A Mother

Do you know what is a Mother?

A mother is a gift of god.

Always respect your mother.

Never disturb her.

She is the one who can help you in your need of time.

She can give you a suggestion that what to do in your life.

So please respect your mother and your any of the elder.

Friendship

A friend is like a flower
a rose to be exact
or may be like a brand new gate
that never come unlatched
a friend is like an owl
both beautiful and wise
are perhaps a friend is like a ghost
whose sprit never dies
a friend is like heart that goes
strong until the end
wher would we be in this world
If we didn't have a friend

Ramzan

do you what is ramzan?

Ramzan is the ninth month according to Islamic Lunar calendar. the people who keep a fast they think that they are fasting so if they do not pray prayers Allah will not punish them this is wrong in ramzan it is farz on us to pray prayers Some people think that one month of fasting is too much while others feel that its only one month where they can get their sins forgiven and get their rewards increased. May Allah bless us all and forgive all our sins and make us good Muslims and good human beings.
