A Chink Is Enough

Let glimmer illuminate the darkness
even if it is purple sunset, form
quiet night to come before the dawn
don't lose any beautiful time

Chinks keep us alive
Pauses give the most beautiful music
Shadows give form of nature on paper
Black holes hold the Universe's cohesion

It is the peace of heart that leads
to the paths of active life

Lionara S.T.M.O.L.

A Flying Soap Bubble

Into a crack flowing on the wall
Blood in the forehead a scratch
And all over them came and tyied
Feelings toxic
They found the edge and hanged
They came over and they left off
Uncertain puzzle ties again
A soap bubble flies beyond the infinity
Until 'Puff' hope looks...
It is wet very Colored
And some Loves with obstacles
Food gives to her fluids
Play right, in your own scenario
To not become a slick in painting
Give the substances and color
The Universe is Waiting You

Lionara S.T.M.O.L.

A Hut Inside

You'll be back
with your mind
with your heart
with your legs
Distance isn't the reason
to be sad with the rest
A hut to hide
when aren't to your best
A family inside
a home to rest
Worthy experience
have in the breast

Lionara S.T.M.O.L.

A Short Life Is Enough

Life is one
It's a little one
has passion has errors
has love has dizziness
has pain has tear
But most of all
has death
And I want to decide
When and how
Or it isn't on my hand, anyway?
I don't want another life
This is enough for me
To arise every day
For centuries into your memory's DNA

Lionara S.T.M.O.L.

After Death Complain

Of all those who knew the most hit by calamities
From all those complained the most unhappy
So I felt as mosquito in your joy
Nothing was keeping me close to your companion
I went and killed to the guilts grave

Nobody recognised me as the victim of ignorance
I didn't know? They didn't tell me? That my own crap
wasn't the worst of all your crap.

Ancient Eternal Girl

I will not be the log that awaiting the fire
To kowtow our executioners, knitted to the tyrant
The slave in a bride bazaar, who expects Joy
Ignites, i burn executioners and slaves
Limits, laws i create, corsair of the futures.....5
You can get from my little spark, to give value
To the half life that you experience, to your myths dot
You melted by the decline, the minds every thought
Motivation to inactivity, does not give any word
Ancient Girl female, a statue that speaks.....10
Fumble on her face, the desire which is shaking
Admire her strength, that the Heaven hold
Fumble on her body, move that sets
Her Erotic secrets, the source that Life Begins
Starts revolution, a wide rebellion.....15
Our Ancient ideals, our great worship
You, male flare up, deserve to live now
For love that not lived, come on rise up
In all shades of gray, you will find the females
Alone to build dreams, come on you can taste them.....20
Myths kept alive, the inert substance
They created it in our measures, to stop us getting bored
They put the most beautiful colors of Earth's
The beautiful bodies, elusive and fatal
They gave us strength in every weakness.....25
Beautifully completed, our party to the dot
Thank you writers, thankful to your imagination
Choking with your pen the global boredom
Become an author the same, a great creator
You can build a decent life, to become a heart corsair....30
Life for novel, imperious in Death.

Angel I Expect

At each of your visits, tabled at your feet, the treasure of my heart
I adored you, embracing you, with tears of my soul, to the increasingly aging
body of mine

And you constantly left, taking your order and leaving your shadow
Left behind only my miserable self at home desert latest offer to you
With a thousand questions I learned 'Me', it is a valuable piece of 'You'!
I expect You, to cross the unknown celestial, amid the dark, the lit of my lamp

Avarice, Ambition... Philosophy

Filled by slaves of tyrants this city
by terrestrial pleasures miserable all of them.
Poor and greedy for glory and money
and first the rulers. What a shame!
Fears makes them writhe, to hurt.
Grieve, rejoice, their serenity forget.
Missing knowledge, to see their soul's deepness ...
They only want learning to excel
not at the level of the soul that gives value
but in money and vanity.

It is essential to have rich experience
to taste supreme bliss.
Wisdom for completeness with substance!
Avarice, ambition, philosophy.
Then they deserve the key, the town to change,
the 'Right Speech' to have, to dominate.
Laws writing to apply their children
with a right polity to deserve their wings.

[Inspired by the 'Republic' Plato]

Bam! Soul's Coup

Operations, roles, feelings
Soul's fatal coups
An apple temptation in pocket
Bite it, and speaks God
Go walking virtues
Look at the Values as shares
The bitterness washes up on the shore
Rescued by Love moments
Our life a pink balloon
In your eyes reflect black city

Lionara S.T.M.O.L.

Basil

Close your eyes
and the compass showing west
A bag the heart
Worms, caterpillars
a vengeance
and your universe is off
Your desires
fall off the cliff
asking for solution
Whole Earth
man's armpit
has stink
Noone left
basil
blowing the vitality

Lionara S.T.M.O.L.

Blowing

The wind dust,
scattered to the sunlight,
memories from corners.

Lionara S.T.M.O.L.

Breastfeeding

White honey dew dripping body
Complete a pleasure dedication
In two eyes, which internally saw you
In a body, long identified with you
Suck honey shuddering throughout
Transfusion of ideas, thoughts, dreams, culture
Erotic thrill lasting
Gordian unsolved bond
Safe prognosis of equal value and higher adulthood
Eliminating the shame of nakedness
Eliminating the opinion value of other exterior mirrors
The beautiful though they were the body previously
Both proud not seen before
Feeling absolute Paradise
Before biting the apple...

Lionara S.T.M.O.L.

Butterfly

A butterfly lives freely
inside of a thousand options,
chooses those when wet
It opens its wings again,
in whose heart give commands
to keep its colors.

Enjoys her solitude
She is loved by her companionship
enjoys her look
dancing with the insouciance of you
charge, in her arms.

A caterpillar on Earth stood
and learned the secrets
to her legs not pinned
Another air on her wings.
Despite the loaded Chaos. *

Can It?

Not now! No more! Miiii stop it!
I press with my palms to each cell
Gushes the sun ceaselessly
To live first...
To get bread, to warm up the house, to cook, to....
I can't catch up to run in the trees, the mountains...
My fingers hurts
They don't make it
Flowing the sun from everywhere...
Love pours!
Can feed us?
Eh! As it can...

Cohesion

Love has power
With art, dominates
Consciousness weak
Gradually grow big
Speaks to the unconscious
With the instincts of man
Universe's cohesion
Tangle just on there
Person's possibilities
To rescue the place
Appetite become of life
Changing with way

Lionara S.T.M.O.L.

Cohesion Of Nature

Deep brown eyes, straight I kiss in your hands
to have something from me in your heart amulet
to sweeten, to beautify, cypress bright!
Thousand red flowers embracing the trunk
Eros, death together! Go to heaven...

You want to become a hermit. From your clothes, you went out
You are looking for our secrets! So you lose the time...
The piece of your soul, take care to be happy
Is the body our prison, every cell a jails cell
Being of the universe hope, feel with all cohesion

Lionara S.T.M.O.L.

Complicit Silence

Things strangled snickering, whispers stop
They are cowards the toilet sages.
Initiated a crime was committed and they go,
hushed to the perpetrator and the victim's shame.

It is they, the moral of perpetrators
criminals with unpunished guilt.
Continue an irresponsible life,
They are accomplices and it will repeated.

The perpetrator they lick, is the gun they shine,
unlocked it with an outburst of anger.
To the victim avoid to speak,
they don't have good actor mask.

Laughs alone and emerges from the pain
for a society under smothered envy.

Lionara S.T.M.O.L.

Composition Not Analysis

Don't explain my dream
in objects analysis
I want to do synthesis
of this Subject
Over of consciousness
I am searching for explanations
In the eternal symbols
I ask to find solutions
It is not a warning
It is Myself
as manifested
and each of my fever
Connects the real life
with my subconscious
Not only the personal
but also, my team
The ancient eternal standards
throwing my fever

Lionara S.T.M.O.L.

