Jaqualen Roberts(May 15,1996)

Hello everyone, my name is Jaqualen R. I started out writing in my early teen years around the age of 14, it was the only thing that could help me cope with my depression. Everything i have written on here now are things I've decided to share. Growing up wasn't easy but somehow I've managed to make it worth while.

I hope you enjoy the few I have.

Home

Home is not a place in which you live
Nor is it a place to go
What is the meaning of home?
Something I ask myself everyday
Here let me explain

Home is a living thing
That is hard to find
Home is just a heart
That lies within yourself
Not for you but someone else

Home is never easy to find
Why is that?
You may ask!
Where is my home?
No one knows
Will you ever find it?
Only time will tell.

Jaqualen Roberts

No More Darkness

Darkness is bad,
Very very bad,
Say goodbye to all the shame,
And all the pain,
Say hello to the light,
But it will be a fright,
All you need is love

Voices

There are several parts of me that wishes to take control,
They talk to me when ever I am alone,
Asking to take control and show the world who we really are,
They yell and fight all day long,
I go and hide in the darkest depths of my mind to be free,
But they always seem to find me, calling out for me,
They make me say and do thing I don't want to,
They are always very angry,
Their raging voices taking over my mind,
They're slowly tearing me apart.

The Darkest Side Of Me

He is a ghost of the concrete world,
No one can see him but me,
He watches over me like a hawk,
Making sure that I am perfectly safe,
When someone bothers me he takes care of them,
He is Like a shield always protecting me, He is always on the watch, Because he
knows danger is lurking near,
When I grow angry he comes out and fight,
He never anyone hurt me no matter what,
He is my protector.

What I Can'T Express

My dear friend I truly feel some type of way for you,
It's like my heart is calling for you through every beat,
Because of the fact that my that my mouth had been sealed,
Therefore no words can escape and say what I need to say,
But thanks to you my mind can express the way I feel,
Through this poem meant for you my love,
Your like angel of many wonders,
Every time I see you,
I feel as if a smile is being forced upon my face,
By your marvelous eyes,
But I smile because deep down inside I feel as if we're together,
Kind of like me being in love with you.

I wish to hold you in my arms,
Until the ends of time,
And you heart being so close to mine,
While I look into your eyes,
And ask you with a calm voice,
Do you want to go out with me?

Jaqualen Roberts

The One

Day by day I think of you,
And not once forgotten,
Because I love you,
Too much to let you go,
You are my angel,
The one person who made,
My heart beat in a way no other could.

The way you made me feel is hard to forget,
I miss the way your eyes lit up,
Every time I smiled at your marvelous beauty,
Which surpasses the stars,
Your eyes make me feel,
As if I'm trapped in space,
And your voice is like,
An angel singing to my heart,

You are that spark of light,
That lit my darkened soul,
That single piece of thread,
That holds my heart together,
I love you and believe you are the one,
The one woman for me.

Jaqualen Roberts

Sick Of It

Tell me why do you love me
When all you did was hurt me
Over and over again.
I loved you like no other
And now you go
And forget what was true.
So now I'm sick of it
And you calling me a liar and a cheater
When you never talk to me.
You're one I loved and now one I hate
Always ripping my with your lies
Now enjoy your darkened life
Because Little J is done playing your games.

The Predator

You are a wolf watching me eat
You crack down in the tall grass
So I do not see you.

Your sharp white teeth clenched together
Your beautiful green eyes staring me down
Your paws pressurizing the ground beneath you.

As you let out a soft growl
I quickly look your way
And begin to run away.

You quickly get up and chase me around
As I grow tired I begin to slow down
Then you pounce on my back digging your claws deep into my skin
And you begin to sink your teeth into my neck.

As I struggle I feel your teeth being deeper into my skin
As I take my last few breaths of life begin to realize
That you are the predator and I am the prey
You are a wolf and I am a deer.

Jaqualen Roberts

Paradise

Everyday I look in your eyes,
I wonder if I'll ever find a place,
Where the sun can't get us,
Where we can be together forever,
No matter what people think,
A place where our souls are one,
Our souls sing a lovely tune,
And we hold each other,
Forever in our arm,
A place i can call paradise.

The Salker

I hate you but you love me,
When I run away you follow,
When I'm asleep you're gone,
But when I awake you're standing over me,
When hide you find me,
If only I could sleep forever,
Then I'll be free from you for good,
But if I die will you die too?

