A Squirrel

A squirrel use to come to my balcony everyday
With her bushy tail and large eyes
Moves around all the day
Jumping from one flower pot to other
That's make me happy and joy
The soft and silky fur
Make her beautiful and so cute
Soft paws make the surrounding too silence
Eagerly awaited her entry everyday
Putting some nuts and grains on the floor
I welcome everyday
Our bonding start flourishing day by day
Use to enjoy her companionship with every passing day
When I could not see her any day
Feel unhappy throughout the day
Suddenly, she vanished from my eyes
And could not find her long days
Search here and there to have a glance
Has no result whatever I try
Her absence make me sorrow whole day
Worried me her existence
Whether she is alive or die
Pray God for her life wherever she lives
God accepted my pray one day
She comes to my balcony once again
With her two little babies to surprise
So happy, cannot be expressed
Life exist with simple things
Not big buildings
Or all luxury with us
Human existence is alive
Till animals and plants is there
Let we all live together
Make us happy, healthy and joy.

Anger

Anger- the biggest fire
Penetrate very fast
To destroy anything and everything
It is to hurt not to please
Losing one coolness and peace
Leads to anxiety, depression and high blood pressure
Is there any way to leave this anger?

Lose- lose situation both the side
Either you say or receive
Is it because of criticism, frustration or stress?
Whether we have ever know its cause

Nothing can change with the anger
Earth is so beautiful; there is no place to hurt and anger
Only to love and joy for ever
Control your anger before anger control you
Life is beauty, let live together

Making India Corruption Free

I dream a corruption free India
A country without poverty, illiteracy and child labour
Where peace and prosperity prevails in nook and corner
People clothed with integrity and breath with honesty
Patriotism stays in their heart, love and affection towards humanity
Where Loyalty to country and organization comes first
Rather than to self interest
A corruption free India, I pray for it

I promise, never I pay bribe nor I receive illegal money
Work with loyalty and honestly to serve my country
Neither I neither bend nor be pressurized in any circumstance
As I believe truthfulness and righteous act leads to prosperity
A corruption free India, I advocate for it

I never leave the path of truth and always be alert
Whether one support me or not
I am a squirrel for making a bridge of corruption free India
Collectively we can throw out this deadly disease
Wish and hope, it is a good place to live
There is long way to go before I see India is corruption free.

Mother- My Salute

Mother- My salute

Oh my mother, you are merciful and obedient
You are the creature, kind and a giver
Life is incomplete without your love
From life to death, you are with me
Oh my mother, my salute to you

You taught me to speak and how to walk on this earth,
And played in your smooth lap
By staying hungry, you filled my stomach
You woke up all night, gave me your sleep
Protect me from the troubles with your armor's of love and affection
Whatever I am today because of you
You are sweet and powerful
Bow to you and bow down to you again and again
Oh my mother, my love and affection to you

Never see the God on this earth
Believe you as my God
Pray to be born on this earth
Repeatedly from your womb
You are always merciful and obedient
Bow to you and bow down to you again and again
Oh my mother, my heartfelt regards to you

Who said you are weak and infirm
You never lose the path of life
You enjoy every moment in the happiness of children
When you get the strain on your brain
Yamraj(King of death)is also afraid of seeing you
Oh mother, no one is bigger then you on this world
Will be indebted to you throughout my life
Can't stay away from you for a moment
Bow to you and bow down to you again and again

Oh my mother, my sincere salute to you

My Vision: Corruption Free India

Corruption- please go away with your notion
Our mission is to make us a no bribe nation
So far, you made our life miserable and full of suffocation
Corruption, have you ever seen our determination?
Now, we are in full of action
And Throw you out with our inner-transformation
Corruption- Don't dare to enter into our nation

With our good value system and education
We are sure, can stop corruption
Encouragement of Currency-free banking and cashless transaction
Can you dare to come to our imagination?

With Lokpal, Lokadalat and Vigilance Commission
People can have speedy justice and much satisfaction
Corruption, it is our war against your creation

With Community Participation
And having the "Right to Information";
There is fair chance of weeding out the corruption

Again, guard with digitization and automation
Make you dead before germination
With Honesty, truthfulness and against temptations
Certainly, together, make India a corruption free nation

Oh Doctor!

The living God on this earth
Having Stethoscope one hand and ready treat the wounded
The sufferer, the rich and poor
Weeping out the tears and pain from the needy
Who come to his rescue for dreaded disease they bear
They feel, can be cured with a single touch
If the Doctor put his hand over

A poor fellow full of wound
Blood moving throughout his body with full of worms
Crying for help and to relieve his pain
Left on the main road no one to care
All are busy
The so called modern man moving here and there
No body to care
Even to touch and take him to hospital

A young doctor passing on the way
Stopped there for while
By seeing the man's cry
Took him to the medical where he can be cured
Starts treatment with tender loving care
Within few days the man start to walk
Blessed the doctor with folded hand
Coming directly from the heart with smiling face
"You are the living God" what he could uttered with little voice
Salute you Doctor
For your loving touch and care
Service to mankind is service to God
The message you share

Proud To Be An Odia

I am proud to be an Odia
For the sweet language I talk
The cultural heritage I carry
With simplicity we Odias live

I know my state is not so developed like other,
There are poverty, unemployment and Naxalism
Every year pass with draught, flood and cyclone
Still we do not leave our hope
What our forefathers teach us do
There is always sunshine after a dark night

I still love the fragrance of its soil
Feel calmness when I breathe her air
Tongue become watery when odia cuisines serve
Feel Comfortable when I read, write & talk in Odia
Because it is my mantra for my growth

I am proud for my history
For its culture, art and literature
Its heritage and classical language status
Because of its originality and not borrowed from other

I am an proud Odia
Who wants to rebirth again & again
In this great soil to learn and relearn
Because it is not sufficient to know
The vastness of literature, history & culture
Of Odisha and Odia in this single birth

Sachchaaee (Truth)

Sachchaaee

Jal kabhi upper ko nahin bahataa
Na aag kabhee chodtee hai apnee ushmata
Sooraj kabhi nahin chodee apanee maarg
Niyatinibha rahaa hai apnee dharm

Prakruti nahin todtaa hai apanee niyam
Phir ham kyno hein neeti bhrasth
Vrutha dusraon ko badnaam karne mein lage hein
Jeevan kar rahein hai apnaa nasth
Jaagon mere pyare doston
Na karo barbaad or samay
Ho kar ismein or magan
Satya, dharm aur sadaachaar apnaon
Na chod apne dharya

Sachchaaee ko chod kar kahin kabhi
Hua hei koee dharmveer

Silence

Silence

Divine light glimmers in Silent
The sun and moon shine on the sky noiselessly
Trees, creepers, living organisms are growing silently
And the river flows without any noise
Destiny of time meets in the face of silence
The Earth revolves around its orbit calmly
The saddened man mourns in silent and frustrated man with long breathing
Silence eradicates misery and makes a person believe
Flowers blossom in silence and gives Fragrance and joy
Then why we are screaming around
To show our greatness by robbing others right
Why human is doing so badly and mischief
Look up on the sky and see your own heart
Where you will get a cool mind and beautiful world.