DESERT

Fate threw down me, with parachute in deserted desert to chase the non-existent.

How to tell which way I go, the desert is a labyrinth gap, everywhere I look. Cumbersome time without aim and substance, counting only to the imagination.

Per! caravan, many words, fairy tales, intuition says no help.

What a luck, another, several transactions but gloom. Perhaps i had to pick up fairy tales?

Well done, I endured disappointments, the third charmed all thoughts.

Their whole body was smiling, words were less, deeds were count.

With them, I went crazy course, the logic does not bring happiness.

Lionara S.T.M.O.L.

Dancing... Exist

Neither the smoke, no longer consoling breasts
The appearance, to inhospitable Earth
Dancing, the soul remembers
its existence

Lionara S.T.M.O.L.

Darkness... When?

One day I was born
One day hurt
One day I got sick
One day I cried
One day I painted
One day I played
One day I danced
One day I thought
One day I read
One day I laughed
One day I wrote
One day I remembered
One day I wished
One day I traveled
One day I met
One day I flew
One day blinded
One day not heard
One day I won
One day I died
One day burned
One day scattered
One day I was born again

...

Every day sing
Stinging and bothering you
Time for pill of myself

Lionara S.T.M.O.L.

Deadlock? Go From There Where Savvy

I hold the edge, move on...
So I am not concerned,
predictions don't hurt.
The course is difficult,
it has bends,
it has straights.
I ignore all events,
if I knew you would have advantage.
Which are your Minotavres disadvantages,
the experiences, the foibles?
The thread binds the hearts,
to get out healthier, embraced.
We have to remember the sail,
because Aegeus will asking for.
You see them black or white?
Now change to white,
after having Bacchic revels,
in immortal waters.
... Love gives confidence

Lionara S.T.M.O.L.

Desire For Freedom

I refuse to fight your weaknesses
for your sake do I back
these, crucified me with my will
i hug you in love...
to the same place i can exist, again
i forgive you... you repent...
Great Truths you understand.
to Love, you will remember
in Entire freedom we learn to Live

Lionara S.T.M.O.L.

Disabled Hands

As unruly I am
I feel crippled my hands
To plant words on paper
Capable to rouse
Indifferent people who asleep
Tomorrow they will become enemies of all
simply hate
Even for handicapped hands!
Hey! Get these hands! Yours... Today

Lionara S.T.M.O.L.

Does Not Exist

I want a lake to prove
the truth

But river drifted
to the flow

Whether smart or dumb
we are all stupid

Whether you are young or old
we are equal

Whether woman or man
one sex...

Stuck in trivial
there is Life

?

Lionara S.T.M.O.L.

Dragon Warrior

Seeking Me
to strengthen you
Coming into utopias
to target feasts
Become Dragon Warrior
to strengthen you in safety
Let the coward fears
Put life in agony
Now just move feathers
All together, it is enough
To defeat the minds of fewer

Ending Of Endless Start

See the deep of past
To see deeply the future
Vector meeting
In now without ending

Our streets, opposed
On straight round, live
Insensitive time moment
Arrows as collide

The memory and premonition
They have a lot to say
Take life decision
Give form to the end

Ending Of Endless Start

Lionara S.T.M.O.L.

Every Cell Is Your Cell

You're a milk's child
in a materialistic society
was born and run.
Without any patience
You want power and opulence
with impulses to excel.
No joy can't stand
rob, ravage, offenders
the evil you choose.
Every cell is your cell
you imposed nice guy
to be and you can't afford.
But as Beethoven thou hear
enjoys unconsciously the mind
Expecting Paradise.
What is better then?
To choose evil?
Or to enforced to be good?
As the Clockwork Orange
do not have yourself
and freedom you want.

Lionara S.T.M.O.L.

Every Spring

A canker of shame, works within,
guilts are digging grooves on body.
Erase the memory to be able to rejoice...
You feel the animal rides soul.

A melody similar had recognized
and destroyed by the breath wild.
With lust passions, himself is hated,
money does not pay up the egos.

Melody shown by people as dissonance,
cacophonous the existence as if it had been born.
Pure look speaks with fury of wolf
with war survives to understand.

With a Resurrection the universe rewards
those whose the confusing reach to amen.

Lionara S.T.M.O.L.

Everything Missing You

Everything you miss, you will ask for and will do it art

In the sky will seek for

But inside you have it

In the part of your infinity, everything possessed by you!

Lionara S.T.M.O.L.

Fate

Front of Squadron's shield, fighting
All are written and you are always the loser
With what feelings you want to proceed?
It is your life, to decide!
Life is small and the joy lengthens it
With anger and rage throughout diminished
Knowledge of Fate when you want to have
But all the stress inside have possessed
Let the tranquil flow draw you
To route's beauties to stimulate you
Much talk and soul has disfigured
How to clog Gods minds while sharpened?
And the seven braves, with fear of God, if will be opposed
The seventh if it 's cursed will kill you.

Lionara S.T.M.O.L.

Fate Without Brakes

You found me perched
At the bottom of me
I pain as I was born
Full of sensations

I have the power to see
To my mind's mirror
I misunderstand, all thinking
Balanced in relations

I am a being, lonely
All of me belongs to me
Pieces of me ye steal
Intact in thought
Still love me

Lead in dreams
Fate without brakes

Lionara S.T.M.O.L.

Feelings & Spirit

Suck your tear when I create
All of your soul, on senses I prefer
Feel the spirit's pulses Feelings closed the private road
Life remains... but it doesn't end here

Lionara S.T.M.O.L.

Finesse

Sadness, compassion, concern
Put the veil on eyes my lady
To not see the tears flowing
even fight the fear

I want you to show me strong
I do not want pity. To feel me small!
Show finesse for my children
To be pattern my lap

Forgetting anger, rage and malice
Black clouds in celestial corner
They show the way of solitude
Bile to not embitter another generation

On the rails of mind, crazy train
A thought bitter, seeks Station
As buffalo in lake, immersed mind
Sculpts wax to shorten vacuum

A spark is enough, in life's minute

Lionara S.T.M.O.L.

Fire At Bum Fears

Poetry is dynamite
tears the rocks guilt
fear is a bum
from your heart makes you absent

Give your hand and go
in a meadow beauty
poetry marks us
to put bums fires

Lionara S.T.M.O.L.

First Words Wisely

'Mom, ' our first word, baby which strong love ask
'Dad, ' the second, protection in safe warm hug
And the third is 'more' insatiable need for mum and dad
Crying baby, its pleasure is asking. You hear what he says? It knows...
As elder it become, avidly looking for safety, love, looking joy
Why you ask for much more? Happiness wants these few and simple...
Nature is and knows. The first words wisely!
'Mom, Dad, more', love and security avidly asks.

Lionara S.T.M.O.L.

Fit In?

Abreast the universe

Eyes shine

Heart pounding

Hands body bow

The river flows

Flow abundantly inside me

From everywhere overflowing

Generously donate you

Identity is speaking

In the universe

Fit in?

Lionara S.T.M.O.L.

Flames Highlights The Gold

How can I come back if you don't stop to be jelous?
Every step of mine, belong to you you think,
at my events, the toughest judge is you,
with suspicions and guilt, all things intimidated by you.

On your insecurities feel safe
what you loved stop to humiliate,
in what you selected become supporter
strengthens it and show what it deserve.

Alone or not, alone forever you'll be
when to a man don't want to open soul,
feel the heartbeats and if you quietly sleep,
confidence will set you free.

In jealousy vehicle, I made stronger the brakes,
I found comrades, don't look all foreign.

Lionara S.T.M.O.L.

