Very Lovely morning, when he was going to be departed.
Dressed in coat with pleasant rose
Looked very handsome,
We children welcoming, our so dear one.
He accepted my garland in his neck,
Offered in my heart, taking from his heart deck,
A moment which I can never forget,
Childhood memory may not always living as yet.

Clouds Covered Whole Sky,

Clouds covered whole sky,
Dense dark in month of July;
Back color gathered nearby,
Twinkling stars told good- bye.

Path not looking in dense forest,
Who standing near my closest;
As if all where only rain reign,
Whole earth covered, nothing left remain.

All birds hidden in their nest,
Now all flowers bloom without a whorl guest;
Path totally looking without a passenger,
Only rain showers knocking door like a messenger.

Criminal

Criminal

Man born in chain,
To earn food, shelter, cloth gain,
Want to get prestige in society,
Like all offspring of Almighty.

When got birth, all are merry,
There was noone nor any jury,
When grown up, dominant suppression,
Why such abnormal deviation?

All have same right,
Like day and night,
Why one faces darkness,
While others enjoy twilight.

Today's age humanity in danger,
All stand at stages of anger,
Daily news of rape and murder,
How one may feel safer.

If justice is not common,
What will do a restless human,
Gone ancient stone bow-arrow stage,
Today now reached rifle age.

Holding in hand for self satisfaction,
For family needs and prestige protection,
People adopt self government rule,
Although mind not very cool.

Tales have been heard of their obligated nature,
As they really human sentimental feature,
But their some violent acts,
Always threatened by all common behaviour.

Now-a-days surrender process going on,
As they withdrawn rifle act, return to own,

In some days we will see them at their home,
All anxiety of society will soon be gone.

Existe Um Lugar No Mundo

Thanks to Dear Roseli Sachramm who translated my poem into Portuguese:

Existe um lugar no mundo
Onde não pode se aproximar mente e palavra,
Onde não pode ir lógica,
Nunca uma expressão emocional chegou a ser ouvida.

Não há estrelas cintilantes
Nem bar de escopo sol ou lua,
Nenhuma árvore, rio ou mar,
Mas a distância não é muito longe.

Esse lugar está em cada coração
Nunca intenção de machucar ninguém
O nome nós sabemos que é só amor,
Muito bonito realmente o seu papel inteligente.

Heart Enjoy Blessings

Heart enjoy blessings, when people take sun look,
Sky become reddish, light all liabilities undertook.

Birds flying in sky, making merry with joy,
Giving inspiration all one to reach a goal high.

Dense darkness replacing, sky becomes clear,
As if message giving, one heart must be clear.

Animals calling master, demanding their food,
Like giving information, one must adopt brotherhood.

Children enjoying morning, showing their lovely jump,
Show like telling all, life is never a dump.

Ladies engaged in sweepine home to keep the pathogens away.
Lovely working in their house, taking care all.

O my dear! Be prepared now, do achieve all today,
You will never nowhere find, what spent yesterday.

Dr. Navin Kumar Upadhyay

U come very near, my dear.
Slowly slowly take each step,
In my both ear you whisper.
When I try to open our eye lid,
I find you then nowhere,
Why I will like act in such action,
Be always with me everywhere.

Dr. Navin Kumar Upadhyay

Hold My Hand,

Hold my hand,
Sing in lovely band,
Continue your lovely path,
As we both are half.

Enjoy, enjoy and enjoy,
Move on to horizon,
Where infinity reaching zone,
May not be aim gone.

We have to touch sky,
As our goal very high,
We have to start,
As you are very smart.

Passion and sympathy,

How I Love You, May Not Be Expressed In Word,

How I love you, may not be expressed in word,
Getting your emotions, I reached another world.

When I saw you, forgot myself,
All wishes lost, no memory of now self.

Your voice enchanted me, when you called 'Dear',
I fulfilled myself, now no any wishes here.

Your tone of addressing captured my heart whole,
You fully delighted me, got all in all.

O my dear! Now do not leave me alone,
Without you, all my time in vain gone.

Dr. Navin Kumar Upadhyay

How May I Keep Silence,

How may I keep silence,
Heart emotions create turbulence,
Never in anyway peace adopting,
Always in mood of violence.

Although stranger intruded into heart,
Even only a glance felt me too hurt,
Very much painful, oh you my dear!
Telling you really, no intention to flirt.

I want to see you, who are you very near,
Why you don't come in front, why you fear?
If you have relationship with me very old one,
Why you don't embrace and kiss, o my lovely dear

Dr. Navin Kumar Upadhyay

How Sweet Days,

How sweet days, when we were two years old,
No worry, no tension, times no less than gold.
Laying in mother's lap was amongst favorite one,
Playing in courtyard, laughed in sweet tone.
Eating, gossiping, jumping, hiding oneself dear
Loading mother back, whispered something in her ear.
Bathing in water, fond of always taking milk,
Moving always outward, although heat was at it's peak
Watching alone, who goes through Street,
Especially dear father, who used to come every week.
Stories and tales were very dear to me,
Study talk always absurd, never favored it.
New cloth, dresses, shoes, always I want a new one,
My name'Navin'very dear to everyone..

Dr. Navin Kumar Upadhyay

Unable to find peace, move all where.

You are Almighty, location in each corner,
Take me in your laps, force to make a surrender.

But my prayer fails,
As you very busy,
So
I decided to write
A humble letter to you,
So that, L
When u alone,
Free from work
In enjoying mood,
In spared time,
Your mind totally vacant,
Seated in a chair
Or
Laying in bed,
If your wrist proceeds forward,
Hold my letter,
In eagerous way,
Eyes searching very Lovely,
What written in letter,
My words will speak to you better,
And you will take action
very quicker,
But, O my God!
How may I write to you,
No knowledge of words vocabulary
As you very away from word;
Neither I am philosopher,
Nor a well writer
Or
A spiritual sage;
But I fear to observe all knowledge,
It rendering ego,
Although getting even
a drop of ocean,
But sentiments clipped,
I am a master of all knowledge,
Good musician, dancer too,

Superhuman of all fields,
So
Don't want to learn
Any questions reply,
Regarding any discipline;
Lastly I surrender myself,
On your pity, sympathy,
Kindness,
As I know very firmly,
You are in all,
And
All are in you,
You only reside in each heart
And me too,
So
I don't want to learn an alphabet,
And
To write even a letter to you.
I surrender! I surrender! I surrender!
O My Dearest!

Prayed for me to seek my healthy band.

Almighty power very rich,
Way only different, goal one,
So we all are everywhere one.

Uttering only emotional word,
Nowhere I find an emotional love,
Only trying to cheat more than above.

We have made an artificial wall,
If we may skilfully recall,
Nothing is of other, nothing is of mine,
Whole this world is totally divine.

But our ego reached so deep,
We are threatening, actually not in a position to really reach
We have a concept of our another goal,
Nothing in a good direction to scroll.

I Have No Intention To Write Any Letter,

I have no intention to write any letter,
But what can I do, if telling my tears,

Tongue mine silent, but mental waves vibrant,
Mind too uncontrolled heart very innocent.

Your silence and lovely looks make me mad,
I become restless, when your affectionate eyes gaze

Care protection, love, need of a human,
Sympathy, kindness, service, essential need of a man.

I am waiting for you now,
When you come,
Regularly looking at the path,
O my sweetheart.

Unable to get my response,
Then I take shelter of rest,
closing my eyes in depression.

When me away from rest,
My mind emotions scattered,
I become very deep,
When I hold my pen, lovely dear.

Tears intrude my eyes,
Have heart some weight
Spontaneous automatically
emotions flow,
I have nothing to wait.

After reaching some letters,
I am excited and very happy,
What a lovely emotions of
Poetry!
I may never say, 'Good bye '.

I have very much proud, am an actor,
But remain in supervision of a doctor.

What may I do in life, to show expression.
An actor is best in life love, beloved, villain,
Judge, cook, king, queen, no left any domain.
My ambition only to look always each form,
So now opted in life, chosen such platform.
But lacking personality, having no skill,
How I may attract people, by showing the thrill.
One day maybe God may make me more efficient,
No better actor in world, only magnificent.
Each and every form that, make only joy,
We looking, but he himself does not enjoy.
Then followed my mind, what's the best action,
Stay away from people response, so no reaction.

I Like To Compare Saint With Flowers,

I like to compare Saint with flowers,
Both blessing their lovely showers.

Both take origin on this lovely earth,
Bloom personally, glory as a worth.

Flower and Saint hide their attributes,
Only know sentiment to contribute.

They have never plan of making propaganda,
Only to service other, whole life agenda.

Flower have not any worldly desire
Saint too away from this world fire.

Saint like flower spread their essence,
Never enjoy own owned fragrance.

Mixing becomes green, when both altogether,

Even in sorrow makes me mild-smiled,
This colour always enjoyment- happiness providing,
Indian National flag base colour always presiding.

I live in a very lonely place,
Not look to anyone face,
But not find here too alone,
Mind gets disturbed for anyone space,

One day I saw someone in a dream,
Mind got captured, as love stream,
Emotion wave flowing thoughts gathering,
But strengthen as a strong beam.

Mind may not decide, what it is
Why I got so disturbed, nothing real it is
But over captured my mind in real,
O God! Tell me please, what it is!

Gifted all to enjoy always altogether,
So this lovely earth for love, o my dear!

Everywhere only emotional kingdom,
Although some scope of brain

Fully allwhere sympathy, love, tearful wisdom.

I May Die Never,

I may die never, come in world for ever,
A lot of difficulty may face, but will do in favor.
Excluding tear, crying a show stage,
Always I remain, in watching such state,
We never loose our inner mental spiritual will,
Doing regularly keeping our work skill,
Like sun covered by densely rainy cloud,
Thundering, lightening and stormy sounds
But we wait, want some special time,
We get our goal in group tell to all, all mine
Under dense black clouds, looks are silent,
But we never understand, we always one's client
We are brave, brave always in every field everywhere,
No place left as yet, we find ourselves now nowhere.

Dr. Navin Kumar Upadhyay

I May Not Be Poet In Life,

I may not be poet in life,
As always living in strife.

No knowledge of any literature,
Body and mind too not lovely nature.

Looked emotional floor from child stage,
When I get nourishing in like a cage.

Grand father singing overflowing melody,
As if he had prepared it as already,

Later on his poetry was a thesis subject.
Very fine poetry, melody with deep interest.

Spontaneous song was his regular routine like,
Firstly amazing, but it later alright.

When I was of my tender age,
Spontaneous overflow emerged like an image.

Later on it so much developed,
In conversation too wholly poetry enveloped.

Never made effort in poetry writing,
As if it was like my prose editing.

I take poetry in my conversation form,
Nothing was fixed in my writing form.

God gifted me poetic translation of various indian literature,
But never adopted labour as God gifted scripture.

I bow all poets of the world,
Who made engagement in framing emotional word.

Either for love, devotional or enjoyment or profession,
Best regards to all, as it is lovely expression.

I May Not Be Separate From You,

I may not be separate from you,
As you live in me, I too live in you.

Lovely wishes for has been dispatched.

I May Not Be Your, O My God!

But my way of work not right.

Want to wash ur feet through eye rain,
But you, so highly dignified how I may gain.

You omnipotent almighty, every get blessing honour,
It you only, who provide anybody some power.

But we assume in mind, have got all capacity,
What an imagination of brain, became very naughty.

Self centred all wishes, nowhere looking absolute.
You please, control my wisdom, now I salute.

Dr. Navin Kumar Upadhyay

I May Not Become Thinker

I may not become thinker, writer & philosopher
Feeling myself only a beggar
Wandering hither and thither
like a honey bee
Who collects honey from
Various flowers
And
Make bee hive of its own
Just like I am searching
A drop of knowledge
In vast depth of ocean
What I got in my way of working
Either it may be a stone or diamond
Either coal or slime
I placed before you
Like
A
Child collects stones
And understand himself
A king
Of universe.
What I got placed before you
Mixing sour, sweet, neutral taste
Of my own choice.
Neither I tested it
Nor enjoyed
Feeling enjoyment
Placing before you
Nothing is be thine
I have collected it from
different place.
Gardeners watching the garden
But
I stole the flowers nectar
And formed my own cave
Welcome to my new house
Look make Joy and enjoyment here
Enjoyment is not my right
It is yours

at your disposal
It is only for you.
Someone captures my mind
Follows in the form of emotion
And I am forced to hold pen
Tries to express emotion
Only in a single chain
But how can I express
As emotion is Almighty
That is above emotion, imagination & expression.
Love you all!

I May Not Write

I may not write in my whole life,
As I also don't want or even I like.
From my childhood, escaping from study,
I like the phrase, donot worry, donot worry.
Mother provided slate pencil, threw in way,
Nice living always, i liked, used to play.
Mother although chided, but father loved,
Tale, poem, story like, but writing was avoided.
Honorable grandfather eminent scholar,
Ph.D subject his work, so a good writer.
But I was lover of only 'Ramcharitmanas'
That gave me all, what have Tulsidas bless.
Saint works were my heart and soul now,
I sing melodious song, as love still how.
Full emotional expression overcome when,
I sing to enjoy, my hand holds pen then.

I Memorise The Day Of My Mother's Womb,

I memorise the day of my mother's womb,
May not forget those days pain, although very old gone.
As I remember, most troublesome period in life,
I don't count the days as people take mostly after birth in rife.
When life prisoned in such dark cavity cave,
Felling also sense, bearing all cold or hot waves
People enjoying outside, a new comer will come,
Mother always caring, as to see healthy dear one.
Shining face of mother, showered only happiness,
As if she got all, expression would be less.
When I got life in dark cave, became very restless,
What pain, o my dear! Nobody may express.
Very distressed feeling, my mother, pain felt by my mother,
Forced to live in last five months in hospital, o my dear!
I hesitated always, not to feet down on earth,
Only Lord know, why I reached on hot hearth.
When I was to born, a saint came to me,
Why you don't want world, altogether we will be.
In last days, mother serious, advised a lovely lady,
Why you don't bow a mosque, always blessings already.
Mentally my mother bowed and prayed for blessings,
He came in mother dream, told 'Enlightened will be offspring'.
I came in the world and my mother all forgot,
When I was sixteen, she again came in dream telling, u will give me gift or not.
My mother did not know, where was that mosque,
He carried with him in dream, I also found there a long queue.
I also worshipped with mother, as faith in all religion,
I respect all saints, as divine is always hidden.
No wish of name, fame and reputation, now left no ambition at all, o dear!
Only saint Blessings I want, they accompany me very near.
My father always used to tell, your birth brought amazing things to family,
Nobody had thought, that in such serious position, a mother can give birth really.
With my father all discussion, as he gifted all dear,
My all words exactly he knows only, in his absence telling you, my dear!

I Memorise The Day, When I Was Seriously

I memorise the day, when I was seriously ill
May not be able to stand, lost my all zeal.
Nothing like to food, as vomiting seriously continued,
All first aid failed, local doctor also refused.
Lastly came to hospital, equipments very fine,
Looking I felt there in, reached something like divine.
All nurses ran to see me, what was my pain,
Got first aid, was immediately in relief gain.
Then tests were going on, heart beat was high,
Saw, one nurse was looking so nervous to cry.
She went to hide somewhere, gone to near a corner,
Asked my welfare sadly, when my test were over.
Day-night always caring, always noticed my facial expression,
Rendered own services totally with their full emotions.
All nurses repeatedly serviced, like my dear mother,
Although we call them sister, but may not tell less than mother.
Mother along with nourishing herself, cares own children,
But nurses care, want to see patient always smiled, think well done.
When I left hospital, blessed my dear, wish to not hospital again,
Tearfully eyes although, but wishes always to not return in pain.
Alas! What a heart of Nurses all, selfless life leading ever,
Today I think of Thanks to all Nurses of world over.
I owe a deep gratitude to the Nurses of World,
What ever may be told, expression may not be in word.
Specially on Nurses contribution to the world!

If boat drowns, he will leave me to drop in river,
Must take me in his embracement,
I want no more,
Only want affinity with him.

To enjoy things God created whole,
At first it looked very shining,
Found later very few soul lovely.

All engaged in self centered view,
Although all where here new,
But claimed to be very powerful,
In final result nothing to make review.

Oh, this world became a center of cruelty,
Very few traces of humanity,
All raise slogan for chair and position,
All lost way of real property.

Wealth is not all in life,
Humanity and peace for all,
If you have not service, human sentiment,
Stretch the hands to calm and cool soul.

O My dear! we have to make a stand,
We hold each other's hand,
Make this world totally divine,
Nobody here be mentally strained.

I Saw On An Epitaph, Some Lines,

I saw on an epitaph, some lines,
Very small letters, in a lovely rhyme.
I born for love, survive in love,
Now I only in infinite divine love.

Never taken life for world affairs,
Although all performances very poor,
But I always cared all to be altogether,
So I adopted only lovely letters.

Wherever I went, people gathered,
I loudly shouted allwhere, love, love, oh dear!
Do sympathy, cooperation service, make conflict nowhere,
Nothing your permanent, you have not to live longer.

This world is for you temporary, no final destination,
We have come here, life a halt station,
What will you do here, that will be a memory,
Otherwise nobody will remember your story.

I started for you alone,
Although no wish in my thoughts,
But when I put forward my foot,
I see my shadow behind.

Many ways I tried to get rid of it
But why doesn't it leave me,
What's the purpose in its mind,
I'm unable to be away from thee.

Sometimes it tries to blow dust
Mind mine too as an iron, now
enveloped in red rust,
When utter echoes back to me,
Why I feel much disturbed,
It never leaves me alone.

Under this situation, I am unable to reach your door,
O my lord! please hold my hand, may be able to see your eye-core.

I Tried To Make My Pencil Sketch,

I tried to make my pencil sketch,
Very difficult to take mirror image in catch.
So I took a recent photograph of mine,
Very carefully looking, as to capture a design.
First I got overview of my full picture,
What a God creation, a gift of lovely nature.
How Almighty makes different art so rapidly,
Nobody may make imitation, as fluency in talk speedily.
I started my pencil, moved in very low speed,
Slowly proceeded hand, may not be as such indeed.
Face font drawing firstly, then started colouring them,
However I completed whole, again and again observation then.
Cheered with Alas! But may not fill in this soul,
What I am artist now, may not do complete work all.
O Almighty! I bow you, you are only an artist,
Whole nature created you only, you all, geneticist, Palmist.

I try to break encircled chain,
As I feeling very much pain,
But unable to get relief anyway,
My all efforts now in vain.

Although I don't want salvation,
As this is not a final solution,
Feeling shame in such an emotion,
I want to see all where love, affection.

I know, you all are given supreme power,
You are my all, accompanying in each hour,
My heart full of waste materials,
How I may get you, o lovely, my dear!

My body covered of five elements,
All materials nature intention very adamant,
Neither I have love nor hate,
I want to see you only, have devotion.

I indebted, your blessings to body,
Thanks to each one, nourished everybody,
Feeling shame, didn't perform well,
Could not fill love affection in anybody.

Now I calling your name,

Please hold all, I am now ashamed.

Why I will leave, if I get such a good chance.
I will ask one day, My God! Give me an opportunity to me,
After completing one chance of wander, u withdraw capacity from me.
I will see everyone, intruding into each heart,
Will see each soul God, whether different to hurt.
Why not we are all one, if God is all of same,

Blooming flowers spread scent every where,
But me tired and exhausted,
Provide me peace,

I Was Called In This World,

I was called in this world,
Only to service with only words.

I tried to learn music tone,
But somewhat I have in my muscles bone.

