Nirvana Great Monk Oh Cho

Let there be river flow where mountains and greens could be hardly found
Setting a boat on the Milky Way where no river flowing and wind blowing
Now flying to the Oh-hyun peak far far away from Mt. Solack and Mukeum
Meditation Hall.

As I've seen your face it means you've been told everything from me
So you've seen my face it means I've been told everything from you
Once I would reach Nirvana of the absence of sound and sight
I'll never be back again whoever say whatever