Flert

All eyes
on sky looking for
the sun shine,
to the fervor to bloom
without burn.
Spring Come... Smile!

Lionara S.T.M.O.L.

Footprints In Light

Footprints of my steps not muffle.
Not germinates Love in the shade.
Follow, to the light I drive,
in the dark silence doubly hurts.

Eye showered by tear.
But the other explores the market.
As crocodile looking for edge,
your look, going you nowhere.

Beat the donkey to start.
To go where? Long time was dead.
The eyes in veils triple had hidden.
Inside and outside has left empty.

Averse your eyes, I have annoy you,
You didn't expect me, you are confused

Lionara S.T.M.O.L.

For A Better World...

The soul is from guilt drowned
as dying from hunger a child.
Seeks an approval written
by senior spiritual body.

Love is a captivity game.
Makes more verbose human's body.
A joy beyond mother's substance
which will dry quickly forgotten.

It is the thirst for radiation of eyes.
For a whole pure view...
As blissful childhood friendship,
from doubt that has withered.

It is the way that differs.
It shows whether you care or want to be imposed.
How much serenity you contribute in love?
By common goal: Savior and Conqueror.

[Inspired by the book of Pearl S. Buck 'Bread of humans ']

Lionara S.T.M.O.L.

Go Ahead... Comrade Of Light

Go ahead...

Step by step
In the dark tunnel
It's so big
As the space
That creates your problems
Which bring you to the entrance
And when you get to light

Look after the destruction trail
In the dark past
To be bearable
Then no darkness
Will not scare you

... Comrade of light

Lionara S.T.M.O.L.

Gossamer Mask

Is hypocrisy that push you
from people leaving away.
Take off the mask to see the pink lips,
I shaped them to the mind's dark.

Top line as the heart that loves,
thin slit like the feelings... and liquids
color pink as the body I usually hold.
Get used to spontaneously kisses.

Not from eros nor from dry love,
are the feelings of friendship deeper.
Spider's veil of logic as was knit
to the mask's niches, eyes were blind.

Only briefly and the safety will not miss
the mask again on face to hide.

Lionara S.T.M.O.L.

Grace = Seemly Justice

You are, I see you guilty, victim of your circumstances.
If a judge will caught you, you will live condemnation.
The wording of general law! For all of you has a shame!
Missing from your crisis the morality, substance from trial.

I ask for grace, and spirit to has the law.
The generality is unfair to specific conditions.
It is strict the eye, the policeman is seeing.
It is indecent to man the dry convictions.

You think grace means injustice.
It isn't the opposite but not even her sister.
Sorry misunderstanding the value of this word.
It is the 'just' itself, dressed in its best!

When you give a penalty you have to pay attention
to the spirit of the decent law. It 's virtues wisdom...

Lionara S.T.M.O.L.

Guileless Calculus

The cause of knowledge is experience.
But was it prior of knowledge?
In timeless life we live has the destiny
being eternally and all knowledge is there.

Experiment's experience necessary
the partial to become universal,
i rule and philosophy
that 'Everything in world is relevant'.

Has the thought, maximum value?
Mind blocks by much calculus.
The unachievable, fear will not endure,
Will not dare nor feasible.

Flies without borders, crazy imagination.
The numbers keeps mind's reins..

Lionara S.T.M.O.L.

H O P E L E S S L Y Dreams

Hopelessly dreams but loud
Shows absurd to sprout wings
More feasible to be mechanical
Change the dream and fly high
Although you don't have yeast for this
Patience and luck turns back
Look remotely discreetly...
If unhappiness melts you slowly
Forget the hopelessly... toxic, neurotic...
If collected many minds to want wings, need to be...
Darwin laughs!

H2o In English

In what you do, losing yourself.

And you can't to not do this.

And this is your weakness.

You want to interpret dreams,

to draw the inconceivable with brushes...

With earthly dreams how to move forward?

Boasts many rush hours of work,

trying being a champion can't truly progress,

only in stationary posture with closed eyes.

Great disrespect to give Names,

even to subatomic particles

and that separate quickly devour.

With closed eyes just can see.

More depth that has the one.

Lionara S.T.M.O.L.

Have You?

Children's hands embracing tree
Lips leggings from resin
Tears flowing at the root of
Cry and complaint
Friends trees
Existential loneliness
Or never again alone?
Maturing early or on time?
Now he knows: a man have the world's depth
And the world have the human's depth
Honestly loves the man, the world, the depth
Spring costume
Have you felt existential loneliness?
Have you drink the water of your Yourself?
Then LOVE! YOU, not your passions...
Like mother embrace souls...
Otherwise you don't understand her existence...
As your end, there are no words to give it
Only acts
Close the door now to cry, to laugh...
Family...
Guardian Angel listens to her heart on the chest...

Heavenly Wedding

Married with your sky
let expression to speak with heart
without violation to the facial muscles
and to your lie, twitches truly

Thoughts silent that the bowels vibrate
I have to say with simple words
to belong to all of us they seek
to the public spirit to give pleasure

And if don't tell them again the road will find
captive in bodies lurk like children
birds fly sky to see
I'm ashamed to hold the prison keys

Difficult and joyful wedding day
tear resistance to the pretexts bullying

Hell: You Can't Love

Your lustful eyes when looking,
glue to the shaped form,
bring Heaven down to Earth
mind's, the endless trail forget.

Cry as much as you want but be happy...
your son lives near the house
with Love his father, have to remember
he want you together, to be there.

In peacefull bed you can sleep
in peaceful bliss your son lives!

Inspired by the book 'Brothers Karamazov' by F. Dostoevsky

Help! ! !

Someone asked for help
A man, is there (?)
Gamble is to get it?
now lacks momentum
He thinks to benefit
Which return it gives?
Waist has, to be cut
He will pain, he will groaned
He says to go into hiding
Then he regret
He lift him from the Earth
And falls down himself
Alone will he stand up?
All now forgets him
But has a strong soul...

Lionara S.T.M.O.L.

Hero They Said You Cowardly

Tight in handful keep the shape of Your form
Is at celestial the soul, gentle blowing Your voice
Inside the seabed rave, at the look I become one
Crazy whir Your compass, magnitize universe's brakes

You gave fights here on Earth, for a big good
It is small the home, it ties you with the Grim Reaper
Have Love in the heart, to give in galaxies
A nest for home, to swoop at values

Coward they said you, leaving the warmth for fights
Dreams not suited them, saw to them as illusion
Wanted you in difficulties, to serve them
But you are a servant of souls, of the entire nature

How many generations from selfish love, hated you?
They said you, cowardly and unworthy though they loved you

Lionara S.T.M.O.L.

History, Myth, Poetry, Healing

Behind the myth the truth,
in front of the myth the poetry,
it's the Gate which leading,
to the world's cure.

Hear the myth and forget yourself,
in sterile reverie,
leaving to be loved,
to the mind operation.

A story came earlier,
in memory with art has been hidden,
not to torture you,
but to be rescued.
(Without pencil and paper)

Against nature is the myth,
next to nature is life,
but nature will make (with poetry)
your new structure for cure.

Lionara S.T.M.O.L.

Honor The Present

We say a lot about the deads
Few and carefully about alive people
Meeting's Fear
With witty people who we didn't talk
With wise, not heard them
With well traveled, not discovered them
With lovable, not loved them
Not always strangers
Relatives, fellow citizens, leaders
How difficult to communicate with a portrait
How hard we honor the present
Pictures the best souvenirs
Unforgettable memories in faded headstones!

Lionara S.T.M.O.L.

Hope: Power Without Resignation

now I think
in moments of Force
in prison which, always carry
has, the horizon, permanently lost
in aspirations horribly drowned
in what direction?
I search to find?
Crystal star with vibrant core?
to magnetize to the heart, beat warm ...
Data in Dome
Knowledge always here.