What I learnt from people, found not much efficient,
As divine tuning always different.

So I started here my lovely original song,
Although many people left me alone.

But I will sing here, what I had learnt divine,
As I see here, world song not mine.

Song ideal only to extend love, cooperation,
World song idea only to enhance competition.

So I will sing here in this world only song of love,
As I like, love, emotional feeling of all above.

Imagination

Imagination

If there is not if,
All things possible,
As there exists if,
Automatically come probable.

Leave concept of if,
Where all dilemma,
Take determination firm,
We may get Maxima.

We are on this earth,
Nowhere is heaven,
We may do all,
Have to apply only wisdom,

Man part of Almighty,
Have got all efficiency,
We have parted now, I and u,
This is the main deficiency.

Love, sympathy, cooperation,
way of dear lovely life,
But conflict, non-cooperation,
Struggle, quarrel, acting as knife.

Nothing in ego, o my dear!
We never permanent here,
Life Span of very short period,
We have to enjoy together.

But we have to enjoy heaven,
On this lovely earth,
We have to leave' if ',
Otherwise we have to adopt hearth.

In Alone I Remember Love Of Dear Brother,

In alone I remember love of dear brother,
Lovely taking in lap, always taking care.
Since childhood I accompanied him,
We both brother-sister like always a rhyme.
Eating, sleeping, playing was a regular routine,
As I am younger, so am not properly mine.
What learnt in life, that contribution of brother,
I was so silly, may not tolerate others.
At young age, got continued my study,
Brother got service, and got busy.
Anyhow I too got my lovely profession,
But my heart always full of brother lovely emotion.
O my God! I find each and birth like my brother,
Very dear, very lovely, very nice, very sincere.

In Dense Black Half Moon Seen,

In dense black half moon seen,
What a pleasant lovely scene,
Hilly areas, very glorious,
Views,
Glory morning yet, not to begin.
Birds throwing feather, altogether,
Cuckoos have not started their voice,
Totally silent all environment,
Nobody is making noise.
After some time sky reddish, as it if any came,
Slowly slowly whiteness arrived,
Red red allwhere tame.
All happy feeling, very much enjoyed,
Birds flying in sky,
I have a lovely glance of, o my dear! reached so long very high.
Alas!

In Mirror

When I see
my figure
In mirror
Always found
Copying me,
Just a duplicate action.
When I rose hand
That also arose palm,
When called anybody,
That also called my body,
When I showed tongue out,
That also reversed same,
When I showed writing on pad,
That showed writing action,
But
Today
What happened? ,
All the reverse actions stopped,
Either
Change in my figure
Or
Misbehave in mirror?
No
Mirror may not change,
It is standard,
The
Change action
Focussed

In the way of Journey in train,
A person very speedy ran,
Took his seat my very near,
Told very sweetly, oh My dear!

Hidden very precious thought.
Initiated his own pleasant story,
Told mildly bag whole history.
That Carry bag was made of cotton,
In that a living was very handsome
Closing eyes, whitish looking skin,
Folding hands, lovely beautiful chin.
Started his tale very gently gladly
I heard of a some saying very mildly
That bag anyone have here left,
No one goes to aware that very kept
Ladies saying, anyone left her child
Fearing world gossip, left so smiled
So I have decision to keep with my son,

In These Days In Dreams I See My Old Ancestors,

In these days in dreams I see my old ancestors,
They talked and enjoyed with me like as regular.

Laughing, telling tales, talking of old story,
Although I don't remember so old, a matter of glory.

But their talks indicated, they were present at that time,
And taken rebirth as a relationship of mine.

Again he has left the world, although I was in constant emotional touch,
But still they love me, watching me enough.

I had hidden some divine secret, when they were alive,
After leaving this world, they finally realized.

Then they were my most dear, always keeping with my contact,
I was amazing to see, why now they forecast of going act.

One day I thought, why they are coming to meet,
I got reply, now nowhere to you repeat.

I bow all respected, give blessings to me only,
My love path may be straight, bless you all dearly.

Arrived earth, looking hither thither.

Sun felt shy to look moon tears,
Sent ray messenger to carry in form of vapour.

It Flies Above So Rapidly,

It flies above so rapidly,
Very Lovely mildly slowly,
Full self conscious spiritual emotion,
Looking earth with obliged surrender devotion.
Multiple colored mind waves,
Till now, suppressed in cave,
Today got freedom full of joy,
Rising above, reaching high.
Different colors show thoughts,
Dancing, jumping like rhyme a lot,
Low pitch or high tune nodes,
Touching everywhere, whole internodes,
Now they want to touch sky,
As ambition wants to get high,
Although sometimes look shy,
Now telling to earth, oh dear! Good bye!
Now will touch their indefinite,
As goal to reach get only definite,
When aim fixed in ones mind,
Will help you now, Almighty kind.

It Is Very Difficult To Be Away From Sorrow And Sadness,

It is very difficult to be away from sorrow and sadness,
As happiness and sorrow coexist like both sides of coin,
Like day and night,
As dark and light,
Both not altogether,
But one after another,
But I of the opinion,
If one is neutral in happiness,
Then he will must face sadness too,
As happiness is most dangerous than sadness.
In trouble one may be neutral,
But happiness need more patience than sadness,
As victory emerging ego,
That may cause jealous,
Which endangers personality,
O God! Save me, keep me in your lap.

Life Seems Multiple Coloured,

Life seems multiple coloured,
But all are well honorable in world.
Almighty created coloured creations,
Scriptures made various interpretations.
People need only light,
What is colour of pure white.
But when it intrudes into prism like nature,
VIBGYOR form liking air scatters.
People enjoying rainbow concept,
In my mind only a pair perfect.
Black-white is only base pair colour
You may take paint over it, oh my dear!
Anger, love, sympathy, pity all action,
Happiness, enjoyment even sad expression.
Life phases of all emotional stages,
People take media to show coloured feelings phases.
Blue and yellow mix, green colour you may get,
Violet-indigo, red- Orange a pair of both sides bodyguard set.
Tears colourless like God common in sorrow and sympathy,
What a great family colour made, O My Almighty!

Life these days seems like a broken tree,
All stem branches, leaves, flowers left now free.

Now a days people showing only wordy formal expression.
All engaged in themselves, no time for any other task,
Only taking self care, either looking any sad or harass.
Nobody will ask you, if you are not in

People see prestige, power, not your real true condition.
If you are in power, generally people will gather,
As if they may not live without you, even you anywhere.
O My God! Tell me please, how you have done such creation,
Where is the centre of malice, you left in your emotion.
Maximum families now divided
Left concept of nuclear,
What I will talk about others, when I myself not very clear.

Living Beings Mortal, Fear Venom,

Awarded poem

Living beings mortal, fear venom,
Why to be afraid, if we have to be gone.

Venom, an asset for life of lovely creature,
How any one may defence his feature!

All offsprings in the world of Almighty,
But none want to remain in mood of fighty.

God has given all being to make his defence,
Allowed to live peacefully, nowhere to keep race.

But in this world we have been creating disturbances,
Always threatening world peace always thought to harness.

Venom is not only found in serpent, scorpion,
Very much poisonous, as man have own.

Competition, conflict, struggle, violence main venom,
Nothing may be parallel, what killing all human.

We are making race to capture whole world,
Creating malice in society, as never may be heard.

We have come in this world for a small lovely moment,
If we disturb divine feature, nobody like dishonest.

Nature whole controller, always blessings for all,
Our intention to capture whole, cruelty overall.

We are disturbed due to caste, creed, race, colour bar,
How we may be successful to get happiness of nectar.

Love, sympathy, tolerance, service is our chief duty,
This is our main service, to behave humanity.

We must have to avoid and leave venom of ego,

Always to propagate love sentiments, selfishness to forego.

We are nature's offsprings have to maintain divine dignity,
Leaving malice venom, love to all, services to Dear Almighty.

Living Creatures Feeling In Many Different Stages,

Living creatures feeling in many different stages,
Spend life full of enjoyment in their full craze.

All enjoy in their own way, pattern only differ,
With many different modes, as their environment hammer.

All make expression in their different form,
Nothing alike everywhere, everything in uniform.

Some adopt vocal manner, some totally silent,
Some follow only activity show, some too very vibrant.

Some work through mental wave only, leave sounding way,
Closing eyes lid adopt prayer, reaching good ways.

Expression may be harmful, if not adopted in proper manner,
Silence is the most appropriate measures, what may be fruitful, dear!

If expression is very exactly, provides peace to world,
May create very troublesome, if not sober in word.

Prayer, peace, love, sympathy, kindness are sentiments for all,
If propagation very fair, whole world like family all in all.

This may be established only through means of expression in only service work,
Silently helpful way of working may keep from any jerk.

Speechless speech is of Almighty, who regulates universe,

Love Emotional Showers,

Love emotional showers,
You are like blooming flowers,
So sweet your lips taste,
Spending times all hours.

Your eyes so enchanting, o dear!
Sword cutting edge too poor,
If you take only a glance,
Heart emotions like a river.

If you take only a smile,
Forget everyone moment while,
Always entrapped in whole way,
Whole the world become exiled.

Dr. Navin Kumar Upadhyay

Love Flowers In Each Season,

Love flowers in each season,
Nowhere stop due to any reason,
Either may be distance away
But always blooming like a joy of heaven.

Does not have caste, class bar,
Always glitter like a star,
No boundary of even nation,
Never looking distance far.

Although both have no same
appearance,
All work done through emotional feelings,
Cross all culture boundary,
As heart mingles in each and every performance.

Dr. Navin Kumar Upadhyay

Love Has No Expression,

Love has no expression,
No capacity of explanation,
Dictionary too limited,
Only sweet emotions assimilation.

Love is only madness,
With inner heart kindness,
Tried many to define,
But very often more or less.

What is the meaning of love,
Is this meeting of body above,
I take only as a surrender,
When both becomes only one.

Dr. Navin Kumar Upadhyay

Love Is A State, Not A Statement,

Love is a state, not a statement,
Very less time for some enjoyment,
Mostly in sorrow and sadness,
Sometime possible may be joyful moment.

Love is a danger, more than hunger,
Never go to fulfill, what one think over,
Never shining like a glittering star,
Heart and eyes always both together.

But who adopted the path of lovely emotion,
Always open their heart, never hidden,
Really love enforce to melt stone and iron,
Example may be cited of lovely devotion.

Dr. Navin Kumar Upadhyay

Love Is Never Word Of Expression,

Love is never word of expression,
Path of sentiment and emotion,
Never of thought only,
In my way, only devotion.

Devotion seeking only surrender,
Either may be you or anywhere,
If God is love,
Why not you may be my Almighty, o my dear!
Love is looked in one'care,
So I find in you, every time, everywhere.

I have nowhere to go now more,
I love you, love you, bless me your eye core.
I am standing at your closed door,
Why don't you come quickly, why do you ignore.

Dr. Navin Kumar Upadhyay

Love Is Precious,

Love is precious,
not gifted to everyone,
It's the autonomous
emotions
Which over pours,
Nether through any effort,
Nor any trial.
Neither verbal expressions,
Nor it's viral.
Never expressed in word,
Nowhere it's secret in world,
All look very clear,
As emotions herald.

Dr. Navin Kumar Upadhyay

Love My Nature,

Love my nature,
As I lovely feature,
Love my soul,
It's my all in all,
Love my emotion,
As love my expression,
Love my food,
As nature livelihood,
Love my drink,
As emotions only sink.
Love my heart,
Very nice subject,
Searching love object,
Very supreme perfect.
Want to write only love,
Nothing more than above.
I bow only love,
Kiss only love,
May not be away from love,
Supreme God only love.

But may not withdraw own words,

Love, Peace

Love, peace and inner emotions of human kind,
Neither can be expressed, nor be defined any kind.
Always tearful eyes, with sweet devotion
Kind and sympathetic like the waves from ocean.
This is not the way, I don't see imagination
And want to take bath, be immersed destination.
Leave selfishness, adopting some sacrifice,
You will build more beautiful world that would be nice.
We are all alone in world, but always together,
Love, affection and kindness, keeps us glued to one another.

Lovely Pearl Like Dew Drops

Lovely pearl like dew drops,
Scattered from blue sky,
Green grass of dear earth,
Welcoming to say 'Morning hi '.

Birds wandering through feather,
Looking for their grains,
Amazed to see earth particles,
Did not apply the brain.

Very quickly running way,
All approached dearly earth,
Did not get anything,
Restless due to hunger hearth.

In the meantime an eagle in the sky,
Beak dropped the bag,
All birds enjoyed food,
Did not move even leg.

Lovely winter

What a lovely guest,
The winter sheltered in my nest,
What a lovely season best,
Nobody now in haste.

All overlapping their dress,
Covering body with possess,
Rich looking with coat to impress,
But poors always in distress.

Searching always dear fire,
As they can not able to wollen hire,
Sun looking always have a desire,
As they not able to get position higher.

Winter season for rich ones only,
Possessing woolen clothes differently,
Many coloured well dressed dearly,
Changing clothes each and every year newly.

Nature gift river lakes water looking clear,
Enjoying sun rays flower very dear,
But some plants not able to fit for career.
Very funny season each Happy New Year'.

Mathematics: A Friend Or Foe

Mathematics: A Friend or foe

What a lovely subject of mathematics,
As in life, very important role of statistics,
May be difficult for a few very poor.
But life is in vain without mathematics, o dear.

Whatever I see, this is very important,
In algebra, trigonometry, geometry omnipotent,
Physics, chemistry, Economics, Geography it's role everywhere,
Where science application, it leaves nowhere.

This is the science, astronomy, astrology relationship,
Allwhere it's affinity and kinship,
What an enjoyable subject, if you have some memory,
No any subject have got such glory.

Science is the life, mathematics essential,
Without calculation all null,
Have enjoyment of this subject love in life,
We may achieve in life whole potential.

Always in a lovely rhyme,
But I unable to follow so fine,
You always embracing me,
But I restless to see,

Sa araw na ito ay nakita ko sa iyong Mga mata ang subrang kalongkotan at pagkalumbay bumalik sa bahay iniisip ka,

Nabighani ako sa iyo nahihiya tumatago.

Binuksan MO ang pinto. NG ako ay matumba.

Hindi parin nagawa NG maantala.

Ano ang kaagad mong Pinatupad.

Tulad NG Kung Saan napakahusay. Hindi ka nagulat kahit isang saglit.

Nagsalita kami bagaman sa magandang paraan wala kaming ginawa napakababa.

Ngunit NG sandali mula sa pag babalik Doon.

Hindi ko maayus ang aking pakiramdam.

O mahal ko!

Ano ang magandang maisnsulat sa iyo NG sulat. Ang mga titik ay nahuhugas NG mga luha NG napakabilis.

Ano ang dapat sabihin sa pamamagitan NG sulat. Maari mong sundin ang sinasabi at tinitibok NG iyong puso. O mahal ko

When today I gazed your eyes,
Very tearful emotional high,
Returned home, thinking you,
What your lovely, hidden shy.

You opened door, when I knocked,
Did not make anyway delay,
What a promptness you adopt,
As allwhere very well, I did not even a moment shocked.

We talked although in lovely manner,
Nowhere we performed very poor,

But when in moment from returning there,
I could not feel well, o my dear!

What a lovely writing to you a letter,
Tears washing very rapidly all letters,
What to tell, what to write,
You may follow with your heart, o my dear!

Mi pensi molto lontano,
Ma io sono molto vicino;
Perché non scrivi la canzone d'amore,
Oh mio caro amore!

Tu stesso poeta e te stesso poesia,
Che bella geometria molto bella;
Da nessuna parte lo trovo, o mio caro!
Cosa non trovato in nessuna storia.

Tieni la penna in mano,
Inizia presto a suonare una band
Per favore non pensare comunque,
Cosa è sbagliato o giusto.

You think of me far,
But I am very close;
Why do not you write the love song,
Oh my dear love!

You poet and yourself poetry,
What a beautiful, very beautiful geometry;
Nowhere do I find it, or my dear!
What not found in any story.

Hold the pen in your hand,
Start early to play a band
Please do not think anyway,
What is wrong or right.

Lo que no se encuentra en ninguna historia.

Sostén la pluma en tu mano,

My poem translated into Portuguese:

Ó meu querido!
Olhando da janela,
Não tenha um olhar de arco-íris
Que noite tempestuosa
Altura muito densa da floresta,
Que clima nublado,
Como você pode vir aqui?
Mas não se desespere da determinação
Como rugindo adoráveis ??emoções,
Você precisa vir,
Eu não olho aqui,
Eu não vou dormir esta noite
Como brilhando muito trovão,
Mas isso me dando prazer,
Seu caminho vai ficar brilhante agora.
Eu abro a minha porta de novo e de novo,
Esperando por você em bater para recuperar,
Quer ouvir seus passos
Se pode ser muito pouco para obter,
Mas você deve vir aqui
Tenho certeza agora, o meu querido!

La vida es siempre una lucha.
Pero no lo tomes por favor, rompecabezas.
Sólo tenemos que disfrutar del placer,
No tenemos que estar desconcertados.

La vida es como un flujo de corriente.
Donde apuntar solo para ir,
Nunca quiero estar estable,
Todas las formas difíciles de renunciar.

La vida, como una planta de flor de rosa,
Apunta siempre a bendecir la ducha,
He enfrentado viento muy fuerte,
Nunca hay tendencia a perder poder.

Paciencia, fuerza de voluntad de ambos pilares,
La posesión es, nadie puede rendirse,
Hay que mantener su equilibrio,
Uno no puede necesitar, en cualquier lugar refugio.

#####

Life is always a struggle,
But don't take please it puzzle,
We have to enjoy only pleasure,
We have not to be puzzled.

Life is like a stream flow,
Where aim to only go,
Never want to be stable,
All difficult ways to forgo.

Life, like a plant of rose flower,
Aim always to bless shower,
Have facing very strong wind,
Never tendency to loose power.

Patience, Will power both pillar,
Possession its, nobody may surrender,
Must keeping its to be balanced,
One may not need, anywhere shelter.

Noodía despertar, él se ha ido,
permaneció dormido, se fue solo.

El que te hace dormir con el sargam de su aliento,
El que solía dormir en los brazos,
El que solía fluir lejos de sus palabras,
De repente se fue y se fue.

Los sueños estaban tan decorados en la mente,
El que siempre está en los latidos,
No sé lo que vino en su mente interior,
Se ha ido sin decírtelo.

Ve, no importa lo lejos que estés,
Usted puede estar en la mente o lejos,
Que tengas la felicidad en todos los sentidos,
En los recuerdos de 'Naveen', te quedas para siempre.

My Poetry As A Sweet Memories,

My poetry as a sweet memories,
Remind writers'past story,
What waves experienced in life,
Either making happy or
feel sorry.

Although life is like a stream,
Sad or happiness both beam,
What we feel in life stages,
Gone past ill or made me glitter.

What a lovely poetry emotions,
When ever mind disturbed,
All ways totally perturbed,
We take shelter of peace emotions
Poetry give relief to whole world.

We feel in life tide waves,
Captured always in cage strange
Expression pouring some relief
We take shelter in poetry devotion.

My Songs Are My Prayers,

My songs are my prayers,
Have no malice, my dear,
Neither any ornamental words not ego, selfishness in favor,
Ornaments distract both body and mind,
We Chant hymn in Melody
Standing in circles happily.

In an artificial composition
Can never be a lovely emotion,
I feel shame to utter words,
Where there is no lovely devotion.