All About You

You're beautiful like the moon lit sky,
Your eyes deep like space,
Your smile blows my mind,
Your beautiful voice like angels singing to my heart,
That keeps me smiling everyday,
You're that beautiful little star,
That keeps me glancing at the night sky,
You're hot like fire,
But inside cooler than ice,
You are a key,
To a special door,
That no other can open,
This door can only be opened by you,
The doors are small,
But inside is something large,
This will keep you warm,
This door is my heart,
Whats inside is my love.

The Kiss

As I walk you home,
I begin to feel a strange breeze,
Ggoing throuhout my body,
As I grab you hand,
I slowly look at you as we turn the corner,
I begin to tell you that you are the most beautiful woman I ever met,
As we approach you house,
I lean toward you,
I watched as you closed your eyes,
Then closed mine as well,
And then we kissed,
It happened so fast,
You started to blush and I love you,
And went inside as I walked away.

Darkness That Dwells Within

The darkness that dwells within,
Crawls deep inside my soul,
Want to take control,
It's silent whispers calling my name,
Asking me to let him out,
All that rage waiting to be free,
Wanting to fight he violently tries to force his way out,
Slamming him self against the walls of his cage,
Putting me in fear,
I try not to let him out,
For if I do he'll tear me apart,
He's what i fear most,
He's like a snake slithering through out my body.

War In You

Everywhere you go theres a war near you,
Ehough you can't see it,
It's happening inside you,
No one can stop it,
Only you can when you decides to take that step in life,
This is my war not yours,
My day my life is over,
Fighting everyday losing myself in it,
My war may never end,
But yours may,
It's a fight to the death,
You or them your life you war,
Here I am to say dont let your war control you,
If you do life as you know it,
May be over for you.

Time

It has no limit,
May never be stopped,
For us it's measured in time,
there is no end to it,
It's what keeps us aging,
Without we will never be here,
You will never know what life is,
What will we do with out time?

Time With You

If I could spend one day with you, I'd show you all that you mean to me. Let you know how much I care. Let me hold you in my arms, feel my warmth and comfort. Listen to my heart hum you name in a tone that may never grow old. then you will soon relize that I love you.

Love

I've met a woman,
Who stands out from all other women,
She is everything I ever wanted,
She has the touch of life,
She vanquished the dark corners in my life,
Her name is short and beautiful,
Her name has only four letters,
Her name is Love.

My Love For You

You are the nail,
That peirced my bleeding heart,
Causing my death,
And now my love for you will never be the same,

You are the very torch,
Yhat burned my soul,
Causing me to drown in darkness,
And now my love for you will never be the same,

You are the pain,
That beats me everyday,
Making things worse for me everytime,
And now my love for you will never be the same,

You're the blade,
That cut every vein in my body,
Causing a fountain of red to flow out,
And now my love for you will never be the same,

Jaqualen Roberts

A Life Without Love

a life without love is like armegedon,
a life wiithout love is like a bullet peircing through my heart,
life without love is like war spreading over the world,
life without love give us no reason to live.
so let learn to live and forget the hatred.

You Cant Hide The Real You

i try and try to keep him in,
but he refuses to stay in side,
we talk and play when no one near,
but when they come i hide in fear,
he sits and waits all day long,
and when i say get inside,
he tells me to stay quiet,
so i duck and wait until its safe,
the very next day we sat and played,
for we are alike in many ways,
we care for eachother,
the only difference is he is violent and i am not,
he is me and i am him,
we share the same mind,
sometimes he stays inside,
and wait to fight,
i try and try to keep him in,
but all he says is,
you cant hide the real you,
like i said i am him and he is me.

Jaqualen Roberts

I Give You All I Have

I give you my love to heal your broken heart,
my heart to heal your pain,
my soul to keep you safe from harm,
all i ask in return is for you to love me back,
and for you to be safe,
as long as i'm hear no one may ever hurt you again,
no one will ever come between us,
you are my heart and soul,
i love you.

Jaqualen Roberts

What I Want

i want to share your pain,
share my love,
share my heart and soul with you.
i want to give you all you want,
and all you need.
my love for you is stronger than you know,
so take this offer,
and never let go.

What Is Death

death is love,
death is peace,
death is all the non-violent things around you,
death will hunt,
death will kill,
death is a fallin' angel,
death is what you will receive,
death is all around you,
death is love,
death is peace,
death is the killing angel of peace,
death will take every last soul,
death will vanish the day we leave,
you can run but you can't from death,
he will find you no matter where you go,
death hunt by fear,
death is love,
death is peace,
death is all round.