Lionara S.T.M.O.L.

How Many Trains?

Don't yell!
Nah in thy good
I hear the whispers
From your voice
They spent several trains
Till you come
meaningless numbers
I do not know how many
... So many until yours

Lionara S.T.M.O.L.

How?

I sunk in the sun my pen and wrote lyrics
People gathered around me, staring, searching the secrets of birth
It started raining, blowing, to thunder
People running naughty, shouting that I was to blame for the panic
I stayed alone under my brothers the trees to cry
And you cut a piece of heaven
And hugged me with this
With covered me to not dread
You went to the edge of the ridge to see the world
No one nowhere!
I saw your hands were missing
They were left to hug me
How you done this?
With the sun, without crying, to talk...

Lionara S.T.M.O.L.

I Waited... Love

I waited to tangle our roots
and they embraced

I expected to wither our stem
and it strengthened

I expected our petals to discolored
and livened

I expected to hump bending
and we grew taller

I expected us to hate our shadows
and illuminated

Love's light

Lionara S.T.M.O.L.

I Yell

The land is here
I want to plant it all
Plants awaiting their turn
Earth, there is
As I can
With the shovel I have
I yell
To multiply shovels
To beautify the world

With love

Lionara S.T.M.O.L.

Ignition

She is air, and it is enough
only a spark
to the Oxygen of Happiness
when found
from invisible to visible
Flame rises
to the Heaven, looks on
It burns... and go away

Lionara S.T.M.O.L.

Imitator Or Poet?

With words on paper, paint boats
imitate images, provoke feelings
but boat you don't know how to use
you were probably hoping to be manufacturer.

A fraud, all ghosts in art
seeks praise, flattery and money
for virtues and values, with knowledge rarely speaks
revives fears, pleasures and sorrows of the artist

Few souls are invulnerable to bad reasons
affected from beautiful lyricism
to wave's dance the crazy pace
the others became immortal in the world of mortals

[Inspiration from Plato's 'Republic']

Lionara S.T.M.O.L.

In Ark Of Today

A handful bitterness of barren 'wants',
chokes people in hatch.
Redemption see in their death!
If they go disappeared from the map, view celebration.

I hold their hand, to the light to climb
on deck at night. Shining moon!
With beauty, eyes to wash
the ark embracing with serenity.

Scratches on their face there to interpret
to change pains, to heal...
Those accused to forgive them...
Life on the planet to continue...

The nature's hope, the destroyer
with cohesion to save... transmutation...

Lionara S.T.M.O.L.

In Slander: The Measure Of Friendship

is your friendship from benefits caught
glued to pleased format
full of bitterness, your kisses, resentful
What if you admire every benevolent virtue?

all masks, you wear to see you
well hidden truths of the soul
protection, offer only extortionate
in what form you want to be loved?

benefits move off, the forms changes by pain
rusting all and the virtues remain
wastefully let time to go
with frustrations ruin solitary, celebrations

is the middle, value of virtues
from limb, golden angle the bend
remarkable to see your goods
and the greatest Friendship, your Love

a criterion has the Good Friendship
in Libel, to defend obviously
without any doubt
your neutrality, the sycophant applauding

for trashy friends don't be upset

Inspired by the book 'Nicomachean Ethics' by Aristotle

Lionara S.T.M.O.L.

Indulgence And Love

A hug increasingly grows,
understands leniently the weakness,
be left, the earthy to enjoy,
and let moralists to speak of sin.

Vulnerabilities everyone has,
if his mid investigates the causes,
Noone will speak for sin
with hands open will give friendships.

Nobody knows his future,
the position he may come,
though the heart can't longer resist,
Come hug to wait for the Charo.

Members of the same body all are,
Loving all and the devil envy.

Lionara S.T.M.O.L.

Is This Possible?

When I look for hope

Through death

I'd like a lot to have a man

Stronger

To ask the loudest

To care for the weak

Is this possible?

Lionara S.T.M.O.L.

Just A Soul Is Enough

Knocked on the door
innocent goat
Began tricks
Persuading a kiddy
Seven soul heart

Six lives succeeded
His wolf to eat
The seventh ate him
Even he blows
The suture hurts him

Cold stones into him
The stream pulls him
Seven souls dispute
The door pounding

Lionara S.T.M.O.L.

Knot

Tangled threads that tie people
Their passions were confused, from their living and their dead
The human law, sent the wrong culprits
Innocent's Furies, did them seekers
The guilty recognized as world winners
Innocent don't wither and hold your silence
It will come the time their mania to see the god's right
Show faith to the higher, to the divine balance
He hears your supplication, and the liar's sacrifice
Your every Furies, Eumenides makes
When enemies lose enemy, they throw up the poison

(Inspired by the tragedy 'Eumenides' by Aeschylus)

Lionara S.T.M.O.L.

Knowledge Within

Don't wake me up
when you see me to laugh
I have found light of Joy
the absolute truth
doctor of universe
You have something stronger for me?
You open my eyes
in your dream to go...
In the books didn't found
as much knowledge within

Lionara S.T.M.O.L.

Like Leafs

Like leafs,

thoughtless,

fall down to the earth,

I don't mind about tree's opinion.

Lionara S.T.M.O.L.

Lion Of Three Times Double Night

Heavy chains
Your mind tie up
Observer of the past
Observer of the future
Don't matter how many years you'll live

The Eternal years
You won't know
If won't become, now
Lion of three times double night

Lionara S.T.M.O.L.

Lived Dreams

? brew scaffolding to climb up there
To circle the infinite, to see it for ever
Dreams and fantasies, visions and provisions
Be petrified with concrete, to hunt Happiness
Visible the invisible, in celestial goals, spears
Becoming a bird in the sky, every serpent from the abyss

Lionara S.T.M.O.L.

Love The Feasible

I'm not here to save you
To fill the void
To pay the idea
You've for me in mind

Within relationship will know
The apiece himself
Nothing more important

The contact is all that matters
I with you
You with me
I with me
You with you
We with the world

No teacher will come
Before ready become the disciple
If you expect straight road
The sun always to see
You will definitely disappointed!

Through pain and thorns
Pass the relationships in life
If you are looking rosy palaces
In desperation you will find yourself

Lionara S.T.M.O.L.

Love Your Vineyard

Summoned to Earth to benefit
and you preferred with pleasures to inactive
caught greens, filled thorns
You are a parasite in your own fields

It is not too late to grab the hoe
by malice and rage to empty eyes
let your roots breathe
to meaningless trouble stems to not entangle

Prune envy and selfishness
with humility to bear fruit
It gives joy to work in vineyard
your payment gives aplomb

save you, save me
the salvation of our world makes us one
are each of us a vineyard
with seeds of love eternal nourish

Lionara S.T.M.O.L.

Magnanimous Love

The 'we' a not opened flower,
great lord this selfishness,
sidelined is letting you... behave
something miss you, makes you a loser monk.

Find a man's eyes to read
very caring, to feel beauty
every work like a miracle to look
your emptiness to fill warmth.

[Inspired by the book by Pearl S. Buck 'Bread of humans ']

Lionara S.T.M.O.L.

Man's Friend

Come on tell me. Really you think you were hidden?
I see you behind the mist, inside the soil.
In the shade of the countryard tree, were buried,
so you look just your legs.

~~~~~  
I'm not saying, good the escape attempt  
but the railings of the courtyard sparse,  
the bloodhound sniffed at, dug the earth soon.  
Why you wonder how came fast?