My life is a rough stick
Stands on love and affection,
Me as a non living piece of
bamboo,
Please blow through your lovely breath.

My Tears My Ink,

My tears my ink,
Always in poetry blink,
Telling sad history,
Only painful link.

How one may be sad,
If he is in love mad,
What an amazing feeling
If someone glad to meet.

Love feeling special,
Nowhere it is logical,
Always divine blessings,
Expression very emotional.

When heart feels emotions beat,
Sorrow and pain out pours,
Voice totally silent,
Eyes no more tolerate it.

Tears make all expression,
Telling inner heart emotion,
Trying to hide inner all one,
But unable to control real imagination.

SILÊNCIO PESADO

Não encontro palavras certas
para expressar o que sinto agora

nem eu mesma me entendo
vivo nos sonhos de outrora

Então fechei meus olhos
pude sentir um silêncio pesado
Deus como dói minha alma
meus olhos estão marejados

Alcansei o nível mais alto
da maldita compaixão
tenha pena de mim
ingrato coração

Perdi o sentido da vida
esqueci o que é felicidade
dentro de mim matei meus sonhos
hoje me alimento de saudade

De longe ouço uma gargalhada
é o meu eu rindo de mim
grito mais alto que ele
por favor não me maltrate assim!

O My Mind

O my mind

If I would not have taken birth on earth,
I would not have to opportunity to become a human,
Never I would have like feeling all responses,
What I have of thinking as a common.

When life takes its shape in mother womb,
Very unable to cry in that stage,
We get nourishment from mother food only,
Life of always captured in a dense dark cave.

This is the initials of life what a feeling we forget,
After birth we always disturbed, never agree to wait.
Day to night always busy only to get maximum wealth,
Neither thought of moral behaviour nor care of health.

Between the life comes a stage, when get opportunity of romance,
But there is not too fixed happiness, your luck has a good chance.
What you earn or invest anywhere, very much not fixed your future,
It depends on your lovely luck only, what your family nature.

When you grown up very old, your stamina have now lost,
In this stage very few with you, have no relationship with most.
Although you have made in this life, very high building dome,
But in the last stage, you are in such position, to take shelter in old age home.

Now sitting alone, you spend your time in lovely ancient literature,
Sometime in enjoying movie, very few in prayer.
In prayer you may not surrender, as you were very much interested in
competition,
Your goals were always very high, from childhood this ambition.

You always remained self centred, adopted ego in selfishness,
Left way of service, sympathy, cooperation, accommodation and kindness.
You have never thought in mind, this is Almighty creation,
Never adopted way of being service having with full devotion.

O my dear! you always thought of 'if' and 'but' in selfishness, what is most

confusing one,
Always remain entangled in it, never cared in world anyone.
Now do service to all, with full surrendered soul,
This is the humanity only, human services all in all.

One Day I Got A View Of My Dear, He Was

One day I got a view of my dear, he was engaged in a painting,
I could not believe in my mind, what is so interesting.

I moved to him from backward very slowly,
Stood of his back, started to watch very gently.

His hand touched his eye, tears taken on pen,
Excluding his tears very slow, spontaneously expressed his pain.

I seen, he wrote only my name again and again on a such plain paper,
What a mystery in his action, I have not seen, o my dear!

He continued his writing, and kissed such name each time after writing,
May not tell about such joy, when he was writing and reciting.

One Day I Saw Immense Rain In Sky,

One day I saw immense rain in sky,
May not be so lovely, like even a drop of your eyes,
What a few bubble enlighten on lovely face,
Like on dew drop on a milky surface.

That intrudes into my heart, do me restless,
Enjoyment feelings may not be called less,
What a lovely face to embrace you with heart,
Your internal emotional wave overflowed to express.

O my dear! You are very welcome to my heart,
Never feel anyway, never feel hurt,
I am always with you, never will be separated,
Our lovely relationship will now take emancipated.

Dr. Navin Kumar Upadhyay

One May See Love,

One may see love,
With inner eyes,
Do not utter 'hi',
But sound very loud,
Hearing whom?
Whose heart attached.

Love has no name,
No any form,
But in all one,
What a hidden from all,
But very reputation and fame.

Love is the soul,
Entrapping all,
Enchanting whole,
A living overall.

Dr. Navin Kumar Upadhyay

Our Love Can Never Be Forgotten.

I am always with you
Never think apart;
we both soul are a very lovely part;
In each breath, you are hidden
Our love can never be forgotten.

Dr. Navin Kumar Upadhyay

Out Of My Window Happiness

Out of my window happiness, dense difficulty misted fog clouds,
What may I do, in such dark disturbing crowds.
But we have to get into, my green happiness,
Mental determination light, can never be fruitless.

Dr. Navin Kumar Upadhyay

Pata Nahi Kab Ate, Aur Chale Jate Ho

Pata nahi kab ate, aur chale jate ho,
Apni ungli ke nishan chor jate ho,
Dekh nahi pate apni nazaron se
Kahin meri ankho ko to nahi,
Bandh jate ho.

Dr. Navin Kumar Upadhyay

People Call By Name,

People call by name,
But nowhere my fame,
When I look myself,
Feel always very shame.

I have not done any active work,
Spent life always in jerk,
planned but no activity coordination,
Lacking of so better quirk.

Body form is not main,
Achievements always to be gain,
Personality roar through work,
Then reputation may be maintained.

Dr. Navin Kumar Upadhyay

People Call Me Rose, I Am Flower,

People call me rose, I am flower,
Very fine look, each and every moment hour,
Very much attractive my look,
My view is too bless enjoying shower.

My life for a very short moment,
Very slowly each and every movement,
Gradually emerging through a seed,
Faced in developing very harassment.

Soil and water nourishing altogether,
Sunlight blessed very much, my dear,
Crossing all of whole eccesis stage,
Today I respire in sound fresh air.

All petals arrangements we are,
Blooming in garden, now not very far,
Glowing shining light in youth stage,
Intention to attract to surrender my nectar.

My life has no any self intention,
I believe in only my sweet devotion,
My view is of only surrender and service,
As all immortal in this lovely creation.

Dr. Navin Kumar Upadhyay

People May Think What Am I,

People may think what am I,
May not think, what my main aim is,
God blessed all body parts equal,
But always feel, all parts far apart,
Jealous, hatred, competition
every where I find.
Why don't we keep cool our
mind?
Life is not a strategy, only
emotional wave,
Only to enjoy, why we don't save.
Life is like a rhythmic beat of sweet heart
We must enjoy breathing
without any effort
We all are brothers, nobody strange.
O my dear! Come all, here all one dear

O amor nunca pode ser separado,
Continue sempre à procura.

O que é que está escondido nesta cor?
O que é que eu guardo naquele mundo,
O que resta em todas as suas partes,
Entra em um sonho e te dá um sonho.

De onde você veio à minha mente,
Mesmo que eu pudesse conhecer o corpo,
A vida tornou-se escondida na riqueza,
O que você ganha neste quintal?

Às vezes tem sido uma questão, seja lá o que for velho,
A história foi reduzida antes de se tornar,
Não foi a minha, a ignorância do teu coração,
Por que vem sempre beijar o corpo?

O desejo que eu tinha de conhecer na minha mente,
Deus não deu a sua graça, nem misericórdia.
O destino de me conhecer não foi feito,
O 'Naveen' quer o culto de Milão.

En la infancia escuché historias de Ángeles,
Abuelo me dijo en varios ángulos,
Pero cuando tuve la oportunidad de verte,
Mis emociones con el cuento están muy entremezcladas.
Eres la más encantadora del mundo
Incapaz de expresar en mis palabras,
Cuando presto atención a tu dulce naturaleza,
Tengo una visión divina del encantador heraldo.
Oh mi querido! No me dejes solo
Todos los malos recuerdos deben desaparecer ahora
Eres mi único querido amor
Haremos nuestro hogar más agradable.
Ambos disfrutaremos allí por completo,
Ese será nuestro refugio más divino,
No hay preocupaciones que nos atormenten,
Ambos disfrutaremos los besos del otro.

In childhood I heard stories of Angeles,
Grandfather told me in various angles,
But when I got a chance to see you,
My emotions with tale very much intermingled.
You are most lovely in this world,
Unable to express in my words,
When I attention your sweet nature,
I get divine view of lovely herald.
O my dear! Don't leave me alone,
All bad memories must be now gone,
You are only my dear sweetheart,
We will make our most enjoying home.

We both will enjoy there altogether,
That will be our most divine shelter,

Por que você não bebe suco de limbo!

SILÊNCIO PESADO

Não encontro palavras certas
para expressar o que sinto agora
nem eu mesma me entendo
vivo nos sonhos de outrora

Então fechei meus olhos
pude sentir um silêncio pesado
Deus como dói minha alma
meus olhos estão marejados

Alcansei o nível mais alto
da maldita compaixão
tenha pena de mim
ingrato coração

Perdi o sentido da vida
esqueci o que é felicidade
dentro de mim matei meus sonhos
hoje me alimento de saudade

De longe ouço uma gargalhada
é o meu eu rindo de mim
grito mais alto que ele
por favor não me maltrate assim!

SILÊNCIO PESADO

Não encontro palavras certas
para expressar o que sinto agora
nem eu mesma me entendo
vivo nos sonhos de outrora

Então fechei meus olhos
pude sentir um silêncio pesado
Deus como dói minha alma
meus olhos estão marejados

Alcansei o nível mais alto
da maldita compaixão
tenha pena de mim
ingrato coração

Perdi o sentido da vida
esqueci o que é felicidade
dentro de mim matei meus sonhos
hoje me alimento de saudade

De longe ouço uma gargalhada
é o meu eu rindo de mim
grito mais alto que ele
por favor não me maltrate assim!

Poetry Is A Word Wave,

Poetry is a word wave,
Emerging from heart cage,
Excluding as an emotional tears,
Through affection of hearty attached dear.

This is not merely word,
very peak emotional world, .
Having full faith and surrender,
Totally loosing oneself with no wonder.

Either it may be love enjoyment,
Or sad full thought harassment,
Always living like a lovely wave,
Flowing rapid stream of enhancement.

Dr. Navin Kumar Upadhyay

Like a sage all expressions.

Poetry My Prayer

Poetry My Prayer

Poetry my prayer,
Poems chanting words;
Tears my ink,
Sweet emotion divine world.

When I close my eyes,
Try to mediate,
Spontaneously overflow,
Poetry initiate.

What I write,
Although not in mind,
After its completion,
That's blessings of super kind.

I never feel pride in myself,
I am poem writer,
Never ego may be in mind,
I see my deity very closer.

Everytime I around,
Almighty blessing wave,
Independent stage always,
Never in world cage.

On the poetry day I bow to all poets,
Please give me your blessings,
My mind may not to be egoistic.

Como muita felicidade se encontrou, para conhecê-lo,

Prayer

PRAYER

Prayer starts with heart,
Never through the brain,
Very silent and deep,
Only through beating heart chain.

You are almighty, omnipotent,
Our love and prayer silent,
So listening you very quickly,
Taking action very speedily..

Dr. Navin Kumar Upadhyay

Prayer Never Rejected,

Prayer never rejected,
Always accepted,
As it is through heart,
When you are hurt.

Radha Krishna Only Two Name,

Radha Krishna only two name,

Rahenge nahi ham to kaun hoga tum par fida.

Right To Speak

Right to speak

Dare to speak up

God made all being equal,
Provided to all parallel,
All nourished through nature,
As all of Almighty very dear.

All equal in society,
Have brain and emotions with full dignity,
All have same sense and physical body parts,
Living altogether in the world, nobody apart.

Life in this world very problematic,
All are not cooperative mind, but we have duty to oppose.
Some are of suppressive thought, some have kind behaviour,
Allwhere found it, either near or from neighbour.

Right to live in this world all have got,
Some rule in own way, some ideal ideas adopt,
But we have to duty to oppose, if we don't get proper,
Always dare to speak and oppose, no need of always kind prayer.

Satisfaction

Satisfaction

We all run in this world to make image,
Spend in life many continuous phases,
But never be satisfied with all efforts,
All ways looking like only a mirage.

Sometimes world looks like of wealth main,
Other view telling of health to gain,
One aspect expression of money is all,
Opposition impression enemy all-round whole.

Student take lessons of study to achieve,
Youth expression of love and vigour to give,
Adult one ideas to establish family of own,
Old stage waiting the moment when to be gone.

Whole life spent but no where satisfaction,
Anyway anywhere not getting lovely sweet emotion,
Life is to run only, not getting content anywhere,
O my dear! surrender to Almighty with sweet devotion.

Dr. Navin Kumar Upadhyay

Scenario Of Today's Day,

By seeing the scenario of today's day,
This thing is adding more dismay.
It's 'Maa Durga' festival, that is too important,
All did some special prayer, I did something different.
Marquee were made, Durga idol installed,
As it is traditional one, since a long time continued.
Now a days, modernisation is in long run,
So the old norms are being forgotten.
We go there only to enjoy colored lights and new art,
Eager to see palace model, not a simple temple.
Just to enjoy festival, we avail our night.
Very anxious to see, take a glance in light.
Loudspeaker, voice media, are in very loud tone,
Nobody hear now chanting of the pious mantras done in mild zone.
What Priests may do, are not so precious now,
We enjoy only the beauty which appears not from within now.
People visit to see fair, crowd of eatables vendors,
Children enjoy balloon toys, ladies enjoy gossip altogether.
What a worship norms, are we praying deity,
How we may get Almighty in loud, who is beyond infinity.
Love affection surrender where, how we may cry,
Only may be tearful heart, loosing always ego high.
Brain, mind, verses all fail to express something,
All watching looking silently, may not say anything.

Sehre Ke Niche Jo Chehara Dikha,

She Believed, Got Relieved,

She believed,
Got relieved,
Did not do labour,
But everything in her favour,
She did not do effort,
What did, with her heart,
Done service, showed sympathy, affection,
Did not do any intellectual behavioural expression.
Served with emotion,
With full devotion,
Her lover came at her door,
Sat down on naked floor,
Asked, give me your fruits,
Take up whole life all fruits,
She began to offer offering,
Tasted all fruits, tear showering,
God accepted all those,
Then she offered a single rose,
Bowed her deity,
Got affinity with infinity.

Dr. Navin Kumar Upadhyay

She Is Looking Rose,

She is looking rose,
She seems to be rose,
Her eyes too like rose,
Each and every body part like rose.

She smiled like a rose,
She moved like a rose,
She kneed like a rose,
She whispered like a rose.

She asked me only a rose,
I presented her only a rose,
I called her with name, 'O Rose'
Really her name was too rose.

Divine light scattering, people being delighted.

Bluish Ram, blue sky, blue saryu river altogether show,
All Beauty mingling reflecting divine

All flattering lord king, as dancing dearly.

Since A Long Time What Happenings Occurred,

Since a long time what happenings occurred,
Did you not feel, your sentiments did not hammered?

Black-white, day-night, evening-morning distinction,
Why you have made, dear, so contradictory creation.

Today we meet, tomorrow becomes separate, what your mind!
You only spectacular, why you not follow, o my dear kind!

One fall in love in sitting, becomes separate, as he stands,
How anyone may belief anybody, how may hold any hand!

O my dear! o my God! I take your shelter now,
Withdraw your all veil of universe, provide peace anyhow.

Slow and steady cold wind knocking my door,
Very lovely morning, I am not able to open eye core.

Enjoying sleepy my mood as like to rest very dearly.

Suddenly forced air opened my window,
Opened my eyes lovely, got sight of flowers in row,
Very multiple coloured like arranged so beautiful,
Enchanting scenes, very dearful.

Soldiers, Scholar Never Die,

Soldiers, scholar never die,
Always in history much ahead,
Memory in each and every moment,
What a lovely path they lead.

Birth and death is a general norm,
But all where not so very uniform,
Some differences all where seen,
But in case of martyr special form.

A martyr have no any wish,
Only duty have to motherland service,
No expectation of medal and award,
Only duty of taking divine mother bliss.

Earth nourishing through it's lovely lust,
Nowhere to make any effort,
Not anyone anywhere hurt,
Last assimilation with earth dust.

Soul And Mind Are Not Same,

Soul and mind are not same,
Both are very different name.

Although used in a common frame,
But this is not a marvelous game.

What follows soul, that's away from mind,
Soul may have no logic, but firmly determine,

Mind has only logic, to focus present,
But soul is the inspiration of omnipotent.

Mind has capacity to estimate only,
But what may be finally, soul may see nearly.

Soul master may not be mind in any way,
But mind master may be soul, as there is no other way.

Mind soul both away from Almighty, he is controller of whole universe,
Soul may surrender to only dear kind, but mind unable to make appropriate
verse.

Speechless Speech

Speechless Speech

Living creatures feeling in many different stages,
Spend life full of enjoyment in their full craze.

All enjoy in their own way, pattern only differ,
With many different modes, as their environment hammer.

All make expression in their different form,
Nothing alike everywhere, everything in uniform.

Some adopt vocal manner, some totally silent,
Some follow only activity show, some too very vibrant.

Some work through mental wave only, leave sounding way,
Closing eyes lid adopt prayer, reaching good ways.

Expression may be harmful, if not adopted in proper manner,
Silence is the most appropriate measures, what may be fruitful, dear!

If expression is very exactly, provides peace to world,
May create very troublesome, if not sober in word.

Prayer, peace, love, sympathy, kindness are sentiments for all,
If propagation very fair, whole world like family all in all.

This may be established only through means of expression in only service work,
Silently helpful way of working may keep from any jerk.

Speechless speech is of Almighty, who regulates universe,
Through his will power all do, we can not praise in verse.

Starting Talk With A Loud Cheers,

starting talk with a loud cheers,
I became your, oh, o my dear!
Gently took your tender hand,
Slowly slowly approached very near.

Nobody was there, only earth sky,
Our love emotions too very high,
All of a sudden my eyes closed,
You embraced me, did not shy.

What a meeting of this lovely soul,
You became my all in all,
I have not to go now anywhere more,
Always looking your lovely eyes core.

Still your song gets reminded in alone,
Although many years now have gone,
Your tune and tone with full emotions,
What heard from you, in total full devotion.

We versed your all lines touched sentiment,
Enjoyed with whole heart each and every moment,
Wrist too in dancing way like foot steps,
Eyes emotions so lovely as to all to forget.
Your so nice expression always comes in my eyes,
I totally forgot all as your emotions very high.
O my dear! come once, again I have to hear from you,
It is only your tone, where I may get peace anyhow.

Surprise Starts From Sunrise,

Surprise starts from sunrise,
Midnight does not show skylight,
Never a moment we have
When we have twilight.

In dense darkness hidden a light,
But we want brightness purely,
We fear from few moments of darkness,
When we are not delighted,

Life is a game of ups and downs
Never we find as it lovely shown
We have to have patience everywhere,
In any case we should never mourn,

Sunrise associated with sun drop
But it's meaning never stop
Go on and on, slow and steady
You will win the race surely.

Dr. Navin Kumar Upadhyay

Tajmahal!

Tajmahal!
An ocean of tears
Or
Castle of ocean
Or
Love memory sculpture.
Each and every love,
But very few institute
immortal statue of Divine Love.
Mughal emperor Shahjahan period,
Golden age called still today,
But emperor got imprisoned,
Looking his wife
From Windows,
Yamuna flowing
Or wife husband tears mingled
In flowing divine river,
Telling the story of
Radha Krishna divine love,
Love is not of person individual,
The love is the feeling of emotions
Attached with heart
Neither from body,
Nor for body,
So all come here throughout
The world,
To bow
Love, Lovely emotions,
Love Sculpture, Love Idol,
Love Temple, Love Mosque,
Love the environment.
Lovely looking Yamuna river
Which has
Witnessed all the events and incidents.

