I am not A POET()

Jo George, an Engineer by profession but a lover of literature and cricket.
Currently in the middle East building high rises for the people to climb and live e
of India but a Universal citizen.

I Don'T Know!

I don't know from where I came,
I don't know where I will go,
I only know that now I am here,
I will be here as long as I am here.

I will be here as long as I am here
leaving behind my body I will disappear
to the stars that shine above there
my grandparents told me where,

I am not A POET

She Never Gives Any.....

She takes all the pain,
she never gives any,

She takes all the strain,
she never gives any,

She takes all the stress,
But she never gives any

She takes all the blame,
But she never gives any,

But what she gives is
Care and love with a sweet smile.

I am not A POET

When I Think I Am...

When I think I am happy,
I know that I am not happy.

When I think I am sad,
I know that I am not sad,

When I think I am strong,
I know that I am not strong,

When I think I am weak,
I know that I am not weak,

When I think I am good,
I know I am not good,

When I think I am bad,
I know that I am not bad,

When I think I am rich,
I know that I am not rich,

When I think I am poor,
I know that I am poor,

When I think I am a human,
I know that I am a human,

Of course with blood & flesh.

I am not A POET