~~~~~  
Because you had locked the door
and buried with you and the keys?
Detected you by the small decay
He passed from gaps and rammed nails deep.

~~~~~  
It is the dog, of course, man's friend!  
It doesn't hesitate... into light kissed you on the spot.

# Memory Don't Have The Mirror, My Memory Is You

Don't remember the mirror  
When it saw me smiling  
Don't remember the mirror  
When it saw me sad  
Memory don't have the mirror  
My memory is You  
You remember me when I smile  
Dancing in the rain  
You feel the tears of joy  
You feel tears of sorrow  
Feelings, fulfilled me  
From my life You don't miss

Lionara S.T.M.O.L.

# Mind Like Knife

Good and bad thoughts  
In mind as gun  
Like your knife on your belt  
You decide  
Will cut up apple or neck  
Cause you have it, will use it

Lionara S.T.M.O.L.

# Mind The Gap

Scratched all your cuticles  
Wanting your perfection  
You neglect your humanity  
Solve your little straps

All the rules, your guilt  
Your whims, your defenses  
You appointed mistake by your parents  
The words, beyond your strength

Set thou thy dictionary  
Give and feelings in your control  
Look again all relationships  
With other eye and if you can afford

See the mirror and smile  
On the palate red candy  
Come filter tales  
Choose the most convenient truth

We all play in tragedy  
Few blooming, looking substance  
Dreams, visions, knitted fantasy  
Worth living if you find the value...

Lionara S.T.M.O.L.

# New Year's Day Each Dawn

Our ideas to be brilliant like stars.

New year's day to be for us every Dawn.

Like rivers to flow Creations

and a handful of minutes away is the Joy. Eternal Lover of stars...

Lionara S.T.M.O.L.

# No Eye Open

Awake! Open your eyes  
to see me  
without mirroring  
I don't live  
Awake for me  
though you do not deserve  
though I do not deserve  
be in love  
I have no other way...  
Giving i live  
It s trouble for me  
to ask  
lying truths  
to have to dream oases

Awake! Open your eyes  
to see me  
With hallucinations  
I exist here  
though not wake up  
I have not to say  
I do not have to see  
where to touch  
to warm up;  
What person  
what promises  
to follow;  
And if you do not wake up  
what to do with you  
fox fur on the neck;  
Nah! I will not get...  
I tell myself to sleep  
Yarn rain plunk  
Unite Earth and Heaven  
Thunders anger at the crack gap

No eye remains open: -(

PS: Eyes have flowers too

day and night to look at...: -)

Lionara S.T.M.O.L.

# Observer Of Mind

Listen the mind  
its every thought  
Dialogue, monologue  
which have racked you

Revives the past  
with difficult introductions  
Torturer who dominates you  
into «Now» the introductions

The future represents  
patterned hopes  
And when these wrecks  
your body spat you

Become an observer  
wait a bit and listen  
Perception conscious  
become the rocks moment

Your mind is a minimal  
intelligence piece  
You're the entire universe  
of an infinite substance

Listen your mind  
laugh with this  
It is not You  
Smile

Lionara S.T.M.O.L.

# Oedipus Tyrannus

Vanity raises the tyrant  
great idea futile  
that his value inflated  
in words and in deeds  
can't find higher, any more  
judge and judge of  
and pops his blank bubble  
whole place smells bad

Magicians forebodings  
fate's written  
wherever you go  
You will not hide  
they measured for you  
and two legs tied

Live as lord Now  
the tomorrow can't avoid  
if ignore it, smiling  
otherwise bleeding  
dream within a dream  
you live, that have forgot

Eyes if you have, you just look  
to see, you avoid  
lucky if you think  
pain is looking for you  
the conceit lowered  
the whole world smell bad  
and you that had much pain  
luck seeks for you

your luck is my pain  
and your pain, my own fortune

Lionara S.T.M.O.L.

# On Boat

When you care about me, I cry  
I'm not alone I think

You're in the boat too  
Sailing to our dream ends  
Empty from passions

Lionara S.T.M.O.L.

## Other Logic

The logic is analog  
From what already knows  
Tomorrow more knowledge  
Other logic  
Infinite knowledge, varicolored logic  
Detainees all of us by senses..

Lionara S.T.M.O.L.

# Outcry Of 'ah! '

A force pulls on the celestial  
A force pulls in the Earth  
Two wings obediently wiggle  
Life born from Love  
In 'ah! ' will prematurely lost

But there is more resounding cry  
Women loaded responsibilities  
Selling their whole form  
They fight risking in all posts  
On their back, cowards men, are hiding.

I cry with the outcry of 'ah! '  
With a wing no life will born  
Human man lost in abysses

[Inspiration from the book 'The Rock Garden' by Nikos Kazantzakis]

Lionara S.T.M.O.L.

# Overturn

Clouds eyelids, tear like rain  
strangled viscera by soul  
drowning in the endless sea's flow  
if you do not fight the wave, to be saved  
for a carcass will speak... for broken heart  
short on earth the path  
nothing is serious  
qualification is the quick adjustment  
when the waves overturned

Lionara S.T.M.O.L.

# Path Just For One

On the path to the hill I walk  
It is steep, it cuts my breath  
I look ahead, light strengthens  
I look back, the steps flow

You stand by me, but silence around  
Melodies of birds, I translate  
Wind roar cools me

I tell you that It 's a narrow path just for one  
Only one in each, progresses  
Once you said, that you are catching my hand  
And I believed you, like a dumb

You're everywhere and nowhere, I look around  
Our appointment at the top has not lost  
Driving to the loneliness path

I will be naked, clothes have scratched  
Embracing, I hold, a golden heart

Lionara S.T.M.O.L.

# Philoctetes

Hold on hands a treasure, all our virtues  
Be careful to not wasting them, but overcoming the limits  
You give away to friends and yours, but never to your enemies  
But they need it more, to bring peace  
Your body though rotted, your enemy will heal it

Lionara S.T.M.O.L.

# Philosopher Artist Scientist

The undercurrents laws ignore  
to inspiration's grooves flowing in mind  
into bloodied bodies from moral barriers  
pass locks of timeless elsewhere.

In robes didn't dressed the art  
in systems didn't say 'ok'  
each project and a sin of artist,  
indifferent to the orders of laws.

A philosopher with knowledge beliefs  
to the nature of beauty, lover  
without spectacles hollow, empty hearings  
to the truth itself, a balancer.

The body's pleasure and money's wins  
with soul's pleasure, the glory passes away.

Lionara S.T.M.O.L.

# Poet?

You see everywhere punctuation  
Grammatical errors, spelling  
tonal, metric...  
Clipped the others wings  
to look like yours  
Stuck, nailed to earth...  
if you do not fly, how can you change you  
and how to change others?  
?

Lionara S.T.M.O.L.

# Possess What You Are Thinking

Sunset  
came and went

Wave raised  
the rocks disappeared

Colorful flower  
odor which withered

Pollen, bee  
sucked and fly

Moments ephemeral  
immeasurable... divine

Aesthetically experiencing  
without possession

In dreams revived  
Eternal celebration

Eternal sunset  
Eternal wave  
Everlasting flower  
Bee's poem

Lionara S.T.M.O.L.

# Providence

When the providence exceeds limits

Thrives laziness and dependence

Evil intentions undoubtedly

Hidden or not

Lionara S.T.M.O.L.

# Raffle Life

I won clergy  
Winning ticket  
Spark glittering  
Unique life  
low rates  
The spores are much  
You spoil money  
In shallow bets  
To grab dreams  
Empty hopes  
You are jackpot  
Experience total

PS: Mom.. Your lucky scratch  
Gift to itinerant seller...  
he needed it more...  
Insult my personality your mania for gamble

Lionara S.T.M.O.L.

# Realizing

It is a ghost  
Inside you, it lives  
Asking hungry, to feed  
Pain, wants to see everywhere  
Yours or someone else's  
You have overwhelmed  
Body and mind  
Emotions, are heavy to you  
Undigested resembles joy  
Now that you observe it  
You have the Power to overtake it  
With war, you cant survive

Lionara S.T.M.O.L.

# Recipe For Victory

By conquered and i ' m not your property  
or part of your own collection.  
As you have me, I possess you,  
two winners live a hostile life.  
How something you have, to assert?  
Unfair any material exchange...  
For Greatness that flashes fruition.  
A soul we are all together  
in myriad bodies only, divided.  
If you want bodies for collection...  
farther away from the dust is not collected.  
I have what I want! As we all have...  
Why to be in fight our bodies?  
A hug let's show our cohesion.  
And machines we win together!  
If you are the one who waits outside  
or the traffic light passing opposite,  
take breath without poetry sad  
all lyrics are written in water,  
every moment is like poetry beauty.  
All a Love! Dimensions defies...

Lionara S.T.M.O.L.

## Recreation Charismatic

The charism the immeasurable, sleep can't rest  
Song wants the heart, deep to sweeten  
What say the winds, from amid the leaves of trees  
As dew meets with aromas of flowers  
And I touched the skin, with softness  
To relax the soul, enough power to fill

Lionara S.T.M.O.L.

# Rive

Whatever you ask for, is here  
Whatever you ask for, you have it  
The entire universe inside you  
Have fit and possessed  
Study the infinitesimal  
To learn your infinite  
In the universe don't seek  
The other half of you  
You're whole  
The intangible blank  
The entire universe is You  
In a thumbnail  
Say for this and the scientists  
With a (atoms) cartography  
It is immaterial and the material  
Have much of vacuum  
Senses absurd  
For the form on her face  
You're an entire blank  
Don't stuck on your form  
Make deeper search  
To your existance  
Your powerfull conscience can  
Make dream your Life  
You are not your experiences  
Loosen your obsession  
You are just a spectator  
Of your own life  
You are breath  
Your conscience can  
Make dream your Life

Lionara S.T.M.O.L.

# Rude Hope

Despite the good behavior of the routine  
Appeared the rude hope  
Promising roaming with the distant future  
Resulted to the abduction of the body  