Talking Myself In Laughing Manner,

Talking myself in laughing manner,
There no problem in life, oh my dear!
Either may be opposite or dear friend,
Always meet with smile, shake your hand.
Keep tone less, but smile more and more,
Nobody can see what's hidden in the core.
Gravity is inner thought, expression very precious,
Express in writing or verbal, and remain cautious,
Although be competent, but never speak, if aren't asked,
All disabilities of yours, would be always masked.
This is a lesson, oh my dear! taught by my dear mother,
I have also told, who came very near.
I obey to some extent, people tell me dumb.
When ask, why silent always, reply, am not open thumb.

Asha ki kiran jahan rahti,
Teri surat mere dil me basti,
Sur aur tan bhi nahi bula sakte tumko,
Dharkan mere dil ki tumko sada pukar karti.

Kyoki mere dil ki pukar kabhi

Thanks and very much obliged to Dear ANNITA ANASTASI who translated my poem into ITALIAN Language, With Best regards:

Tieni la mia mano e canta in una bella band. Continua il tuo bel sentiero fino a che non diventiamo l'uno la metà dell'altra.

Sii felice e divertiti. Scruta l'orizzonte dove la vastità raggiunge l'infinito. La meta potrebbe non essersene andata.

Dobbiamo toccare il cielo come le nostre mete più alte.
Dobbiamo iniziare così...come tu sei con la tua intelligenza.

Passione e simpatia questo è la bellezza della vita.
Nascosto attraverso le affinità lega il mio corpo e la mia mente.

Dobbiamo meritare che gli occhi non piangano mai e non lascino traccia.

Oh! Non posso lasciarti,
Potrei non vivere senza di te,
Tu sei il mio tutto sommato,
Sono solo per te

Ho avuto il tuo amore in bella vista,
Anche tu hai fornito questa possibilità,
Vorrò tenerlo sempre,
Voglio sempre solo migliorare.

Sia il nostro cuore che brucia la stessa fiamma,
Non vogliamo incolpare il nome d'amore,
Il nostro amore sarà l'ideale per tutti,
Dobbiamo evitare la vergogna della dignità d'amore.

Once you took over me in sight,

Where I have lost my self,
Emotional chatting mentally,
It is known to too yourself.

You have captured me in your thoughts,

If I die tomorrow

I am not going to think, if I die tomorrow,
Where if and but, there always grief and sorrow.

God blessed our physical body with spiritual lovely power,
To enjoy mother nature lap, like a tender blooming flower.

People too welcomed, with a lovely glittering joy,
Made dearly nourishment, to approach my will high.

Now the moment have come to do service for all,
To extend sympathy, service, humanity, what in life all in all.

I may not be pessimistic, as I here not only for myself,
I have spiritual power, what hidden in my self.

I may not be disturbed, if I get across any hindrance,
All problems will be solved, through my dear performance.

My daily routine of telling 'Good Morning'takes blessing of all,
This is the Almighty bless, as all part of Dear God Whole.

Where I have to go now, this earth is only heaven.
Earth nourishing everyone, nobody is here burden.

We have to avoid only, ego, selfishness sentiment,
This is most dangerous, what create trouble each and every moment.

We the part of Almighty, we have to maintain peace in this world,
I doing so through my poetry, you may call it through emotional word.

Tan pronto como vi, mis sentidos se volaron,
No hay distinción de nuestro extraño.
Todo el mundo donde la tradición se convirtió en furrer.

Czekasz na mnie, o mój drogi,
Ja też chcę przyjść, bardzo blisko,
Potrzebuje ciepła twojego ciała,
Jak się czuje, całe szczęście tam, zawsze gotowe.

Jakie twoje piękne usta, pełne nektaru,
Nawet jedna kropla, nie widzę chwili, bar,
Kiedy mnie uściskasz, swoimi pięknymi pocałunkami,
Oboje jesteśmy zadowoleni z nastroju, pragniemy spełnić wszystkie życzenia.

Rytm bicia serca spotyka się z jednym, pełne,
Już na ciebie patrzę, bardzo drogi,
Nasze spotkanie ze słodkim sercem może uczynić nowy świat,

A data chegou em aju sri guru ji, por favor, ore aos pés de Sri Guru.

A Hindol de shri srisarayutira, faça uma boa visita...

Estamos decorados com o kadamba, o homem precioso foi morto.

Com shri ram ji, o meu coração está cheio de 'Novo'.

Ndihem si një fëmijë

Fëmijërinë e ndiej brenda vetes time,
Ashtu si unë kam qënë dikur fëmijë,
Ndonse jam rritur në moshë e mendime,
Nga natyra mbetem përsëri kërthi.

Fëmijtë unë i kam dashur përherë,
Qofshin këta të pasur apo të varfër,
Me tesha të pista dhe zhytur në lerë,
Bashkë e ruajmë miqësinë e pastër,
Kur pranë kam fëmijë të pafajshëm.

Edhe po të ndodhte në një shëtitje,
Në rrugë të pista me pluhur shumë,
Duhe qeshur a qarë femija të ishte,
Dashurinë e shpirtit zbrazin te unë.

O miq! mos ngurroni të jeni fëmijë,
Në tokë kemi ardhur për ta shijuar,
Qumështi i nënës na afron dashuri,
Përshëndetje fëmijë, sa shumë ju dua.

I feel as a child

A childhood always in me,

While I was child,
Whether in grown up,
Still now child like nature in me.

I loved always child,
Whether may be rich or poor,
Wearing dirty dress,
we always had close relationship,
All innocent around me.

Whether may be in lap,
Moving in dusty street,
Weeping or laughing,
All lovely dear like soul to me.

O dear! you too tempted to be child,
Came on earth to enjoy,
Ran to lap mother,
Welcomed all, very lovely moment to me.

Oh, mi querido! Venecia sin ti muy triste,
Toda la gente local aquí muy triste,
Aunque el agua tala mucho aquí,
Mirando muy pocos marinero eficiente,
Cómo se puede acercarse a su casa,
Aunque brillante cúpula magnífica,
Oh, mi querido! Por favor regrese muy pronto,
La gente espera a mediados del mediodía.

VENEZIA

Oh, my dear! Venice without you very sad,
All local people here very sad.

Although water logging very much here,
Looking very few efficient sailor.

Besos tan encantadores,
Muy querido
Con un abrazo,
Disfrutando maravillosamente.
Lleno de emociones,
Intensidad de expresión,
Los labios se encuentran,
No hay necesidad de imaginación.
Encuentro de labios,
Disfrutando de un beso,
Unido con el corazón,
Una hermosa felicidad.
Si uno de los labios se encuentran,
Corazon tambien saludos,
Sin ninguna lágrima,
Cerrado muy cerca.

Kisses so lovely,
Very dearly,
With an embracement,
Enjoying beautifully.

Full of emotions,
Intensity of expression,
Lips meet each other,
No need of imagination.

Meeting of lips,
Enjoying kiss,
Attached with heart,

A lovely bliss.

If one's lips meet,
Heart too greet,
Without any tear,
Closed very near.

Seremos uno
La gente también disfrutará,
Cuando yo esté contigo siempre listo.

Cuando me besas,
Es como el encuentro de la luna terrestre,
¡Oh mi querido! No hagas demora, ven acá muy pronto.

As memórias estão relacionadas com os sonhos,
Às vezes, aqueles que têm coração em mente,
Mesmo que não possamos dizer nada,
Mas sempre nós concordamos.

Os sonhos não vêm na frente de todos,
Apenas continue olhando para o caminho do reclusão,
Se você conseguir um momento mais leve,
Venha e tenha um abraço.

Algum dia venha encher o am?kavara,
Às vezes, nós teria feito as marcas de palavrões,
Mas a realidade é a realidade,
' ' Naveen ' por que você não vive nisso.

Nós somos desconhecidos,
Você também é desconhecido,
Para onde você vai levar,
Desconhecido em todos os lugares
Ninguém pode reconhecer,
Em algum lugar o mundo é diferente,
Tudo diferente no mundo,
Ninguém significa para ninguém,
A minha dor é a minha felicidade,
Que você está sempre comigo,
E não se vá embora,
Vá lá, fica aqui.
Vamos extinguir a sua sede,
Quando você vai tomar banho com suas lágrimas.

As I feeling very much pain,
But unable to get relief anyway,
My all efforts now in vain.

Although I don't want salvation,
As this is not a final solution,
Feeling shame in such an emotion,
I want to see allwhere love, affection.

I know, you all are given supreme power,
You are my all, accompanying in each hour,
My heart full of waste materials,
How I may get you, o lovely, my dear!

My body covered of five elements,
All materials nature intention very adamant,
Neither I have love nor hate,
I want to see you only, have devotion.

I indebted, your blessings to body,
Thanks to each one, nourished everybody,
Feeling shame, didn't perform well,
Could not fill love affection in anybody.

Now I calling your name,

Please hold all, I am now ashamed.

Yesterday you came into my dream,
You brought some strange gift,
I still didn't believe it,
When you brought ornaments for me.

You dressed me with your own hands,
Made Heena floral art with your own hands,
I was only adoring you, only you,
My eyes were full of tears then,

You embarrassed me Kissed me out of joy,
Asked me, how was I,
Repeatedly wiped my eyes,
We became happy from heart.

Suddenly, wind began to blow,
The window doors banged at each others,
The deep sleep dream is unique,
'Naveen 'could not leave the bed again.

Ontem você entrou no meu sonho,
Você trouxe um presente estranho,
Eu ainda não acreditava,
Quando você trouxe enfeites para mim.

Você me vestiu com suas próprias mãos,
Feito arte floral heena com as próprias mãos,
Eu só te estava a adorar, só a ti,
Meus olhos estavam cheios de lágrimas, então,

Você me envergonhou beijou-me de alegria,
Perguntou-me, como é que eu estava,
Repetidamente limpei os meus olhos,
Nos tornamos felizes de coração.

De repente, o vento começou a soprar,
As portas da janela bateram-se umas às outras,
O sonho do sono profundo é único,
O 'Naveen' não poderia sair da cama de novo.

Disfruta de la vida, periodo máximo previsto.

Muy corto lapso pero no muy es menos,
Aprovechase siempre bien, no se suprima.

Vida útil preciosa, incluso un momento costoso,
Nunca puede volver, va muy fácilmente.

Llegaste al mundo, para alcanzar la altura máxima,
Prestación de servicios sociales, simpatía en derecho.

Contribuye a la literatura, disfruta del humanismo,
Deja todas las diferencias, borra todo el mal.

Poesía mi oración

Poesía mi oración,
Poemas cantando palabras;
Rasga mi tinta,
Dulce emoción del mundo divino.

Cuando cierro los ojos,
Tratar de mediar,
Desbordamiento espontáneo,
Inicia poesía.

Lo que escribo,
Aunque no en mente,
Después de su finalización,
Eso es bendiciones de super amable.

Nunca me siento orgulloso de mí mismo,
Soy un escritor de poemas,
Nunca el ego puede estar en mente,
Veo a mi deidad muy cerca.

Cada vez que yo alrededor,
Ola de bendición todopoderosa,
Etapa independiente siempre,
Nunca en jaula mundial.

En el día de la poesía me inclino ante todos los poetas,
Por favor dame tus bendiciones,
Mi mente puede no ser egoísta.

Poetry my prayer,
Poems chanting words;
Tears my ink,
Sweet emotion divine world.

When I close my eyes,
Try to mediate,
Spontaneously overflow,
Poetry initiate.

What I write,
Although not in mind,
After its completion,
That's blessings of super kind.

I never feel pride in myself,
I am poem writer,
Never ego may be in mind,
I see my deity very closer.

Everytime I around,
Almighty blessing wave,
Independent stage always,
Never in world cage.

On the poetry day I bow to all poets,
Please give me your blessings,
My mind may not to be egoistic.

Qué belleza de verde,
Escena natural muy bonita,
Denso bosque precioso,
Visto hermosa reina errante.

Antiguo refugio largo,
Muy guapo para rural,
Siempre en el estado de ánimo de bendición,
O bien puede ser rico o pobre.

Encantadora atracción de llover,
Ambiente agradable ganando,
Donación de recursos naturales,
Como si de divina abrumadora.

Antigua vista de la agricultura,
Que encantadora naturaleza de trabajo,
Estudios de investigación posteriores,
Agronomía, forestación, horticultura.

Ahora -un día de investigación,
Sólo para seguir la revisión de verdor,
Siempre útil en la vida,
Ya que es un tratamiento natural demasiado natural.

Oh hombre tienes que conservar la naturaleza,
Puede que tengas que hacerlo mejor,
Como tu alimento es a través de esta madre,
Debes tener que mantener la vegetación, salvador del mundo.

What a beauty of green,
Very lovely natural scene,
Dense lovely forest,

Seen wandering beautiful queen.

Ancient long shelter,
Very handsome for rural,
Always in mood of blessing,
Either it may be rich or poor.

Lovely attraction of raining,
Pleasant environment gaining,
Gift of natural resources,
As if of divine overwhelming.

Ancient view of agriculture,
What a lovely work nature,
Later research studies,
Agronomy, afforestation, horticulture.

Now -a -day of research view,
Only to follow greenness review,
Always helpful in life,
As it is too natural treatment nature.

O man! you have to conserve nature,
You may have to do it better,
As your nourishment is through this mother,
You must have to keep greenery, world saviour.

permaneció dormido, se fue solo.

El que te hace dormir con el sargam de su aliento,
El que solía dormir en los brazos,
El que solía fluir lejos de sus palabras,
De repente se fue y se fue.

Los sueños estaban tan decorados en la mente,
El que siempre está en los latidos,
No sé lo que vino en su mente interior,

Pero sólo puedo decir, a mí mismo.

Yo escondido en la belleza corporal,
Siempre haciendo el deber cariñoso,

Día y noche ver mi propiedad, poder y prestigio,
Haciendo esfuerzos en cada una de las horas.

La gente me aprecia, después de larga vida,

Qué hermosos ojos hermosos,
Toda la belleza del mundo tímido,
Ternura en la gloria de la imaginación,
Encantador por todas partes muy alto.

Que pintura mágica de Dios,
Afilado como una espada que pellizca,
Pero oculta todos los sentimientos en el corazón,
Misterioso tal atrapado en el acorde.

Que bonitos besos tan buenos,
Como si se tratara de todo el mundo mío,
Comprometidos, enredados en todo el camino,
Como un poderoso Todopoderoso divino.

INANG BAYAN

INA! pinaka -magiliw na kataga
Napakalambing at kaibig-ibig,
Iniuugnay sa pawang mabubuti
Na namumutawi mula sa ating mga labi.

Ganoon din naman ang ating INANG WIKA,
INANG BAYAN ang s'yang nakakatulad,
Kilala at tanyag.
Alabok ng lupa dulot ay kalusugang saya
Bawat isa'y pinalalakas nito
Katawan at kaluluwa'y magkalakip ng husto
Pagkakamali ay di makakasingit dito.

May taglay na kakaibang damdamin
Kulturang hatid ng pagbibigay galang sa watawat
Huwag eto balewain maging sa panaginip natin
Sapagkat ang mataas na pagpapahalaga sa kultura
Ay pribelihyong sa tuwina'y nagniningning.

Nasaan ka na? Tila pinakikiramdaman
kung maluwalhati ang Lupang-tinubuan
Hindi lamang eto Heograpiya,

tinig niya'y tulad ng isang banda ng musika.

Hindi tayo nag-iisa, magkakampi para sa Inang Bayan
Alerto sa araw at gabi, handang harapin sino man sa kanya'y makikipaglaban.
Hindi alintana ang sinuman, sambahayan o ari-arian man,
Silang nangakatapon ay nagpapagala-gala sa hangganan ng bansa.

O kay inam ng ganitong uri ng pamumuhay
Di-alintana mga kahirapan at pang-aalipusta
Masayahing kalooban ang ating ipinapakita
Tulad ng palabas sa sirko sa twina dulot ay tuwa't- saya.

May iba't-ibang kulay bawat mga palabas
Bagaman magkakaiba ang panahon
Mabilis man ang pagbabago sa bawat yugto ng buhay
Dulot parin ay ligayang walang katulad
Ang ipinagkakaloob ng kaaya-ayang palabas
Dulot parin sa tuwina'y ligayang walang makapapantay.

Huwag kailanman magpapadala sa simbuyo ng damdamin ng bawat isa
Anumang pakikipagbaka sa buhay ang maganap sa twina.
Sikapin ngang palagi makuha ang palakpak na papuri ng madla
Walang hangaring magsabwatan laban sa kapwa.

Ang buhay ay isa lamang mainam na tuntungan
Lahat ay kailangan magsagawa ng naaayon sa pamantayan
Kailanman hindi para sa sarili kundi para sa buong madla
Aanihin ay malaking paghanga tulad ng mahusay na pagsasadula.

MOTHERLAND

By: Dr. Navin Kumar Upahadyay
India

Mother is the best lovely word of all,
Very affectionate, adorable
Associate term to all.

Mother tongue too very most dear,
Motherland is the soul like, very much popular.
Earth dust nourishing joy, makes everyone much strong,
So attached with body and soul, nothing here may be wrong.

Where of you, asked if, feeling to call glory of land,
This is not only geography, always sound like a band.
It's flag culture always unique emotional, may not forget in dream,
As very high culture privilege always like a beam.

We not alone, always together for our motherland,
Day to night alert, to face any enemy in band.
We don't care body, family, property profile,
Wandering along border land from home exile.

What an interesting way of this life,
We have to here very ironically survive,
In jolly mood we have to play on stage,
Like circus show on always enjoying wave.

Multiple show in different colours,
Although whatever may be weather,
Rapid changes in each and every moment of show,
Always pleasure providing for good show.

Never sorry for individual feeling,
Whatever may be in life happening,
Always aim to get public people clapping,
Nowhere intention to do overlapping.

Life is like only a lovely platform,
All have to perform every time show norm,
Never for self, always for people uniform,
Getting maximum appreciation like a good show perform.

Meanta y me gusta la compañía de una pareja,
Qué hermoso momento de vida,
Cualquiera de los dos puede ser humano, animal, ave,
¡Qué creación del Todopoderoso, querida!

Dios hizo solo a la vista,
Pero nunca hizo hostigar a nadie,
Dotado todo para disfrutar siempre en total,
Así que esta hermosa tierra para el amor, o mi querida!

Todo el reino emocional solo en todas partes.
Aunque algún alcance del cerebro
aleatorio,
Pero solo es un lugar excepcionalmente encontrado,
Completamente en todas partes simpatía, amor, lágrimas de sabiduría.

I have no intention to write any letter,
But what may I do, if telling my tears.

Tongue my silent, but mental waves vibrant,
Mind too uncontrolled, heart very innocent.

Your silence and lovely looking made me mad,

I got restless, when your affectionate eyes gazed.

Care, protection, love, need of a human,
Sympathy, kindness, service, essential need of a man.

I am waiting for you now, when you come over,
Regularly looking path, o my sweet lover!

Dr. Navin Kumar Upadhyay

The Aim Of Life Fraternity,

The aim of life fraternity,
To get a bond of affinity,
Making the whole world very lovely,
Sacrifice, service & humanity.

Our goal is only one,
We heartly want to be one,
Rendering such pitiful act,
As have intention not to hurt anyone.

Either what race or colour,
All meetings are so lovely and dear,
Although living anywhere,
Embrace everyone, o my dear!