Leaving the job half  
Since, the treatment of the soul  
Riveted her There  
Eternal fearless to the Death  
With which all fears are related  
That the Love kills indiscriminately  
All negative emotions of fear  
That would win them with all the positive emotions of Love  
Fear and Love together impossible.

Lionara S.T.M.O.L.

# Salt Of Impossible

In the tavern of hope  
I reduced appointments  
Every offer of my heart  
I pay with the mind

Now cook by myself  
With salt of God  
For the impossible i fight  
without any mortal tear

The beasts calm  
Freely turns the earth  
Our Soul now hopes  
from sepsis clean

Lionara S.T.M.O.L.

# Salvation

became many murders  
to be saved  
until they cared  
for motivation

Lionara S.T.M.O.L.

# Samsara (= Experience That Sticks)

karmic fortunate  
emotional crash  
memory deadly  
Cables powerfull

Surrender in prison  
or allowed to escape with illness?  
Give yourself to the past  
or die from repressed?

It was to be  
They came and left  
To reconfigure me  
the pain, I tolerated it

Observe fair weaknesses  
dragged me to unjust sensibilities  
unnecessary vain querulous

Unwanted feelings in balance  
Defeats leading to turning point

(Inspiration from the book «Super Brain» of Deepak Chopra and Tanzi Rudolph)

Lionara S.T.M.O.L.

# Save Yourself

You're something else  
You're something all  
No need to become  
You are...  
Flooded  
Joy, peace, lightness  
Your present  
Whatever  
Change the 'how' is  
Joy, peace, lightness  
and tomorrow's hope  
Save yourself

Lionara S.T.M.O.L.

# Scenery

A stone and a tree  
What exquisite scenery  
Two people multiplied two  
Every day is here  
For the night... who knows?  
Veil fell dense.  
Put, pull boots  
On hats a gap  
How much time go?  
Tree leaves I don't count  
They meet but do not know  
They have met?  
But one boy knows  
Inside them the child was  
Every day is there  
Tree holds the stone  
Night and day in the life

Lionara S.T.M.O.L.

# Seeking Hero

You are creation of a fantasy  
of many minds and a substance  
A mind, perhaps I am too  
I feel proud when I meet you

You are better than my dreams  
you pass beside and knocks my heart

It was a night of loneliness and boredom  
in my mind, I created you, from despair

Don't offend you the reason  
best company I don't have on Earth

Lionara S.T.M.O.L.

# Self-Reliance

That toddler, which inside you crying  
Arise mature adult, to embrace him  
Be glad you can wrap yours together  
My own also was crying, from fear to not hurt  
Fondly warmed him in bosom, as loving mother  
It was the hero's moment, everything to hug  
Children, parents, to tie once and for all  
You're the child, you are and his parent  
Foreign nannies hurt him, rarely feel  
The dependencies are insidious... he wants his parent

Lionara S.T.M.O.L.

# Separation

The tears flee,  
faster than eyes,  
life decisions.

Lionara S.T.M.O.L.

# Separation = Despair For Self Realization

It's the loneliness that I have not lived

It is the misery that I have preferred

It is phobia to not abandon me

I have strength! ... My second nature

The imagination blames for what I looked forward

I was looking for an utopia in you

All get me angry! Whatever is deferent to my dreams

Fireworks inside me make me abandon you

We live together in alienated

Sentimental like ill

If I don't go how you want to meet me;

To another lover, the same experience I will live...

Lionara S.T.M.O.L.

# Serenity

Darkness...

Breastfed my moon her light  
This hour that your mind  
Divine flows in the pen

And the poet more lonely  
Tear waters his heart  
Friends praising who lost  
Projects creating lifesaving

But more now reaches them  
Inside him the eternal is closed  
Exacerbation of pleasure, ransom

... Covet her sun

Lionara S.T.M.O.L.

# Shelter Of Love

Inside me I have what I love  
Foundry melting  
Sorrows and anxieties  
In treasure transform

The guilties, I convict  
Gold to carry on back  
Inside the quarry of the soul  
One thousand good can fit

Nothing more  
Nothing less  
To the prince i wanted  
With love abut

He has and defects  
I have defects too, not hide  
This is perfection  
Shelter of Love

Lionara S.T.M.O.L.

# So Was Slow Sunday

Pain begets laughter and smile  
His pain was painting with Seebeck on Earth  
His pain was drowning last night to his drink  
And he was heavy but could be silent  
His pain was accompanying a sad story  
Inside him was carrying it, his sadness to not seeing  
It ate his insides, rotting joys  
Until he storied it to a life bird  
And the bird sang differently from others  
It gave him breath, the youth kiss  
So was slow Sunday which relaxation will tell.

Lionara S.T.M.O.L.

## Sober \* The Broken Nut

I 'm, gently, cracking the shell  
from educational lectures made up  
the light of nature to reach its pith  
closer your dreams to feel  
the child you were, remember the Love  
different the world to see  
senses, to color rainbows  
higher than all, as artist  
from spirituals, rationals, politicians  
from Love eternal absent  
not cracked wooden completeness nuts

\* Sober, call him who knows the mind and consciousness itself, the innermost and irrational forces, momentums and weaknesses and one who knows how to calculate them. ~ Hermann Hesse 'Narcissus and Chrysostom'

Lionara S.T.M.O.L.

# Sopping

Soaked to the bone, so what!

Neither rain bothers me...

Always I carry on an umbrella for grumpy persons...

The road is important, with companionship is more beautiful!

Lionara S.T.M.O.L.

# Sparkles

A candle  
A pray  
Back will not bring you  
How I lost  
With what cackle  
Don't interest you any more

Into my tear, I drowned you  
On Earth you don't spin anymore  
I'm going to the lighten days  
Without my memories

New era  
other start  
In the eye  
sparkles  
like a butterfly  
There in the light  
It risks wish

Lionara S.T.M.O.L.

# Star You Are There!

\*

Star

You're there, i feel!

Hope, dreams, give away

Rarely glamorous, worthy golden

L o v e with g r i e f fearlessly counting!

Without words magnificent m i r a g e s!

Without breath, timeless, placeless, pure, heroic, driving, follow!

S a d n e s s with l o v e fearlessly counting, He told me, the 'sleeping prophet'

As much the track of my 'Infinity' contain the ever revolving 'pi'

?ou are there!

Here life!

There, death or new life?

Meeting the Here with the There, eternal noticeable!

The pomegranate joining solitude in a heart red!

Lionara S.T.M.O.L.

# Staying Here, Expecting

Unnecessarily to be here?  
To zero if all tend  
Zero is not me  
Me and myself  
A friendship that lasts  
The 'Whole' we are friends  
Timeless Placeless life  
Action, interaction and go  
The whole nature is a drink  
Unnecessarily to be here?

Lionara S.T.M.O.L.

# Sunbeam

Every time I left  
I caught the only ray of sun and spins back  
I don't regret for homecoming  
with this glimmer I was knitting and lived the most brilliant story  
bare die, naked born every dawn  
with boldness and imagination I continued...  
What I had to lose after all?

When playing with my naked soul, I fend,  
you see her vulnerable and easily manageable  
such as without glasses even on her eyes, chatter,  
you think you know her,  
to sculpture her as dough for your meters,  
without any respect to what you ignor for her.

Because when all answered,  
horseback on the glimmer of the sun will perish...  
to go beyond the horizon of the eye...

Lionara S.T.M.O.L.

# Swallows

They will not come back swallows  
devastated clumsily this yard  
Cut of street kicked mud  
left behind half nest, empty

A gust all changed  
wound in nature bleeds.  
The courtyard was late, but beautified  
amid the silence, routine rhythms.

Look! again swallows  
They found the way, for the same yard.  
They built nice again their nest  
without leas in their soul

They gave Joy! Life authentic...

Lionara S.T.M.O.L.

# The Boat

The boat that you nailed, others will lead

Others will tread it, others sail will open

Other will light on lamps in north-facing masts

In shipbuilding sweated nailing hands

The mouths silenced, fingers knives, to the eyes came tear

Stayed desperately

To hit by the seas, to asked by dreams, to look stars

The boat that you nailed, others will lead...

Lionara S.T.M.O.L.

# The Eye

Premiere will not play  
Eye alive if not seen  
'Life Necklace' i put on neck  
The beads ruffle  
Human, animal, fish, organic  
Inorganic being I was myself  
The first eye before opened  
The life's work was not seen  
Insect started the game of knowledge?  
It was mosquito or slow worm  
The spark of thought in the eye came  
Eunuch time just found  
The Cronus castrate his father Uranus  
Time castrate the eye gap  
Titan man not to see again  
On science's cloudy sky...

Lionara S.T.M.O.L.

# The Heels Of Caryatid

how much cruelty and stubbornness has bravery  
a rebellious tendency for authority  
militancy for silly revenge  
with manhood a woman how to win?  
suffering our Earth from unbridled masculinity  
has eclipsed the eternal feminine  
the bridle to keep of impulses  
nice Love with selflessness vibrations  
with faith companion, care and wisdom  
attract the Beautiful with purity, serenity  
modest and innocent thanks to patience  
provides and takes decisions with intelligence  
protect with the sacrifice the men  
admiration and awe cause with their existence  
health foundation of human nature  
regardless from heels of Caryatid

Lionara S.T.M.O.L.

# The Pebble

You pulled the pebble out  
the leg that bothered  
Throw analgesics  
the excesses words  
The pain went away  
don't make it a habit

Lionara S.T.M.O.L.

# The Poet

He wasn't anyone's satellite  
Lonely Sky meteor  
Angel at exile from feathers naked  
Nostalgic of beauty, to be her witness

Withstand pain passions, he stayed a half  
Until in death's hug, to tilt  
With blood bubbling, as a rebel shouts  
He came earlier and later will leave

For a Resurrection, he pulls you to the Light  
Insists! He takes all responsibility

Lionara S.T.M.O.L.

# The String Of Time

You tie up specific dates

With a string, round of celebrations

Lest you escape

the time

and scatter the calendar

But how to ride

the unconscious mind right?

Only your rage stays

For the lucky few

who escaped from string

and felt the Joy

at every moment of Now

Will you sit more with your anger

and the string round your throat?

Lionara S.T.M.O.L.

# The Swaddling Clothes

So as you are swaddled, I will tenderly kiss you

I will caress your mollusks, hidden amid my hug

I will suckle you with manna, with melodies to the ears

As you will strengthen, will liven up the legs

To slung the sails all alone, new life is waiting you

Its your choise... I have the key for you, straight in swaddling clothes

... Opens any heart you yearn

Lionara S.T.M.O.L.

# The Vitality

Next to your death beckons vitality  
Has pierced the veil, seeing there... opposite

Grandchildren are of refugees's, is daughter of orphanhood  
Earth though not heated her, not breastfed the sweetness  
Sower was strong, a head birth her

Swing makes to the abyss, laughs with her heart  
Heart beat if she feels, will see her beside  
Together to dance, dance of the butterfly  
And through your thorns, flowers to choose

Lionara S.T.M.O.L.

# The Way Is The Power

She wanted to hold your hand  
when you afraid.  
She wanted to sweep your tear  
when you remember.  
She wanted to touch your dream  
when you sleep in pain.  
She doesn't know what love is  
but she cares.  
You are talking for love  
but you run away.

What she has to do  
with your emotions?  
The way you act  
push her away.  
You never cared  
for her hearts pain.

Lionara S.T.M.O.L.

# They Waited... They Wait

They waited  
To not stand the silence  
As fish to go out from water  
To say, what the heart can't stand  
My pride, I resist  
To their terrifying means  
To their attractive sights  
Against me  
In vain  
They were forced to admit their defeat  
As now, defeated calm  
But the enemies are waiting...  
If shuffle my hair, you will find their machine guns...

Lionara S.T.M.O.L.

## To Kill Myself (?)

I have all the tools  
I say to kill myself  
The cord for the gallows  
A stone stool  
A willow waiting  
earring bright  
He will cry, he will die  
But there will be, I...  
Without the inner self...  
Half work I don't do  
Hello willow I greet you  
I'm waitting for... Godot (?)

Lionara S.T.M.O.L.

# To The Spiritual Pendulum

I was there...  
Near you...  
Without any sense  
Without nightmarish misunderstanding  
Your loneliness suffuse  
With the pace of spiritual pendulum  
In the stars orbit the range  
Along the timeless perpetuity  
Pleasure immeasurable conclusive  
Without a contractual misunderstanding

Lionara S.T.M.O.L.

# To The Warrior

As you will fight with the beasts  
faithful woman, palaces will care  
and when you'll come back, alive... What happiness!  
into calm, the life will resume ...

Day of Joy doesn't want to infect  
with sorrow words... Gods kicks away  
chants and to the Furies  
New start in her own lap!

As flared house's good luck  
Generate... generation landless to not lost  
Look envy to friends (?) Eyes!  
The Truth veil can't puncture...

Lionara S.T.M.O.L.

# To Wait Is Enough?

Man being incomplete  
with mind in dwindling  
is perfect in sports.  
In nature, which significance gives?  
Dance man, your thought to come  
What else you wait anxiously?

Lionara S.T.M.O.L.

# Tragic, Your Tragedy

You created a man inside you to hurt  
Each foreign feeling, his own, he think  
Bleeds, cries, laments, listing in each news pain  
Victim after pretends yourself, on our compassion's throne

Take foreign news, refining them now  
Your intelligence is enough, art to make the storm  
Save the root eternal, listing in art files  
Feel as emperor, you shattered pain, pieces

It's tragic, now you see, your tragic view for news

Lionara S.T.M.O.L.

# Transparent State

your body is my sin  
your spirit worship  
a soul is common  
transparent state

Lionara S.T.M.O.L.

# Travels

Travel to places known

Travel to places unknown

Experiences zero

If you do not stop

Travelling to mind

Lionara S.T.M.O.L.

# Troubled Kingdom

Your mind is the king  
looking meanings with nobility  
enslaves reptiles  
lengthens the life amazing

however occur and twists  
balance lost in moments  
slaves becomes masters  
govern unexpectedly by reptiles

That's the way, to become mad immune  
the body become antisocial  
doctors named that 'cancer'

In the flame to sit slaves and masters  
collaboration gave birth to brave

Lionara S.T.M.O.L.

# Virtual? Euphoria

Vibration of Love  
in mind a crack  
from heart gushed  
the long poem

~

Hostage of situations  
runaway from imagination  
the abyss in hand  
winner of boredom

~

Friends are intangible (?)  
ideal their value  
admire and care  
unique experience

~

Leave and come back  
Lift from the bottom  
existence analog  
visible invisible

Lionara S.T.M.O.L.

# Visitor

I came for a little to the mountain  
In the forest, riverside  
Not for long, for a  
week  
For a month, maybe two  
No more, far off you  
When darkness falls  
Caulk the cracks with rags  
Do not come death  
Something in alternations not suit me here  
With the dawn i remove sails  
To come in Life  
But when I forget I miss them, both  
I quit from the deal  
Predicting lose many  
Visitor to a home with open cracks

Lionara S.T.M.O.L.

# Wash Destiny

Dust dirt and stench, your destiny is sick  
Plunged into the mire, of routin to be so safe

Respect a bit yourself, it is a shame to ignore it  
Lost all moisture, shrivel, begs

When in bathroom will enter from now on, rub your back strong  
To go along with the tiles, your ego and your mud

Embossed on the mud, your name... it laughs with you

Lionara S.T.M.O.L.

# We Here, They There

In old deserted villages rope holding of bell  
They stun hitting it, our childhood dreams  
Well that did not hear the beats, our mountains  
Well that did not break the sounds, our swords  
They never looked at the lighthouse of Alexandria  
That we light it on reverently with flame from our heart  
Never they caught seashore  
Letters in bottles  
We here, they there  
We got lost in half a meter route...

Lionara S.T.M.O.L.

# Wet Shine

With eyes open in bed  
I feel the glow in the dark liquid  
around hidden, every black shadow

No vegetation, begets the tar  
No light, has a shadow  
Some planets shine asks  
and dip in night's voice

Now I learned, where the boot hurts me  
left the flame away not to burn  
gently warms the heart

Lionara S.T.M.O.L.

# What?

In author's mind looking with hedonism

Unbearable profound ideas I see

In endless pages has lain them

All the universe longs to feel them

Heavy load crash me down

Lyrics breeze unloads

Even now unknow

Life or death?

What I leave to centuries?

Lionara S.T.M.O.L.

# When I Forgive

Those Christmas forgave you.  
Not for you, but just for me,  
to be reborn, to not pain...  
from your anger to liberate  
The wound, more solid to feel.  
It sounds selfish, I feel!  
But you will not change, ever.  
As usually, you want to press me.  
Therefore, I m not ignore you  
like me you have imperfections.

I loved you and I love!  
I leave! I forgive me, and relax.  
I Bless, my thousand mistakes  
They gave the One right.  
Carving the hard stone  
I revealed Myself

Lionara S.T.M.O.L.

# When?

Separation is death  
Death separates  
The most horrible death  
World to know you  
Death the door when hits  
Never open him  
Don't greet him  
'I'll come to your house'  
Tell him... to not turn back  
When I'll live the moment  
Happy Birthday to worth...

Lionara S.T.M.O.L.

# Where?

'Murder, murder! '  
Why don't I sound?  
Only a whisper went out  
I wanted to heard by Echo!  
To woke up the 'sleeping city' from dreams...  
Where are you; I cry to you... me, the silent man...  
Enjoyment is life  
Distant and foreign the works of Evil...  
Exquisite the natural conditions of moment  
A little more give me to live  
Only for me  
without ego  
by thinking  
without extra energy  
Deadly poison with antidote the joy!

Lionara S.T.M.O.L.

# Who Atheist?

For a piece of sky  
stand to exist,  
I came to Earth to be buried  
eternal will search.

One in my serenity  
and one to the light of rock.  
If only is hidden Your truth,  
of Beautiful immortals.

When I 'll leave, I'll be here  
vastness corner  
at your eyes playing hide and seek  
you do not see me but criticize.

Nature as I investigate  
I come to You.  
As much as I deny  
atheist will not be.

PS: 'The fire that leads to heaven is hidden in the secret place of the heart'  
(From book of Chopra Deepak)

Lionara S.T.M.O.L.

# Who?

After the cold pain  
Spring flowers came  
Melodies of nature enchant  
Birds still fly, in anarchy  
Continuing to destroy  
Scattered brushes  
Shuffled dream colors  
Messed up the sun  
Who will calm them?

Lionara S.T.M.O.L.

# Why?

Comes time that as you multiply, you can not go farther

Then you discover the vastness of spirit, knowledge and go farther

And further, with no top, you get mission, dedicating time

Fill gaps, rejoice!

The multiples complain annoyed... why?

But the confidence of the road don't imply you homecoming

Stops... only this

Discoveries I can't testify...

My lyrics I have for speaking parrot...

He is talking to the birds... they look at him... few 'people' understand him...

Lionara S.T.M.O.L.

## With Humor

What if my feather of wings can't longer see,  
It'll be there your nose to tickle,  
higher than you, to search,  
an uninvited, endless joy.

A resistance to what we can not,  
to all difficulties seriously shown,  
from above with bliss we encounter,  
how ridiculous the human misery!

Now you saw, lower the nose,  
All the happiness is on earth,  
move your hips like tambourines,  
misery amid the humor has forgotten.

Without malice, mockery, sarcasm,  
get in the twilight of jokes, in mess

Lionara S.T.M.O.L.

# Without Revenge

Let her go, to fly  
to fresh air