Dr. Navin Kumar Upadhyay

The Day, When I Was Born, Got Life Ultimatum,

The day, when I was born, got life ultimatum,
Enjoy every second to the maximum.
A short span but not very less,
Avail good always, and need not suppress.
We can never afford to lose something so costly,
As it won't be returning, and ends easily.
You come in the world, reach maximum height,
Render social services, sympathy in right.
Contribute to every domain of society and enjoy humanism,
Mist all the differences, erase all evilism.

Dr. Navin Kumar Upadhyay

The First Time I Saw You,

The first time I saw you,
My heart got attached to you.
For always surrendered,
Looking the path always.
The intentions were not mine,
Selfless love and affection,
Never did any express,
But you may know, o my kind,

All of a sudden you got disappeared suddenly,
My heart began try to wait for a long while,
Then started watching every moment,
The time when you would return.
Whenever you will meet dear,
I will assume, that was heart there,
Now fill the new happiness,
So that our love may be more defined....

Dr. Navin Kumar Upadhyay

The Highest Lucky People Are Those,

The highest lucky people are those,
Who dwell on earth,
Neither to flow like stream,
always face trouble of storm and hurt of stones,
Nor fear of not getting food properly,
Always searching granules for life and kids, oh my God!

Dr. Navin Kumar Upadhyay

The Life Is Wave Like River,

The life is wave like river,
Many relationship always bother,
We make new bond everyday,
And too forget it near by some day.

Most affectionate lovely love of mother,
We may not leave it, for a moment ever.
Either be near or too very far,
Always in touch never emotions bar.

Always tempted to be very near in sight,
What a moment of mother eyes lovely light,
Always blessings very much of a lovely mother,
Nobody like her in the world, she so lovely dear!

Dr. Navin Kumar Upadhyay

There Is A Place In World,

There is a place in world,
Not approachable to mind and word,
Where may not go logic,
Never emotional expression reaching heard.

There is not any twinkling star,
Neither sun or moon scope bar,
No any tree, river or sea,
But the distance not very far.

That place lies in each heart,
Never intention to get hurt,
The name we know that is only love,
Very beautiful really its role smart.

Dr. Navin Kumar Upadhyay

Allwhere now very much happiness ring,
Flowers too laughing with a nice attractive look,

This Is The Lovely World, Where Love Stands.

This is the lovely world, where love stands.
No world Anywhere in
Universe, where you may take

The Earth and moon far
look at each other only
But no scope to be together.
Sun and moon never together,
When one rise other sets.
Although illuminating world
But looking high in the sky.
Birds too fly high to approach but never touch infinite.
Only on this earth, meeting
may be definite.
Come together, o my dear!
We live together,
Only possible on this green earth we may meet, o dear!

Dr. Navin Kumar Upadhyay

Dr. Navin Kumar Upadhyay

Today I Have Not Turned Any

Today I have not turned any page of any book,
As I have not liked even front page in lovely look.

Although viewed many books in library,
All were very lengthy, heavy, weighty but lacking of life vision normally.

Today I got a magazine on baby's delight special,
I became very interested what it is in real.

I began to turn its page, my mind enchanted,
As if I again got childhood, tried to some page to chant.

Looking very lovely all pages, got a glance of baby playing view,
Much took interest, when I got of river swimming overview.

As my house near river situation, we also dance on river bank,
Swimming very nice hobby, although viewed some too sank.

Memories of some sad instance, still remember I even today,
when I saved a baby, still remains in my my mind way.

A three years baby was drowning, river called me to save her,
Blind parents, blind baby, and I saved all dear.

I may not take so pride still, as river ordered me to save,
Who can save them all, as very much turbulent wave

Dr. Navin Kumar Upadhyay

Today I Remember Face Of My Mother,

Today I remember face of my mother,
Nobody can be parallel like her.

What a sweet lovely affection from childhood,
Never one may find so neighborhood.

Morning to night watching eyes moment,
Always tendency to care and character improvement.

Feeding with lovely affection, when she might be hungry,
Even my faulty behavior, never seen her getting angry.

Always smiling face, eyes tearful always with affection,
Always calling my name, with lovely expression.

Calling me shravan puta, as in her lovely mind,
I surrendered to her, people telling my devotion blind.

But what a son may service, a lovely dear mother,
Who has kept in her womb for nine months of a year.

O my mother! I may not be from your debt,
As you gave me shelter, nourishment, when in your secrecy kept.

In life most difficult work was your cremation,
Very brutal act was to carrying you to fire destination.

O mother, you always cried, when I was sticked with a thorn,
And I put up you in burning fire to make your mourn!

Today I have to do her, an annual shraddha for my mother,
Unable to control myself, and my own tears.

Dr. Navin Kumar Upadhyay

Today I Remember My Grandfather,

Today I remember my grandfather,
Who had a good command everywhere.

In Sanskrit, Grammar, Astrology and Ayurveda,
Along with it good scholar of veda.

Always adopted a good practice of his treatment,
Along with it very lovely for all people sentiment.

When anybody came in contact for his remedy of disease,
Only touching nerves, and patient got relieved.

Along with it forecasting his future,
If any trouble from planet, solving method telling very dear.

As I in distress, automatically memory come,
O my respected! Why you do not come!

Remove all disease, either physically or divinely,
As you now able to provide me peace very lovely.

Dr. Navin Kumar Upadhyay

Today I Remember The Day,

Today I remember the day,
When I was in Baba Baidyanath temple, Deoghar,
Enjoyed whole day,
Night too,
A very good rush of devotees,
To see, offer prayers, worship
For even a moment,
Whole day crowd continued,
Upto night no gap,
Continuous flow of public,
Tight law and order administration,
I was on deputation as a Majistrate,
I witnessed,
Whole public full of tears,
With happiness and joy
To enjoy with deity Shankar
Alas! What an enjoyment they get,
As a mob,
No food hunger, no drop of water,
O my God! You are too old,
But always gold,
All begging wishes,
All getting too,
Promising to come again,
After fulfilled wishes;
Whole night marriage ceremony worship,
Ladies singing songs in melodious tone,
I am overwhelmed,
Asked Baba Baidyanath
To bless me,
Melodious marriage occasion songs writing emotions for next year.
I too got, my dear!
Baba blessed,
Written Gita, fifteen Upanishads Brahmsutra, Geetgovind translation in Hindi
melodious form spontaneously,
After that Parvati Parinaya(marriage songs of Shankar Parvati) ,
Oh my God! I became full of tears,
Oh my dear! you are all,
You blessed me all,

I am nothing at all.
Long live! O my dearest pair; Shankar- Parvati,
You are my father mother,
I don't know any other.
I bow you, I surrender you,
I am your shelter.

Dr. Navin Kumar Upadhyay

Today Morning I Shifted

Today morning I shifted my new residence,
Neither I got less load nor any enhance.
As my thinking is, to leave old, looking for different one,
Wear every time something new, by removing old one.
New environment, I love changes always,
And I do spread my message, giving it a new way.
If u have goodness, do not keep it to yourself,
Share with others, by keeping the willingness to help.
If learning is developed, we become more refined,
Knowledge is extended, and mentally we become determined.
We find ourselves more fresh and developed,
Bad rotten evils all we safely enveloped.
Now we enjoy new culture, new civilization,
Everything in progress, see new modernisation.

Dr. Navin Kumar Upadhyay

Today Weather Very Interesting,

Today weather very interesting,
Morning pleasant very loving,
Thereafter clouds very dense black,
Started roaring without any gap.
Then clouds started continuous rain,
All proposed programme, total in vain.
After sometime mild sun shine,
What a light heat, we felt very fine,
Again cloudy season, what a lovely look,
We finished our work, by any hook or cook.
We enjoyed spring, rainy, winter, summer season part in a day,
All faced we all, no option left any way.
We see and get, child, youth and old stage,
Life cycle one, but we pass on such a phase.
Like life all phases, all seen in a day whole,
As happiness or sorrow, come in way of life goal.

LE TË VDES

Pres të grindem me Ty prap,
Të më thuash, jo, nuk dua,
Dhe pastaj të ikësh me vrap,
Të të kap, të të marr në duar.

Dhe të lozim e të qeshim,
Sikur të ishim dy fëmijë,
Yjet mysafir t' i presin,
Edhe hënën kur të vij.

Me shaka Ti të më thuash,
Si s' u bëre njëherë serioz,
Unë sërish të marr në duar,
Dhe të puth gushë e gjoks.

Dhe të puth e të përqafoj,
Të hedh lart dhe të pres,
Dhe pastaj e dashur moj,
E kam hak, le të vdes.

Happy Mother's Day to the Spanish mothers I dedicate.
MOTHER MY PRIMOROUS FLOWER (Jotabém con estambre)

Mother my beautiful flower,

You, my delicate rose!

Today I want to venerate you,

your hair kiss you,

of a thousand kisses surround you,

Well, you are my faithful bulwark!

I appreciate you more than gold,

Divine Mother, I adore you!

You worked silently,

I would like to always cheer you up!

Your sacrifices I value.

Your mother, I miss you!

You are my luminous angel

my peace, joy and joy.

Ultimate Dedipyamana ótimo no bimal visadavara no nitya navalavara.

O último estranho, o Senhor, que está em apoio a purushottam paru?avara...

Os. Do mundo.

Impossível deslumbrante anup sem adyasakti absoluta...

Se Shiva permaneceu sem poder, o corpo morto tornar-se-ia como um corpo morto.

Torna-se insondáveis, não pode ser tan progresso rava...

As regras continuam a olhar a cada momento, a graça da graça do coração.

Muitos e muitos retornos felizes do dia...

Apesar de ambos nunca serem separados, sempre o mesmo que o mesmo.

Shankar shakti n bijamantra é diferente, pensamentos fiscais, abandonar a aviveka...

Raio mente! Para onde você vai, seu ou em outro lugar.

Levar-se com mahadev charan, quando sem shiva, nem shiva Deus é grande...

Vibrações de beleza, primeiro verso.

POETRY

Poetry is lifeless without a hungry soul to express
Poetry has no meaning unless the heart resonates
Poetry is nothing if nature and men disagrees
Poetry is not poetry if you only copy your best.

A well known poet believes that there is no real poetry
If you only repeat what has been written already
Poetry must be unique, convincing in every way
Create your own verses, styles and accentual poetry.

Poesy. Musing. Whatever you call ME
Give life to me for human and nature spree.

Decisão irreversível do proprio corpo
Sumiu gradativo tal lua minguante
dando lugar ao tempo de outro ciclo.

Não pode reagir foi maremoto
que mesmo ao alerta meteorológico
nada contrária a furia da natureza.

Sobrou a resignação no semblante
na alma num fechamento de luz
na voz um silêncio mórbido.

Partiu, rumando incertezas
Como um rio desviando do curso.
Jamais poderá esconder, a cicatriz

Que rebelou-se a revelia.
Carregará consigo o peso
da invasão do vento desse dia.

A contract for hatred, so ironically penned
Contradiction moments, a world to defend

Freedom to pray, perhaps freedom to hate
Surely by now, we can all have the debate
Freedom of speech, don't censor my view
You're ok to think, no judgement on you

Rules by groups, as individuals now blend
Faceless we stagger, now close to the end My silence in wonder, did I get it all
wrong
Loving forgiveness, perhaps our new song

Temos orgulho de que somos seres humanos,
Mas somos inocentes para permanecer,
Não considere o homem como um homem,
Afinal de contas, como somos desonestos.

Viva em si mesmo só,
Nunca desista, o pobre vai ficar triste,
Coração não pode permanecer o seu vimal,
Nós não acreditamos, nós somos desonestos para nós mesmos.

Toda a vida é para fazer cheia de vida,

Letter to an unforgettable friend.

How much I miss those days we used to spend hours and hours talking, telling our anecdotes of life in which many times we laugh and in others we grieve, but you always giving me courage always aware of me, thanks to your dear friend, because you taught me to face life and you always advised me, not to live on those memories that hurt me so much, you with your experiences and anecdotes, helped me to move on, I loved everything about you my dear and great friend, you don't know how much I miss you, but I also know that you belong to another world and not mine, you taught me to love with the soul and with the heart, just as you do, when you write such beautiful poems that fall in love, you feel that love that you transmit or that nostalgia or joy, you are and you will be my greatest treasure and my greatest fortune that I have in life, you are a man who knows how to value a woman, and you have incalculable values, you are a beautiful being and an angel who God put in my life, thank you for existing my friend, it hurt a lot to have moved away from me, you do not know how much I suffer from your absence, and although I know that you belong to another life, that it was not mine and I know it will never be, but even so, our lives will always be linked by a beautiful feeling, which is called friendship and a pure and sincere love none compared to this love of friends, that no one could understand, just you and me, I always remember you my friend.

P.S. I hope that when you receive my letter, you feel the same as me when reading it.

O MY DREAM! !

I am hanging between
warm tears and gradient smile.
The lotus blooms in me
with your silky smooth touch
and my heart melts in your kindness
The secret hopes lurk in
the meters of your music
I feel fascinated

Oh dream,

My vision gets blurred
with a new emotion of desires
Is it infatuation or
a waking dream! ! !

I sway
with the rhythmic time
on the spurious stage of life
lost in the illusion of a painted dream.
The mind creates a world of clay
Imagination colors it with desires
A dolls' play of colorful attires
Dust playing with dust! ! ! ! !

rain roses and passion tulips,

if you look at me,

I get on the plane of emotion,

if you speak candy words to me;

As mystic pigeon I rise to the heavenly velvet sky.

It's your hands,

perfumes of roses for me,

are your kisses, butterflies restless to fly,

in your caresses I delight,

I open my flowers to open hearts for you,

I feel your tenderness in my pasture,

The cotton of your perfumed tenderness covers me completely!

And I let myself be loved, silent, quiet,

defeated in the throng of your caresses,

burned in the high tongues of fire of your love.

I love you with all my heart,

How beautiful it is to love and be loved in our room!

SOLA AND DESCALZA

Alone, scratching the door of bewilderment,

barefoot of your kisses and your tenderness,

the fruits of illusion fall,

the windows of reconciliation are closed

and the nostalgia moans with its voice of lonely lost stars.

The clothes of pain are girded on me,

tight, very tight;

so much that it hurts...

I am immobile stone in my room.

Rabid pursues me the doubt

and the dark square of grief,

Lost body, let all feeling of love to him disappear!

I want to return to me,

I do not like the drops of the eternal silence of his figure!

I will not wait forever for the invisible hand that comforts me.

I will be happy again

without him,

I swear!

AMO MI HOGAR

Amo mi hogar,
porque allí paso los días en feliz compañía de mis seres queridos,
porque allí sufro, me alegro, reniego, me sosiego,
por que allí aprendo a compartir y a perdonar.

Amo mi hogar porque allí escucho música, me relajo,
porque convivo con mis familiares y Pipo mi lindo gato.

Amo, mi dulce morada
porque allí comparto los alimentos con los míos,
conversamos en la mesa
y compartimos entre todas nuestras vivencias diarias.

¡Ah, no hay mejor medicina relajante que mi hogar!

No hay mejor paño de consuelo,
mi mejor estufa abrigadora de cariño.

Allí fui, niña adolescente y luego crecí
rodeada del afecto de mis padres.

Un día quisiera morir en los brazos de mi hogar
pues allí dejé todo lo mejor de mí,
allí fui yo, sin caretas ni doblez.

Allí paso de débil niña a una valiente heroína,
porque allí me siento segura y amada,
porque el hogar es donde está el corazón.

PEDRAS

Pelos caminhos que andei
muitas pedras eu juntei
tenho histórias pra contar
voce nem pode imaginar

Já tropecei em pedras grandes
com as pequenas me encantei
algumas me soterraram
mais eu me levantei

algumas me machucaram
algumas me fizeram chorar
de algumas eu desviei
muitas eu ignorei

As vezes minhas poesias
são pesadas como as pedras
mais foi com pedradas que eu cresci
foi com pedradas que eu aprendi.

Lábios que um dia fizeram
juras de amor, hoje me
fere com palavras amargas.
Entrou como fecha no meu
coração ferindo-me a alma.
Lágrimas disfarçadas em risos
gritos disfarçados em canções
um sonho transformado em pesadelo.
Nada mais restou!
Por muitas noites eu chorei
cai me levantei... neguei tristeza
fingi alegria.
Senti o mundo girar em minha volta
em sonhos saio de mim... sim era eu
apenas uma centelha que o vento
levou... apagou!
O fardo hoje é mais leve
mas ainda sinto o gosto do

MIS OJOS...

Mis ojos al mirarte pasar, me denuncian y mi pecho callar no aguanta más, te lo tengo que expresar, muy dentro de mi corazón estás tu vives en el vida mía.

Mis ojos no pueden ocultar que te aman que tu eres todo para mi, porque no he de llorar si te veo marchar si lo que fue mis noches y mis días se acaba de alejar.

Mis ojos me denuncian no puedo soportar y no voy a tomar porque no soy cobarde porque con las copas trato de olvidar esta pena que llevo dentro de mi.

Mis ojos al mirarte pasar me denuncian y este pobre pecho fallece un corazón de tanto amar en vano te oculte que te quería y que te quiero aún en vano he de negar que te sigó amando y haci te alejaras viendo mi dolor es mi triste destino.

Es mi triste agonía porque no he de llorar si tu eres mi vida tú serás ese último fracaso no podré querer a nadie más aunque no vuelvas a entregarme tú corazon, jamás sabrás cuanto te amé, olvidarte será imposible porque te quiero con mi alma.

Invítame a quedarme a tu lado,
soy valiente a proponértelo no te prometo la Luna, ni el sol ni las estrellas, ni un
universo sólo te ofrezco mi gran prueba de amor
y abrazarte fuertemente y no
soltarte jamás.

Invítame se esperar toda la vida,
sé que es difícil pero un día estarás, listo, y tus heridas sanaran
y se convertirán sólo en cicatrices
del pasado, y yo quiero estar ahí
para sanarlas y poder acariciarte
el alma.

Invítame quiero amarte hasta el cansancio, secare tus lágrimas,
no puedes seguir solitario, quiero
un día estrujarte en un abrazo
, llenarte de besos, quiero ser ese
remedio para tu alma abatida, el
tiempo se ha encargado qué vivas en esa triste soledad.

Invítame un día cualquiera a
entrar a tu vida y aprenderemos
los dos a sentir diferente, tú sabrás llegar despacio a mi vida y yo como llegar a
la tuya y los dos sabemos dónde encontrarnos,
éso será un pacto entre tu alma
y la mía.

Invítame no te ofrezco migajas de amor, ni sobras de cariño te ofrezco un
verdadero amor, ni tampoco letras vacías son palabras que se quedan resonando
en mi cabeza y tú detrás de ella vida mía.

Nježno da te privijem na grudi
Ne ne mogu ili ne umijem

I htjela bih da cutimo skupa
Dok mi nježno ljubiš bijelo lice
Da oborim pogled svojoj ceznji
Koja hara nocas nemilice

Ostala bih u narucju tvome
Da me gledaš dok cutimo samo
Jel to ljubav ili jedno htijenje
Što u pjesmi osta zapisano

Ela na primeira classe
ele no porão.
A moça era perfeita
e ele era bonitão.

O navio era gigante
cheio de requinte
muita gente elegante
ricos arrogantes

Nas águas geladas do oceano
nasceu um grande amor
o destino mudou seu plano
a cena foi um horror

O vento estava forte
aconteceu o imprevisto
no ar um cheiro de morte
o perigo era real

No meio de tanta desgraça
o navio começou a afundar
a orquestra afinada toca
mais perto eu quero estar

O navio que nem Deus
poderia afundar... o homem
não tem limite e assim
termina a história que começou no Titanic.