~~~~~

As she live and let hurts
in body the needle

~~~~~

She suicide on me  
slow is her death

~~~~~

Every moment is worthy
I don't want her loss

~~~~~

The sting of the bee  
my life (?) her death.

Lionara S.T.M.O.L.

# World That Seems And Not Seem...

At the buffet everyday objects

Bags, mobile, keys...

On internet reads her ideas

From shower dispersed in space her aroma

In frames stares her laughter

Melodies sounds selected from her

Some people leafs through albums of her life

Colorful clothes in the closet waiting

Bedside books stay unread

In the hall hanger, coats license

As emptied body

from purpose, dreams

In the fridge

Men in white looking cause

difficult task

Who sees internal wrinkles?

The house was crowded

with visible and invisible people

Their joy is not hidden

Cause passed their existance from her Love...

Cardiac arrest whispered...

Lionara S.T.M.O.L.

# Zealot Of Humanism

I made thinner all senses,  
to be understanding by quantum,  
the blueprint to know,  
which, man brings to life.

I analyzed all the fractals,  
nature's gives beauty,  
to convince all people,  
to embrace her.

The matrices have done their job.  
All with the same materials!  
Our evolution waiting us.  
Don't crystallize the Joy!

Only as a body or desire  
remains malice in the heart....

Lionara S.T.M.O.L.