Yo levanto esta copa de vino
Por tu salud y el amor divino
Que llevo como una maravilla
Con sabor a besos de vainilla...
Hola, mi rayito del verano,
Hoy me despierto temprano
Para decirte que aún te amo,
Que recuerdo todas cosas
Cuando atrapé las mariposas
En mi barriga tan hermosas
Poniéndome muy nerviosa.
Te esperé como un milagro
Y sí, todavía te espero tanto...

Meus pensamentos voam nas
asas gigantescas da ilusão para
desvendar os mistérios do amor.
Minha alma vacila
meus pés pisam lentamente pois
conheci a descrença
conheci a dor.
De soluço em soluço tudo em
mim palpita... meu coração com
temor se agita e é nos meus sonhos que me encontro serena.

Singer the poets

And poets sing to their muses

In inspired pens, very deluded.

They give joy in each verse,

offering his consolation to the universe,

in harmony and in such a diverse tone;

exposing fine and smooth baggage.

They are incandescent light that illuminates,

They are a voice of freedom and divine peace!

His beautiful creations are diffuse,

fight the harmful, cruel and adverse,

Resuscitate dreams in your corner!

The song of the poet does not end;

It rises very stubborn up the slope

it is of brilliant gems its great feat

Tú escultura...

Soy esa escultura la que cada noche desliza con tús manos los contornos de mi cuerpo dibujando con tús dedos y me haces sentir con ansiedad, vivo cada momento me haces a tú semejanza me das forma me das vida, con caricia dejándome extasiada en el tiempo.

Yo soy tú obra motivó de tú Inspiración soy el verso que escribes, un poema al azár y en mi piel conoces deseos dejando en mi cada caricias, besos olvidando el tiempo en tus manos viviendo cada amanecer.

Yo soy esa escultura echa por ti, escultor que me moldeas me hace sentir llena de fantasias escucho tú respiración abrazado a mi cuerpo veo tú sonrisa que llega suave y en un beso muy tierno, tiemblo de dicha y de alegría de tenerte frente a mi enredado en mi regazo.

Yo soy la escultura el tiempo pasa y no se oye su risa vienen y van palpitando los ruidos, sigue callado detrás de la sombras he de esperar el afán de mi esencia soy su obra maestra.

De pronto esperando en una vitrina me rodea un cristal y con pasos firmé se aleja, saturada de tormento que fue moldeando en mi mentiras y se desploman torrencial sobre mis sueños con la enclemencia que gravan los surcos.

Yo soy la escultura en esfuerzos de intento frustrados en el rostro y siento el momento sola y desorientada sin ser nada más que una bella estatúa echada al tiempo por mi escultor.

¡Pues tú eres mi fiel baluarte!

Yo te aprecio más que el oro,

¡Madre divina te adoro!

Trabajaste silenciosa,

Tus sacrificios valoro.

¡A ti madre, yo te añoro!

How ephemeral to live!

Efímero live,
like that of birds or butterflies
that one day he perches on the tree and the rose
and after a while its trace on the orb disappears.

How ephemeral to live

in this land of sand,
where each step is lead,
Each work is like the smoke that is passed.
Just as joy comes
It passes as a light cloud and then we visit the crying.

Our days are like a leaf that rolls and rolls
by the wind of the world,
with luck or without it.
Then yellow
But how ephemeral to live!

que me dicta palabras de ánimo cuando todo parece oscuro,
que me canta despacito cuando mi alegría se me nubla,
y que me alerta frente al enemigo o los peligros.

Mi pájaro azul es pequeño pero valiente como fiero león,
me acompaña en el camino de la vida,
no deja que me ahogue en un vaso de agua.

¡Ay mi pájaro azul

Es tierno y me comprende!

Sabe de mis estados de ánimo cambiantes.,

de mis anhelos y frustraciones

y enjuga mis lágrimas saladas que caen

por las decepciones amorosas.

Es el pájaro azul de mi conciencia,

o quizás un ángel emplumado

que me conforta.

No sé exactamente su naturaleza,

pero lo cierto es que me simplifica la vida.

Sus palabras escondidas

me ayudan a subir la cuesta empinada.

En sus cantos hallo la paz de mi alma

y paso los días contenta y relajada.

Es un tesoro tener un pájaro azul dentro del alma

y que nadie lo pueda ver sino solo tú.

Pequenos meninos por aqui, vagando por aí,
Alguns usando roupas,
Alguns adhanam?ge,
Alguns basanahina,
Cabelo espalhado,
Cheio de poeira,
Procurando algo para comer,
Para apagar a fome,
Atire o caminho para a costa,
Encontrando nos restos de comida;
Veja a multidão em uma porta,
Há algo a fazer,
Provavelmente o propósito de aplicativos de ácaro,
Noite de manhã cedo,
Continue assistindo os olhos por último,
Enquanto estiver de pé no dossel,
Talvez algum trabalho seja encontrado,
As pessoas também teriam tomado ajuda,
Mas nada além de dar;
A noite aconteceu,
O evento foi aram?bha,
O tempo de longos discursos já foi,
Kurta usando pijamas,
Aqueles que vieram com dhoti kurta,
A refeição terminou;
Crianças assistindo de pé,
Pode obter alguma coisa,
O seja! Aí vem,
As rodadas de folhas de juthe vieram,
O ?oka?i saiu,
Jogado fora,
As crianças correram para baixo,
O rebanho de bam?dara também jhapa?e,
Eles fugiram com um prato.

O que fazer agora pobre?
O morto da sorte,
Perca com os seus esforços, também,
Oh meu Deus!

UMA ESTRELA FULGURA

No deserto da minha vida
uma estrela fulgura... vendo-me
tão triste sorri e murmura:
Não chore faça uma oração.
E entre soluços eu oro
entre suspiros eu canto
limpei meu pranto!
A magoa ainda está no
peito e embalo minha dor
nos braços da saudade...

VOOS SOLITÁRIOS

Aqui minhas lembranças
são secretas... meus
pensamentos fazem voos
solitários e em meus sonhos
te sondo.
O silêncio cai sobre mim e
essa dor

essa lagrima
essa ferida
essa saudade que revira
meu coração?
Quantas vezes em silêncio
te chamei ´ para não ouvir o
eco d minha solidão... são
noites solitárias e tristes.
Noites de infinitas saudades.

Si hasta el infierno parece cielo contigo

Si hasta el infierno parece cielo si estás tú,
si hasta el sol parece que no quemara en su melenas largas;
si hasta la lluvia parece que no mojara a tu lado, vida mía.

He sentido los mejores universos a tu lado,
querubines de tus beso han volado,
me has recreados como mujer nueva en tus jardines iluminados,
¡Cuántas veces he deseado morir en ti
o morar perpetuamente en tus almenas!

Sí, al averno me sumerjo para llegar a ti,
cruzo lunas y océanos inmensos
solo para verte, mi celeste criatura.

Tú eres cielo,
el mas ancho cielo,
de desprendimiento y entrega para mí.

¿Qué nos pasó amor?

¡Qué nos pasó cariño!

¡Qué nos pasó!

si nuestro tren del amor iba muy bien,

¿Por qué de pronto

la flor del idilio se secó?

No sé si fui yo o fuiste tú,

pero roto el corazón tu decisión me dejó.

Tu decidiste alejarte,

levantaste la mano

y dijiste: ¡basta ya!

y yo como magnolia acongojada, lágrimas por mi ventana calada dejé caer.

Pero yo no me ahogaré en este vaso,

¡Quizás sea lo mejor

amor!

Cuando el amor ya no florece,

cuando sus ramas ennegrecen

es mejor decir adiós.

LOS AMIGOS

Los amigos, tesoro inestimable,

en río de ternura inagotable.

Mano que te sostiene en la caída,

en el golpe de pena tan sentida;

sol brillante que alumbra nuestra vida,

hoguera abrigadora tan querida.

¡Ah, los amigos buenos, son tesoro!

¡Su grata compañía siempre añoro!

Su jardín tiene flor tan agradable,

cuyo olor apreciable no se olvida;

a todos mis amigos los adoro.

de mi infancia de sol

paso la vida, en el vaivén de la alegría y la ilusión.

Entre coloridas hojas

y vientos de ternura,

toco el cielo de mi niñez

y bajo a la tierra de mi adultez.

No quisiera que sus flores en mi jardín se acaben,

que guarde siempre una primavera infancia en mi corazón.

Hace falta ser noble e inocente,

que pierde la belleza interior.

CUATRO LETRAS

Cuatro letras conteniendo

a un gran hombre,

cuatro letras que encienden mi corazón:

son la letras de tu nombre papá.

Herrero de valores,

apóstol del bien, sabio consejero;

noble señor.

Me llevaste de la mano

por el duro sendero de la vida,

me enseñaste a soportar golpes y caídas.

Fuiste mi modelo,

mi campeón.

¡Oh padre amado! , en tu nombre se encierra

todo el amor y la ternura que desplegaste por mis hermanos y por mí.

Fuiste y siempre serás nuestro ejemplo

nuestro faro en el hogar.

Gracias por deshojarte de amor

por nosotros,

gracias por los cuidados y la educación que nos diste,

gracias por ser un verdadero papá.

Hoy beso emocionada estas cuatro letras

que sindician al hombre que tanto amor vertió por mí.

Yo te respeto y adoro, ¡Gracias papá!

No puedo vivir sin ti,

mi gorrión, mi tierno colibrí.

¡Todo es lluvia sin ti!

No puedo arrancarte, de las hojas de mi piel.

estas tan prendido en mí,

como musgo, como hiedra o coral carmesí.

Eres el sol radiante para mí.

No puedo prescindir

del volcán de tus besos,

necesito del manantial de tus caricias,

para sobrevivir.

Mi amor ajeno yo te amo,

eres ajeno, porque ya no eres mío.

¡Ahora estás tan lejano!

Amor, yo sé que tu me amas también,

que el sol de mis rosas, te hace vibrar.

Yo sé que aún no me olvidas,
pues ayer te vi rondando mi casa, otra vez.
Vuelve mi amor gaseoso, tan lejano ahora.
Cercano serás mañana,
porque estoy segura,
que tarde o temprano,
volverás a mí.

Sabes que no puedo,
Que nunca pude estar sin ti.

Quiero ser en tu vida..

En mis letras, trato de buscarte, siempre deseando tenerte en cada espacio de mi mente, busco en ti al hombre capaz de encender mi cuerpo, mi alma y todo mi ser, y con quién pudiera ser una auténtica mujer sin miedo amar y ser amada.

Quiero oír tus palabras que se ajuntaran en un largo poema, recitar los versos de tu alma rota, en una tarde de verano cualquiera, bailaría contigo la canción de la nostalgia.

Mis letras llenas de mis inquietudes, eres cómo la luna que secede al sol, la brisa de los tiempos que golpea mi rostro, eres ese dulce eterno amanecer, una frase de amor grabada a fuego en mi alma.

Seré en tus ojos, una mirada serena más allá del horizonte, seré en tu vida esa sonrisa reflejada en tu rostro, deseo ser tu compañía, y en cada momento percibas mi presencia en ti.

Buscaré tus manos, las que me acaricien mi cuerpo y en cada tacto de ellas sentir la tibieza el deseo de tus caricias que me hagan sentir mujer.

Buscaré momentos, esperando grandes acontecimientos en este encuentro, y en esa búsqueda, trató de encontrar una bella risa en tus labios, llena de complicidad acompañada de alegría entre los dos.

Quiero buscar tu cuerpo, llenarlo de caricias tiernas, llenarte de halagos, palabras hermosas desear locamente tus labios y entregarte mi más dulces besos.

Sueño con robarte esos besos, le robaría minuto a la vida y que nuestra historia no sea un mar de desengaños, de triste caricias y de vacíos sentimientos, y en eso llegaste tú hombre de aguas triste a bordo del velero de la esperanza.

Quiero buscar en ti una mirada encontrar al hombre que me ame, que llene de detalle mi vida, de ratos agradable que vivamos nuestras propias fantasías, la persona que se identifica conmigo.

Quiero al hombre que cuando siento miedos y tristeza, me arrope en su pecho y sólo con una mirada me diga, tranquila amor no temas, estoy contigo y con mi presencia todo está bien, estoy aquí para ti.

Quiero ser la mujer de tú vida esperar tiempo a tú lado, y dentro de mi cuerpo tengo guardado un corazón con sentimientos llenos de poesias de pronto despertar en tús brazos una mañana podrás leer en mis ojos abiertos y en mi mirada serena, allí escondo un amor infinito escrito en poemas.

No puedo vivir sin ti,

mi gorrión, mi tierno colibrí.

¡Todo es lluvia sin ti!

No puedo arrancarte, de las hojas de mi piel.

estas tan prendido en mí,

como musgo, como hiedra o coral carmesí.

Eres el sol radiante para mí.

No puedo prescindir

del volcán de tus besos,

necesito del manantial de tus caricias,

para sobrevivir.

Mi amor ajeno yo te amo,

eres ajeno, porque ya no eres mío.

¡Ahora estás tan lejano!

Amor, yo sé que tu me amas también,

que el sol de mis rosas, te hace vibrar.

Yo sé que aún no me olvidas,

pues ayer te vi rondando mi casa, otra vez.

Vuelve mi amor gaseoso, tan lejano ahora.

Cercano serás mañana,

porque estoy segura,

que tarde o temprano,

volverás a mí.

Sabes que no puedo,

Que nunca pude estar sin ti.

ME DICEN QUE SOY FEO

Me dicen que soy feo,

pero no me lo creo:

mi cara es una caja,

mi nariz una torre alta,

mis dientes rieles, descarriadas,

pero tengo un corazón noble,

una fortaleza de roble,

y mis chaquetas están llenas de ternura.

Feo

me dicen en la calle,

pero la mejor moza del barrio,

va cogida de mi brazo,

¡Mira hermano, soy feo pero a las bellas encanto!

Feo

me dicen,

pero yo no me lo creo;

mis amigos me buscan,

soy el alma de la fiesta,

¡Cautivo con mi sentido del humor!

Soy feo por mi cara,

pero bello por mi alma.

Envidia mi suerte blanca

guapo varón sin gracia.

TÚ Y YO

Tú y yo llevamos cicatrices en nuestros cuerpo nuestras almas heridas, pero llena de pasión de de deseos incontrolables llevamos marcado el dolor en la piel y en lo más profundo del corazón.

Tú y yo tenemos secretos escondidos en la vida invaluable que mantienen nuestra existencia en suspiró y anhelos vivos teniendo ese fuego candente en nuestro cuerpos dónde la soledad tristezas y melancolía son un reflejó de alegría.

Tú y yo nos ocultamos bajo un mismo destello de esperanza dónde somos almas que suspiran somos amor ardiendo entre llamas de ilusión buscamos lo profundo esa alegría que nos mantengan vivo.

Tú y yo somos una melodía echa canción un verso escrito, un lienzo en blanco para llenarlo de letras de momentos vividos escribir en el una bella historia de amor.

Tú y yo con ganas de vivir olvidar el pasado y olvidarno que un dia nuestras pieles fuerón tatúadas y las llenarón de cicatrices y hoy renaceran tú alma y la mia.

COSMOS

We all arrived to this world bare and lonely,
Just to live for some time, and then to leave only,

This is our cosmos to express eternal, divine love,
Made this planet, a resting home, endless above.
I am evergreen, bold, bountiful, embraced to my body,
Hold my hands, entangled for a treat forever ready,
And walk along the life cross roads by my right side,
Let us grow ageless and timeless, with prestige, pride
The truth is that, our body and mind cannot split,
To feel the perishable body alone to go for a treat,
You owe everything to yourself to understand reality,
United forever in life, both men and women in fertility.

Se há uma coisa na vida
que eu sempre valorizo ??demais
com toda certeza e sinceridade
é ser feliz e feliz mesmo.

Para a felicidade ficar na minha vida
Eu preciso ser muito sincero

LE TË VDES

Pres të grindem me Ty prap,
Të më thuash, jo, nuk dua,
Dhe pastaj të ikësh me vrap,
Të të kap, të të marr në duar.

Dhe të lozim e të qeshim,
Sikur të ishim dy fëmijë,
Yjet mysafir t' i presin,
Edhe hënën kur të vij.

Me shaka Ti të më thuash,
Si s' u bëre njëherë serioz,
Unë sërish të marr në duar,
Dhe të puth gushë e gjoks.

Dhe të puth e të përqafoj,
Të hedh lart dhe të pres,
Dhe pastaj e dashur moj,
E kam hak, le të vdes.

Delo Isufi

Let's LOVE

I expect to fight with you again,
To tell me, no, I do not want,
And then run away,
To pick you up, to pick you up.

And to play and laugh,
If we were two children,
Guest stars are awaiting you,
Even the moon when I come.

With jokes You tell me,
How did you become serious once,
I again pick up my hands,
And kiss the gills of the chest.

And kissing and hugging,
To throw up and wait,
And then my dear,
I'm avenged, let me die.

(MY GARDENR)

O' Gardener, my gardener,
Distanced me from,
gravel sharp and prickly plant,
Saved me from environment harsh.
O' gardener, my gardener,

You hold me in soft palm,
Caress me day long,
Shower on immense
love and warmth.
Quench thirst mine he,
with cool nectar sprinkle.
O' gardener, my gardener,
Love emotions flow from
my deep heart,
Now we as king and queen
of each others heart,
Never to part.
O' gardener my gardener,
covered me with velvet blue,
To keep me away from
Evil eyes dark.
Made me glitter as
morning dew drop twinkle.
O' gardener my dearest gardener
Now I bloom and dance as fairy
in your real life story.

I beat the drum with soft palm,
till I hear cuckoo's lovely spring song.
But to sing happy song,
go to garden mine,
When touch fragrant
blooming sweet flowers
I dance and blow
flute blue, pour out,
lovely emotions true.
To sail the life cycle,
I, swim and sing the
woven melody with
full faith in Almighty.

Ver mais

São gotas de orvalho ou lágrimas do céu?
Diz-me em breve, ó minha querida!

Que pérola adorável na terra,
Muito incrível, muito claro.

Fantástico brilhando no verde da terra,
Parece um lindo diamante espalhado por todo o lado.

Pássaros parecendo um grão disperso,
Chegou a terra, olhando para cá.

O sol sentiu-se tímido ao olhar lágrimas de lua,
Enviado o ray messenger para transportar em forma de vapor.

Is it dew drops or sky tears?
Tell me soon, o my dear!

What a lovely pearl on earth,
Very amazing, crystal clear.

Fantastic shining on earth green,
Seems like a lovely diamond scattered every where.

Birds looking like a scattered grain,
Arrived earth, looking hither thither.

Sun felt shy to look moon tears,
Sent ray messenger to carry in form of vapour.

La vida es mortal, nadie inmortal,

excelente poema

a la humildad Mayor premio en la vida humildad,
Muy valioso, por siempre invaluable.

Los árboles de frutas siempre se inclinan,
Nunca jamás el ego mostrado.

Muy bonito dulce naturaleza de una persona humilde,
Teniendo la naturaleza neutral para cada desvío.

No hay diferencia en la vida para amigos y enemigos,
Todos iguales, el sabor de la amargura renuncia.

Una persona humilde nunca es cobarde,
Esto es en la vida mejor premio.

Los premios humildad harán poder,
Mejora de todas y cada hora.

Greatest award in life humbleness,
Very much valuable, for ever priceless.
Fruit bearing trees always bow down,
Never ever ego shown.

Very nice sweet nature of a humble person,
Having neutral nature for each diversion.
No difference in life for friends and foes,
All alike, taste of bitterness forgo.
A humble person is never coward,
This is in life best award,
Humbleness awards will power,

Enhancement of each and every hour.

THE HAND OF TIME

Wives cry "you have no time for me".
Moms say "you have no time for our family".
Kids shout out, "you have no time for us".
Self-retorts, "I have no time for me".

Still ~

Perceive, we have all the time in the universe. Complacent we have time to converse,

Truly we have the time to write long verses
Sadly our moments on earth are just short verses.

Time is what we are running after.
But Time never runs out of Time.
We only waste it most of the time?
Thinking we can really buy more time.

And time will never return!
With our joys and laughter, but do they matter?
With success and wealth do you still bother?
Unmindful that time is short, until it's over.

The love table is served,
there are fragrant roses of forgiveness,
eager cutlery with knives of joy;
warm hands that will serve the delicious delicacy of cordiality.

Everything is prepared
for the missed meeting,
old friends come home
with whom there was communion,
and others with whom perhaps there was some displeasure.

But tonight,
in this dinner of white tablecloths
Distances and dislikes will be erased
and we will be a single morsel of fraternity.

They will laugh at their banks,
the word "I'm sorry" will have a preferential place,

Warm hugs will fly
tears of joy will sprout
to feel happy the heart.

What sweet tastes
the reconciliation!

What peace transmits in his alevilla

what sweetness in his white wings!

It's good to say sorry at a table of sincerity,

How beautiful it is to see two friends far away

turn to look straight without rancor!

How profitable to recognize mistakes and

walk calmly

on white tables of peace.

LAS MUJERES TENEMOS MIL CARAS

¡Atento!

Las mujeres tenemos mil caras, mil ángulos, mil vértices.

A veces somos simples, románticas, soñadoras

y otras veces somos sofisticadas, apasionadas, complicadas, realistas.

Unas veces queremos que nos hablen

otras veces que nos regalen silencio.

A veces reímos, y otras, lloramos como niños.
Somos maternas, niñas, amigas, amantes, compañeras.
Somos aves quietas o palomas viajeras.
Unas hablamos mucho
y otras nos quedamos mudas.

El que sepa descubrir nuestras mil caras
sabe llegar al alma de una mujer, dama,
y se evita mil enredos.

Sea como sea,
el secreto para entendernos
es darnos un poco de paciencia y amplios panales de ternura.

Letter to an unforgettable friend.

How much I miss those days we used to spend hours and hours talking, telling our anecdotes of life in which many times we laugh and in others we grieve, but you always giving me courage always aware of me, thanks to your dear friend, because you taught me to face life and you always advised me, not to live on those memories that hurt me so much, you with your experiences and anecdotes, helped me to move on, I loved everything about you my dear and great friend, you don't know how much I miss you, but I also know that you belong to another world and not mine, you taught me to love with the soul and with the heart, just as you do, when you write such beautiful poems that fall in love, you feel that love that you transmit or that nostalgia or joy, you are and you will be my greatest treasure and my greatest fortune that I have in life, you are a man who knows how to value a woman, and you have incalculable values, you are a beautiful being and an angel who God put in my life, thank you for existing my friend, it hurt a lot to have moved away from me, you do not know how much I suffer from your absence, and although I know that you belong to another life, that it was not mine and I know it will never be, but even so, our lives will always be linked by a beautiful feeling, which is called friendship and a pure and sincere love none compared to this love of friends, that no one could understand, just you and me, I always remember you my friend.

I have no intention to write any letter,
But what can I do, if telling my tears,

Tongue mine silent, but mental waves vibrant,
Mind too uncontrolled heart very innocent.

Your silence and lovely looks make me mad,
I become restless, when your affectionate eyes gaze

Care protection, love, need of a human,
Sympathy, kindness, service, essential need of a man.

I am waiting for you now,
When you come,
Regularly looking at the path,
O my sweetheart.

Eu não tenho intenção de escrever nenhuma carta,
Mas o que posso fazer, se contar as minhas lágrimas,

Mina de língua silenciosa, mas ondas mentais vibrantes,
Mente muito descontrolada coração muito inocente.

O teu silêncio e olhares adoráveis me deixam louco,
Eu me torno inquieto, quando seus olhos carinhosos olham

Cuidado proteção, amor, necessidade de um humano,
Simpatia, gentileza, serviço, necessidade essencial de um homem.

Estou esperando por você agora,
Quando você vier,
Olhando regularmente para o caminho,
Ó meu amor.

Soledad susurrando,
Por qué no vas a venir,
Esperando por ti día a la noche,
Mis lágrimas también llamando.
Cómo puede que te encuentre,
Ninguna parte que hayas visto
Me ahogo en la locura,
Quieres disfrutar de una escena de reunión.
Oh, mi querido! No te demores,
Yo estoy buscando tu camino,
Aunque usted de la naturaleza tímida,
Pero quiero mi exhibición de amor.
###

Loneliness whispering,
Why you don't coming,
Waiting for you day to night,
My tears too calling.
How I may find you,
Nowhere you seen,
I drowned in madness,
Want to enjoy a meeting scene.
O my dear! Don't delay,
I looking for your way,
Although you of shy nature,
But I want to my love display.

Na mente, há barulho na mente,
O discurso fala as palavras,
Às vezes alguma coisa teria sido assim,
O silêncio também diz tudo.

Há um duniya diferente de silêncio,
Onde só as lágrimas vivem juntas;
O coração está sempre escondido,
Todos dizem que se tornam lágrimas silenciosas.

Quando houve um encontro de lágrimas,
Então não há mais nenhuma criança,
Até o corpo teria ficado assistindo,
Quando as palavras se encontram.

THE TABLE OF LOVE

The love table is served,

there are fragrant roses of forgiveness,

eager cutlery with knives of joy;

warm hands that will serve the delicious delicacy of cordiality.

Everything is prepared

for the missed meeting,

old friends come home

with whom there was communion,

and others with whom perhaps there was some displeasure.

But tonight,

in this dinner of white tablecloths

Distances and dislikes will be erased

and we will be a single morsel of fraternity.

They will laugh at their banks,

the word "I'm sorry" will have a preferential place,

Warm hugs will fly

tears of joy will sprout

to feel happy the heart.

What sweet tastes

the reconciliation!

What peace transmits in his alevilla

what sweetness in his white wings!

It's good to say sorry at a table of sincerity,

How beautiful it is to see two friends far away

turn to look straight without rancor!

How profitable to recognize mistakes and

walk calmly

on white tables of peace.

I Think I Love You
By Michael Lee Johnson

Lost love letters
lost to the rolling blue sea
of early morning seashells
of late evening driftwood
whenever waves roll high upon sand dunes
or bring forth new sand at low tides recession,

whenever the sea rolls...
I think I love you.

Your memories echo in the seashells-
your love splashes back at me
on the rolling whitecaps
all day long
while at sea
and disappear each night
as the white foam washes
back out to sea.

Or just at home, on a shelf,
one seashell echoes-
I love you
a thousand echoes roll
I love you.

I'm a long way from the sea now,

will you listen for me—
while they wash in
and wash back out again?

The seashells roll.

PAIXÃO AVASSALADORA

Tuas mãos dedilham meu corpo
como se estivesse escrevendo
um poema de amor.
Teus olhos desnudam meus pensamentos
libertam emoções escondidas.
Paixão avassaladora
fez do meu deserto um oásis
fez chover no meu sertão
com letras garrafais
tatuou meu coração.

Un poema de amistad dedicado a ustedes amigos poetas
Encontré tu amistad (cuartetos)
¡Ay, dos almas se encontraron!
¡No quieren ya separarse!
Amistad se regalaron,
para nunca ya olvidarse.

Yo encontré, linda amistad,
Una mano muy confiable,
Me regaló su bondad,
y cariño incalculable.

Amistad bello tesoro,
debemos atesorarlo.
Siempre vale más que el oro,
bien procuremos cuidarlo.

Ni tiempos, ni las distancias,
rompen los lazos dorados.
Amigo: calmas mis ansias,
en caminos encontrados.

Te cuento mis problemas,
sabes de mis alegrías,
hablamos de muchos temas,
y mi yo, ¡cómo leías!

Cuando yo estoy deprimida,
me brindas tu mano amable,
mis tristezas van de salida,
¡Eres mi luz admirable!

Eres un bien, muy preciado,
alegras mi corazón.
Eres mi amigo adorado,
eres mi vida y razón.

SOY ESA MUJER

Soy esa mujer, la diosa,
la musa de tu inspiración,
la que hace que tu alma
se convierta en un universo...

Soy ese demonio convertido en hembra,
que cambia tus noches de pasión en fuego lento,
la que te ama en medio de la noche,
soy tus deseos perversos,
la que te hace vivir la realidad...

Soy esa mujer que hace que tus venas
en tu cuerpo estallen de placer.
Soy tu juguete perfecto,
la fantasía
y el deseo...
¡Soy real!

Ese calor en mi cuerpo,
la aroma de mi piel,
la humedad de mis labios cuando me besas
me haces sentir esa sensación de felicidad...
donde los te amos se escuchan en susurros
y entre caricias,
palpitando suspiros,
que hasta el aliento perdemos...

Soy esa mujer,
la diosa,
la musa de tu inspiración,
soy tu medida perfecta,

soy tu dimensión correcta
que se ajusta a tus letras y tu imaginación.
somos almas gemelas.

Seré tu amor eterno...
seré tu mujer convertida en poesía.

Todo mundo tem um defeito
ninguém é perfeito
o pior de todos os defeitos
com certeza é o preconceito

Preconceito é um doença
e pode ser fatal
olhe seu irmão com carinho
se liberte desse mal

A sepultura é escura e fria
pra todos é igual
meu irmão abra teus olhos
lá ninguém é o tal

Todos temos qualidades
então toma vergonha na cara
respeito é bom e eu gosto
o amor não se compara

No céu seremos julgados
cada um pelos seus atos
lá todos seremos iguais
pois o meu Deus é um Deus de paz.

our love blooms

In our hands, love blooms,

In gardens full of love.

It overflows in our rivers

like a jet...

My skin, smell your skin

your instincts eagerly connect with mine.

Our caresses and kisses

as diluted honey

they fall for free

in our whole body

We begin the frantic game of passions!

Let's finish with our kisses

love spilled in our bodies

Sublimated caresses lose us in their delusions.

I'm yours

you're mine

Let's travel in the cyclic turn of love

A heart that beats at the same rate!

La imaginación mía no tiene límites y sólo me queda callarme y escucharte y disipar tus

dudas ¿Pregunta si te quiero? cuenta las estrellas y sabrás la inmensidad de mi cariño en cada una están todo mi sentir...

Dudas de mi querer de mi amor por ti, para amarte no tengo límites de que es una locura

porque te buscaba, en cada instante me miraba en ti en lo lejano y tan cerca de mí que podía abrazarte a pesar de la distancia...

Sin pensarlo no te buscaba, con tanto anhelo que un día expresé quizá sin esperanza de buscarte pero ahí estabas tú

sin limite brillante como el sol una gran sonrisa sólo para mi...

Mi imaginación no tiene limites eres mio
cuando te amo, te deseo en mis noches, soy
tuya cuando me piensas cuando me abrazas en mis noches de soledad, sin
pensarlo en mis noches teniendote en mis brazos
acariciando tu cuerpo...

¿Preguntas si te quiero? soy tuya no tengo límites cuando siento ese fuego que
enciende la pasión de todo mi cuerpo cuando te abrazo,
cuando siento que me robas mis sentidos, sin
pensarlo te he tenido en mis brazos acariciando tu cuerpo...

No tengo límites para imaginarte te desnudo en mi cama sin tan siquiera tocarte
y te llevo a soñar con mi válvula entrando en
mis extraña rozando mis labios tomando la miel más secreta de mi...

Dudas de mi amor de mis sentimientos
no entiendes que eres mio y soy tuya que robaste mi tranquilidad me robaste el
alma
con tus encantos varoniles no tengo límites totalmente mío cuando siento ese
fuego a mi
cuerpo la imaginación me lleva lejos a tu lado
te amo a pesar de la distancia...

IF YOU KISS ME

If your skin kisses me,

I rise to the " power of love,

if you touch me,

rain roses and passion tulips,

if you look at me,

I get on the plane of emotion,

if you speak candy words to me;

As mystic pigeon I rise to the heavenly velvet sky.

It's your hands,

perfumes of roses for me,

are your kisses, butterflies restless to fly,

in your caresses I delight,

I open my flowers to open hearts for you,

I feel your tenderness in my pasture,

The cotton of your perfumed tenderness covers me completely!

And I let myself be loved, silent, quiet,

defeated in the throng of your caresses,

burned in the high tongues of fire of your love.

I love you with all my heart,

How beautiful it is to love and be loved in our room!

MI NIÑO TRISTE

Mi niño

tiene un cuarto grande, muchos juguetes,

ropa de marca y alimento en demasía,

pero su carita está triste

¿Qué tiene mi niño?

Su madre trabaja y lo deja con la empleada,

papá siempre está en la oficina muy atareado.

Dos o tres palabras cruzan en la mañana,

¡Es más importante las citas del trabajo,

el celular que suena a cada rato!

Mi niño no se llena con juguetes,

ni que le compren cosas a cada rato;

lo que mi niño quiere es un poco de tiempo,

manos de cariño, abrazos de ternura,

padres que sacrifiquen sus egos y sus negocios,

tan solo por un rato.

Que le pregunten: ¿cómo estás, cómo se sientes, que te molesta o qué te

alegra?

Mi niño cae en depresión

y nadie se da cuenta,

no por ser pequeño los problemas no le afectan,

tiene también sus crisis y problemas en el colegio,

a veces hay niños que lo molestan,

a veces siente que nadie lo quiere o acepta.

Pero él se siente solo en medio de comodidades y un buen colegio.

Él solo pide un poco de afecto.

Mi niño ya creció,

ya es todo un adulto,

pero un adulto huraño y desconfiado;

un adulto que no ama las plantas, ni los animales, ni a sus semejantes.

Pero él no tiene la culpa;

ocupados en sus cosas,

sus padres no le enseñaron eso.

Truth Is Always Bitter,

Truth is always bitter,
Sweet not ever better.
Opposition provide opportunity,
To improve your work sweeter.
Who may tell you true only,
Must be always a friend;
Don't understand anyone a foe
Don't act strained stand.
We have come in world,
With sweet devotion word,
But always be away with ego,
I feel myself, very short in world.
Neither I want prestige, nor award,
Who may give u, I am That reward,
But when I see myself, feel beggar,
I always seeking pity for love from Lovers.

Very Cold Day Of Winter,

Very cold day of winter,
Dense blackish cloudy sky,
Complete foggy,
Totally calm,
All path solace,
Nobody in Street,
All misted way,
Forced to drive vehicle,
Searching in car light,
Carried about forty kilometer,
In six hours,
Shivering in cool wave
Body shrinkled,
Eyes tries to close
Its lids,
Oh!

Very Fabulous Looking Princess,

Very fabulous looking princess,
Like statue of beauty and dearness

.
Ornamented whole body fully,
Lean and thin body so smoothly.

Red point on front, hanging black hairs,
As to ashame black cobra not in mood fair.

Eyelids painted with black paint,
All so attractive, all body to enchant.

Wrapping her whole body a saree of silk,
Body colour too like colour milk.

On garment looking painting of a dear,
As view got ran each and every deer dear.

All gathered around as if got their friend,
But it was imaginary, not finding in hand.

Deer now enjoying with lovely queen dear,
I telling you that story, o my dear!

Very Much Delightful Shining Sun,

Very much delightful shining sun,
After initiation of run,
To bless the Earth,
Not for one but for all.

What a lovely smooth speed
Neither very slow nor too fast,
Always in spontaneous waves like,
Not for one but for all.

What a lovely view of sun rising,
Has a tired face in the evening.
But in afternoon full of vigour,
As a lovely show of life tides happening.

Wants To Tell Something

Your Lovely smile, calling eyes
, . tell everything hidden,
Wants to tell something,
unable to speak all heartened.
Serious nature, creative, pensive,
passion, all over here there,
what to utter, what you conceal,
no one knows than u better.

We Always In Almighty's Arms,

We always in Almighty's arms,
Really see internally with a good glance.
Never here for worldly stage,
Immersed wholly in Divine chance.

Living on earth, thought wandering in sky,
Foreseeing only a very emotional high,
Body forced to down, mind never below,
As mental wave more than wi-fi.

O my God! You too are never away,
Please provide me only good way,
More than you are nobody guys,
I surrender you, only I pray.

Dr. Navin Kumar Upadhyay

We Always Unknown, What To Get,

We always unknown, what to get,
Life long may be such, what not to forget,
Wishing only good looking affair,
Is what may be permanent for ever?

Our needs ends never,
Facing struggle everywhere,
Some may be helpful, more cheater,
How you may be satisfied, oh my dear.

Love, love, love, love all
Leave your central axis core,
Your new wishes always more,
Surrender God, he is only lovely love of sea shore.

Dr. Navin Kumar Upadhyay

We Always Want A Happy Life

We always want a happy life
Want to enjoy with lovely children,
What may be our age and agreement
We wish for happiness of heaven,
Although we have to hear words,
Have not gone through the world,
Always wish to receive final and last will.
But that heaven stage for few,
Have you seen a scene of sea waves?
There is nowhere any cave
What you immerse in lovely tides,
That returns to earth from sea waves

Almighty is too like a ocean
Very deep and much deepened,
Flow of waves is lovely emotions,
What's sea performance is way of expression!

Dr. Navin Kumar Upadhyay

We Are Offspring Of God,

We are offspring of God,
Very poor like a dog,
Earth dusty bed, roof sky,
Face too cold or temperature high.

We are the children of our locality,
Having same equal mentality,
Although all naked, but never worry,
Always making our merry.

Very fine sky raining,
Sky only provides blessings,
We are wandering to see a dog in rich laps,
Why we poor are not getting so better nourishing?

Dr. Navin Kumar Upadhyay

We Born On The Earth,

We born on the earth,
To share love,
To extend love,
To enhance love emotions,
for peace and harmony,
Social services, sympathy and for kindness,
Valentine's Day is not only
for youth,
It's not only for external attraction,
It's sweet happy regards for
Humanity,
For Universal brotherhood,
We all are same for Almighty,
No cast, creed creed, colour
disparity,
Love, love, love,
Love all,
We all are one,
We all are divine,
This Earth too divine heaven.

Dr. Navin Kumar Upadhyay

We Both May Not Be Apart

We both may not be apart
As we both each other part,
When I look into your eyes,
I find myself very smart.

Your love made me nice,
As you are too fine device,
Although I am nothing,
All art of your brain wise,

O my dear! Please view Ur some mistake,
I have nothing to take,
But world may blame you,
So always take care, do not break.

Dr. Navin Kumar Upadhyay

We Enjoy Birthday Celebration,

We enjoy birthday celebration,
Is that world reaching enjoying emotion
Or best way to prayer regards to almighty blessings,
Or a way of paying regards to family with friends.

Generally people remember this day,
Taking much enjoyment with lovely waves,
Some are of opinion that a year in well way pass,
And in life none to be felt harassed.

Some dear one of opinion that a year of life lessen
We each year enjoy with family,
Welcome friends, relatives, and neighbors,
Expecting always to celebrate with near and dear ones,
Special sweets and melody for birthday occasion.

We enjoy happy welcome each year,
Friends, family, relatives, neighbour altogether,
Expecting always to celebrate in too near one,
Special sweet melody for birthday specialone.

Dr. Navin Kumar Upadhyay

We Have Faith, Must Needed Confidence,

We have faith, must needed confidence,
May rely on others, but need self reliance.

Real is reality, nowhere to escape,
Flowing stream very lovely, like emotional wave.

God made the creation, to get goal high,
But we are getting away, no intention to realise.

We people always running in haphazard way,
For world wealth, left ideal away.

We are doing wrong, have left all moral,
Spreading friction allwhere, want all honour.

Caste, creed, colour, language difference made man mad,
Creating difference among people, very sad.

Not internally satisfied, running hither and thither,
All beggar like disturbed, no intention to help other.

Ego of body, wealth, name, fame, reputation,
All disturbed very badly, want allwhere sweet emotion.

Nobody wants to recognise what main duty to do,
What main essential path, what to forgo.

Who have got reality, want to get real goal,
Like Buddha thinking over all, what to self reliance in whole.

Dr. Navin Kumar Upadhyay

We Like And Love Poetry,

We like and love poetry,
What a lovely geometry,
If heart feel enjoyment and sorrow,
Spontaneous overflow of emotional spectrometry.

Mind in natural wave,
Dormant stage,
If get some great or loose,
Get some exciting phase.
If get joy, heart overall,
Expression automatically flow all,
No need of searching words,
Poetry form overall.

If feel shocked, emotions suppressed,
Mind, brain depressed,
Automatic through tears,
On paper writing allimpressed.

We make poetry day,
Poetry never for a day,
It is for us always,
As expression every time and all days.

Dr. Navin Kumar Upadhyay

We Like Ideal,

We like ideal,
Want to prove ideal,
But forced to borrow,
Not emotion, only real.

Life always a struggling stage,
We bound to live in norm cage,
Have no such high will power,
So bow down in forced world tide wave.

O my dear! Come very near,
I frustrated, so became poor,
Only you may help me,
As nobody now looking here.

Dr. Navin Kumar Upadhyay

We Live Only In Lap Of Earth Mother,

We live only in lap of earth mother,
Nobody like so darling, O my dear!
Always nourishing its lovely nature,
From birth to death it each moment care.
We may not oblige my lovely earth,
Either lover it or burn on its heart hearth.
Rendering service crops, food, fruits, mineral yield,
But we are making wound, never may be healed.
We want to divide area, showing it in possession,
Always entangled in malice, deceive whole world portion.
As if we going to challenge power of Almighty,
Disturbing everybody peace, mood so keep fighty.
We mind to colour earth bloodline, making so ugly act,
People fear always, every one to react.
Earth wants peace, now -a-days only,
All people may enjoy whole life lovely.
Our most motivation must be to create such an environment,
So that people may avail earthly blessed enjoyment.
How to preserve earth, nobody have time to think,
Save water, grow plant more, if we want earth beauty maintained to keep.

Dr. Navin Kumar Upadhyay

We Met Very Long Ago Once,

We met very long ago once,
After that I didn't get chance,
Never I received your sweet letter,
Although my heart always remember.

All the events very old,
I too am not like a gold,
Who always shine and glitter,
Although love always better.

My face and body now changed,
But my name as usual remained,
I got remember of your holding my hand,
When you put on me a leaf band.

You told me that this was our love sign,
I your all, you are mine,
But when you left me at my door,
I too laid down on lovely floor.

Continued to look, until you away from eye,
My heart was beating very high,
Up to now you did not remember,
I myself could not get even a letter.

Come now please, o my dear!
I am waiting for you here,
Take me in your lovely arms,
Your breath heat is my only shelter.

Dr. Navin Kumar Upadhyay

We Must Follow To Be Like A Facebook,

We must follow to be like a facebook,
What a very beautiful not only outer, but with lovely inner look.
No discrimination of any caste, creed, community, language, colour,
Making merry in Christmas, Muharram, Diwali festival altogether.
Almighty provided everyone same body parts for action,
All human beings common in respiration, reproduction, excretion.
Human beings same role do, as all are doing lovely,
All enjoying, laughing, uttering, loudly or melodily.
Due to geographical region impact,
Changes dialect and colour,
But all enjoying same such sense of taste and odour.
What a difference in man is, that is of only face model,
Almighty in all residing, very dear as a whole.
Sense of pride man made blind, as if he over Almighty,
That filled full ego emotion, to show super, became fighty.
But a man have capacity to regenerate love, sympathy among all being,
Very good sacrifice sentiments, so he super in all living.
All have different cultures outer, no difference any inner,
Same emotion, sympathy, love, if we go into deeper.
Have pity, sympathy adoption more and more, extend love in all,
We are looking diverse only, but we always united all in all.

Dr. Navin Kumar Upadhyay

We Should Want To Reach Goal High,

We should want to reach goal high,
As emotions wing have aim to fly in sky,
Have to service to patient, poor, old, disabled,
Legs to hold inefficient, who in pain cry.

Heart to enjoy nature good blessings very near,
Lips to sing melodious song very much dear,
Mind and brain to apply for human welfare,
Always to enlighten all, o my dear!

Dr. Navin Kumar Upadhyay

We Want Peace, We Search Peacelove

The prize awarding poem By Asian Literary Society

We want peace, we search peace,
But unable to get a piece of peace,
Caste, creed, race, religion language,
Create a basis of ego issue bondage.
Mind entangled to bow down each,
Enjoying always jealous, hatred sea beach.
Running behind land, wealth, prestige, power,
As if ignore, Almighty superpower.
'You-me 'word sentiment made the word hell,
competition conflict, people made action some cruel.
Enjoying genocide, to get satisfaction centered in self body,
Looking own brother as foe, as he is your nobody.
Peace, neither in forest, nor in cave,
Always hidden in sacrifice, service wave.
Love, sympathy, patience, cooperation expression,
Always render a peaceful friendship emotion.
Keep cool, calm heart always with sympathy passion,
Otherwise whole world will be in struggle, ashen.
One of my friends asked seriously, how may be peace in world,
Very rapidly malice violenc growing, nobody cares any word.
I replied him in humor, you may control all the whole country,
Pass an order over the world, all will choose partner away from their race,
language and territory.
All will autonomous related, make merry in whole world,
All will keep quite relationship, as family all will curled.

What A Childhood Stage,

What a childhood stage,
Free mind always, never caged,
Laughing, playing leaving no gap,
Jumping, thrilling, in jolly wave.
No fixed plan, not any routine,
Living on earth, talking of palace pls and queen,
Only gossip without any base,
Spending most times, among or between.
Always to make joy, enjoy only aim,
Interested mostly with friends in game
Nothing to worry, not to hold business,
Neither any competition nor any shame.
Friendship with all, never any foe,
Always entangled moving in a row,
Caste, creed, race, age, color no bar,
Never in any depression, competition or any ego scar.

Dr. Navin Kumar Upadhyay

What A Church, What A Prayer,

What a church, what a prayer,
If there is heart, never clear,
All talk like of a political leader,
Mind, heart surrendered never.
Although life of a very short span,
But nobody wants to loose to adopt fraud chance,
Never mind goes to view reality glance,
As if whole world in ego capture.
Now religion have become a political centre,
Although eminent scholars have only good command on scripture,
But conflict wave flowing in humanity river,
What will be future results of it, oh my dear!
O my dear! now come under open earth green,
In sky sun and moon very lovely scene,
We looking everywhere same star in sky,
How Almighty in different way has region.

Dr. Navin Kumar Upadhyay

What A Diary I Hold Always,

What a diary I hold always,
That is nothing, only your letter,
When ever I behold, o dear!
Every time I find it newer.
What you expressed nicely,
Only through your lovely tears.
As it my magnificent memory,
However it may be very much older.
In each and every letter looking your face myself,
Daily I find my love brighter,
Our love will be a record of history,
May not anyone forget my love latter.

What A Girl,

What a girl,
Becomes a gift,
Very natural,
What lovely shift.
Toy of mother,
Nourishing in womb,
Father flourishing,
Never may be wrong.
Sister dear lovely,
What she enjoys,
With brothers nice,
Don't leave any joy.
Parents and family,
Always altogether,
Never leaves alone,
She goes anywhere.
Teachers glory,
Pride of the school,
Mind always keeping,
So sharp and cool.
After education too,
She gets profession,
Never leaves to acquire

All looking crystal and clear,
Flowing from eyes
Which are dear!

When heart is wounded
by near and dear ones
one has to swallow the tears in,
How painful is for one.

Then mind is tensed
Emotion suppressed,
lay hidden in the heart's heaven,

From the saturated mind
Sad shocking tears roll down,
Pushing aside the happy one,
As perennial river.

None aware of inner feelings
Concealed behind
the glittering smiling face,
But heart only knows,
How much does it cry,
Day and night.

When I visited Rajghat,
Bowed my head,
Whispering in my mind,
O my Bapu! You are so great,
I may never state,
What will power you had,
You got free your nation,
With lovely sweet emotions,
Without any arms
Bare body, bare footed,
Having only a small goggle,
Holding hand on a stick,
On the spirit of non-violence;
Today too, there is need of you,
At present,
We disturbed in ego, non-cooperation, malicious view,
We still want peace, love, brotherhood,
O great! Bless us, bless us!

When Today I Visited My Friend Dear Home,

When today I visited my friend dear home,
I found him sitting in his garden totally alone.
In a calm way I asked, why was he lonely sitting there,
Told me in simple way, this peace is nowhere.
Wherever you go, would be going a centered talk,
If you go anywhere, would find always common joke.
Being alone in garden, enjoying beauty of the nature,
Taking glance of lovely tree, and colourful flowers.
Green leaves, strong stems, and the hanging tender branch,
As if everyone is waiting, for it's sweet fruit launch.
Moving around flowers, whirling for nectar,
Not able to be at distance, either near or far.
Running always to get fragrance from flower,
Like flowers calling loudly its Lovely lover
Earth nourishing its plants, by sky wetting rains,
Where such scene may we find, enjoying again and again.

When We Came In The World, Were Strange

When we came in the world, were strange,
Lived in mother foetus like a dark cage.

Although mother cared in abdomen as her lovely soul,
Was a subject of only pure love dear to all.

Gradually there in life presented an emotional wave,
We had to separate from mother and to adore this world stage.

When to take birth, doctor, nurses too cared,
Looking me out, all very happily cheered.

Parents family members cared each moment in lap,
Did not leave even a single moment, left nowhere any gap.

Grown slowly slowly younger, tried to learn society norm,
Learning education period, I was totally bookworm.

Examination period came, I was inspired to get maximum mark,
First competitive jealous emotions brought mind in dark.

Self centered wave intruded, mind so much occupied,
Extended in plural forms, all where mind kept tight.

This ego centered to become highest gradually grown, never left,
Doing work of all types, but whole life spent as kept.

We have left love, sympathy, kindness, sentiments of cooperation,
All where we looking always a sense of competition.

Whole the world only talk of extension of lovely emotions of peace,
But without humanity sentiments, we unable to get it's a piece.

Why you become separate in individual?
Why we may not continue, as it is time very lovely, oh dear!

How we may live separate, if altogether whole day?
Why we may become distinct, if we all in one way?

When you tell me, "Happy Sweet Dreams in night",
I am forced to think now, is this word alright?

What to dream now, if my vision is already determined,
We have to achieve our goal, my aim is total finely fixed.

Without hanging any bag,
But guardians carrying their burden,
So heavy to keep it on back.
Mostly kids laughing altogether,
But someone also feel captured,

But school teachers master of kids,
Keep under love their child,
So much affection they provide,
Child pleases to get behave mild.

How may one feel, if not get so hurt,
Nobody may be able to follow sweet emotion,
As lover too unable with many efforts.

What a lovely tale of a lover,
Who may follow his behaviour,
All emotions and feelings in lovely way,
Who may feel his pleasure and sorrow, very dear.

What an emotional tears of lovely eyes,
Heart always telling to address ' hi -hi',
But actually love is not easily so much high,
Love dictionary has no word.

Dr. Navin Kumar Upadhyay

Who May Worship God, Who Is Only Self Creator,

Who may worship God, who is only self creator,
Who is only one destroyer, who is only happiness provider,
We pray him in idol too, spelling divine letters,
Always surrender our soul, with a full lovely surrender.

Although he is omnipotent, residents of each particle,
He is only one, who lives in each and every article,
But when we call him with full devotion, may not control himself too,
He makes always blessings, our emotions always matter.

Dr. Navin Kumar Upadhyay

Whole Life Passed

Whole life passed to make planning,
Did not take interest, in executing.
New wave intruded, in so different form,
But could not be successful, formation in uniform.
Wherever I reached got new position,
But it was never really, all in fraud condition.
Moving hither and thither spent,
Could not get position real,
Whole efforts became in vain,
Everywhere got hidden unreal.
At last stage now, what can I do now in new day,
I surrender myself now, only this is the real way.

Dr. Navin Kumar Upadhyay

Why Don't You Are Called Mine,

Why don't you are called mine,
If I am only yours,
Why you don't run fast,
To open your door.
From birth to young life,
I searched you everywhere,
But could not find your way,
How to get you, o my dear!
I thought in my lovely emotions
You too reached in my dreams,
But when opened my eyes,
Nowhere any your sign of love stream.
O my dear! I have been tired to touch your sky,
Now you will have to come to me, otherwise you may loose your reputation so
high.

Dr. Navin Kumar Upadhyay

Why I Feeling Pain,

Why I feeling pain,
I have in mind, nothing to gain,
But intrusion like a thorn,
Have a very long chain.

Who is one, who remember,
Although no any heart member,
Expression of an amazing one,
Where my emotion want shelter.

I have not seen any face,
Nobody here any in race,
Always searching in my mind,
Still I unable to trace.

O my dear! Where are you,
Please tell me quickly now,
I may not get your any sign,
Please take me in your embracement anyhow.

Dr. Navin Kumar Upadhyay

Why We Do Feel In Mind, Great Sorrow

Why we do feel in mind, Great sorrow?

When we may not do anything, create or borrow.

All are hanging in chain of only world emotions,

No have capacity to alter or do make aberration.

All are fixed in nature, sequence of events always preplanned,

Moving hither and thither, never being unplanned.

Come to life, go to death; a fixed panorama,

What you think now, my dear, may not be in dilemma.

Dr. Navin Kumar Upadhyay

Why You Waste Your Time,

Why you waste your time,
You're very happy, lovely and fine,
What you think, sitting in a corner core,
Please return back, always open my door.

Never have any intention to hurt,
Why you have gone so far,
when it's easy to reach my gate without effort.

Never sit down my dear alone,
All troubles now have gone,
We will make merry jolly mood again,
Now we have to reach dome.

Dr. Navin Kumar Upadhyay

Why U have so poor pose,
Be seated on petals of rose.

Woman: Queen Always

Woman: Queen Always

God thought an unique imagination,
Created his lovely creation,
Very high deep sensual,
Made form of a lovely woman.

With his emotion filled love,
Nowhere it anywhere above,
Full-fledged where sympathy, pity, service,
Where ocean of love emotion.

A good protection, saviour,
Nobody in world, so my dear,
A good mother, a soul like lover,

Yesterday You Came Into My Dream,

Yesterday you came into my dream,
You brought some strange gift,
I still didn't believe it,
When you brought ornaments for me.

You dressed me with your own hands,
Made Heena floral art with your own hands,
I was only adoring you, only you,
My eyes were full of tears then,

You embarrassed me Kissed me out of joy,
Asked me, how was I,
Repeatedly wiped my eyes,
We became happy from heart.

Suddenly, wind began to blow,
The window doors banged at each others,
The deep sleep dream is unique,
'Naveen 'could not leave the bed again.

Yo Siempre Rezo,

Thanks to Edith Elvira Colqui Rojas who translated my poem in Spanish language

iOh mi querido!
Yo siempre rezo,
Pero mi oración falla,
Como usted muy ocupado,
Asi que
Decidi escribir
Una humilde carta para ti,
Así que, L
Cuando estás solo,
Libre de trabajo
En disfrutar del estado de ánimo,
En el tiempo ahorrado,
Tu mente totalmente vacante,
Sentado en una silla
O
Tumbado en la cama,
Si tu muñeca avanza,
Retén mi carta,
De una manera ansiosa,
Ojos buscando muy encantadora,
Lo escrito en la carta,
Mis palabras te hablarán mejor,
Y tomarás acción
muy rápido,
Pero, ¡oh Dios mío!
¿Cómo puedo escribirte?
Sin conocimiento del vocabulario de las palabras.
Como muy lejos de la palabra;
Yo tampoco soy filósofo,
Ni un buen escritor
O
Un sabio espiritual;
Pero temo observar todo conocimiento,
Es la representación del ego,
A pesar de estar igualando
una gota de océano,
Pero los sentimientos recortados,

Soy un maestro de todos los conocimientos,
Buen músico, bailarín también.
Sobrehumano de todos los campos,
Así que
No quiero aprender
Cualquier pregunta responda,
En cuanto a cualquier disciplina;
Por último me entrego,
En tu compasión, simpatía,
Amabilidad,
Como sé muy firmemente,
Estas en todo
Y
Todos están en ti
Solo resides en cada corazón
Y yo también,
Así que
No quiero aprender un alfabeto,
Y
Para escribir incluso una carta para usted.
¡Me rindo! ¡Me rindo! ¡Me rindo!

You Are Waiting For Me, My Dear,

Thanks to Danuta Kosalka who translated my poem in Polish language:

Czekasz na mnie, o mój drogi,
Ja też chcę przyjść, bardzo blisko,
Potrzebuje ciepła twojego ciała,
Jak się czuję, całe szczęście tam, zawsze gotowe.

Jakie twoje piękne usta, pełne nektaru,
Nawet jedna kropla, nie widzę chwili, bar,
Kiedy mnie usciszasz, swoimi pięknymi pocałunkami,
Oboje jesteśmy zadowoleni z nastroju, pragniemy spełnić wszystkie życzenia.

Rytm bicia serca spotyka się z jednym, pełne,
Już na ciebie patrzę, bardzo drogi,
Nasze spotkanie ze słodkim sercem może uczynić nowy świat,
Oboje nie możemy wyrazić własnymi słowami.

You are waiting for me, my dear,
I want to come too, very close,
I need the warmth of your body,
How I feel, all my luck there, always ready.

What are your beautiful lips, full of nectar,
Even one drop, I do not see the moment, bar,
When you embrace me with your beautiful kisses,
We are both happy with the mood, we want to fulfill all wishes.

Heart beat rhythm meets one, full,
I am already looking at you, very dear,
Our meeting with a sweet heart can make a new world,
We can not express both of us in our own words.

What thought in himself, intention was not rude.

Intrusion very deep sharp, even then all adored.

What your lips action, looking beautiful smile,
Where ever touch activity, forget all worthwhile.

Where there you forward, all becomes entrapped,
Your lovely glance, dear, person never unwrapped.

PEDRAS

Pelos caminhos que andei
muitas pedras eu juntei
tenho histórias pra contar
voce nem pode imaginar

Já tropecei em pedras grandes
com as pequenas me encantei
algumas me soterraram
mais eu me levantei

algumas me machucaram

algumas me fizeram chorar
de algumas eu desviei
muitas eu ignorei

As vezes minhas poesias
são pesadas como as pedras
mais foi com pedradas que eu cresci
foi com pedradas que eu aprendi.

Elonize S. Gums
