A Smile Is A Thousand Words

How can one smile such sweet smiles,
When life brings me nothing but tears,
Smile is a sign of care
I smile when I am sad

I need a smile to glitter my world,
Smile is a magic, brings hearts together
Every smile has a rhyme
A smile is a thousand words

Smile when you see no reason for living
Smile for the good things in life
It makes your moment precious
Smile is the essence of life.

Always And Forever

Together you and I
Can touch rainbows if we try
Come together and be free
Love is being together
Together always and forever.

We belong together; the ocean,
can not keep us apart
We rise together, up into the sky
Our souls want to dance forever
Together always and forever.

Like two drops of dew
We were just meant to be
Held tightly in your arms
Two bodies, Two hearts,
One place, one dream.

You...
Me...
Together...
Always and forever...

Beautiful

I am beautiful
Not only because of the fullness of my lips
Honesty is beautiful
Talent is beautiful

You are beautiful
Not only because of color of your eyes
Beautiful that's what life is
Beautiful is what people think you are

Beautiful Songbirds at daybreak
Golden leaves raining from autumn trees
Listen to me when I say
' You are beautiful, beautiful, beautiful

The world is beautiful

Courage

Courage is doing what is right,
Courage it takes to speak the,
truth
Courage it takes to be yourself
Corage to stand out

Courage to be me
Courage is love,
It brings hope
Courage gives you the strenght,
To all weaknesses

Courage is something any,
one can achieve
The heart of love is,
Courage
Don't close your eyes on the wolrd,
There are many wo cares for you,
Face your life and its trials with,
a quiet mind and courageous,
Smile

Courage is my last name

Dance Dance Dance

Dance in the moon light with,
All the stars in sight
Dance to the smiles
Dance in the shadows my love
Dance dance dance.

You may think I'm crazy
I'd dance in the moonlight
I'll dance when I want to
Please let me dance
Dance dance dance

Dancer take my hand to your,
Hand
I need to dance
Close your blue eyes,
Hold me in your arms and,
Dance dance dance.

Dream Of You My Love

I dream of you coming back to me
Dream lover I need your love and care
Dreams
Like snowflakes
Ever unique and never the same

I dream of knowing your velvet kiss
Where I'm always with you
A dream of flying high with joy,
and happiness
I dream of your touch while you
are away.

I remember the day,
You came into my life
May I have next dream with you?
You are near to me in my sould
When I dream of you

Maria Luisa Taylor

Evil, I Call You! !

Evil

Don't listen to a word they say
Will let you be alone at times,
Needed most.

That evil eyes looks at you,
and lies
All the hateful things you said
and what you've put me through.

Evil

In the heart of people
Evil
Wont care if you die

Evil

Is all that I can perceive in you
So is your dark side,
Your evil.

Evil is you.

Maria Luisa Taylor

Fear

Fear of confusion,
Fear is always there,
Fear stalks there,
Fear stalks us,
Fear of you

Fear is the smell of,
malicious grind of,
a walking devil
Fear of truth,
Everyone has fear

They don't even know,
where it comes from

The feeling ruling and,
ruling this world

Fear of tomorrow
Fear was my one true enemy
Fear loses when I am close,
to you.

Maria Luisa Taylor

Happiness

Happiness give me the strength,
I need
Happiness teaches us what the,
life means
A loving word and gentle kiss
It's like a sunflower; it follows,
the things you enjoy in your,
life

Happiness is the key to success
Happiness never takes you down
You are my happiness
You sooth me when I am angry

Eliminating passion is not happiness
Happiness is
Having someone by your side to,
love

One thing is happiness to me
is you.

Maria Luisa Taylor

Here You Are Again

Here you are again

Back in my memorie
My memory of you
No more lies, no more fights

Time and memory...

Hurst and blames always,
leaving their mark
I dont ever want to remember
That sadden sife of my life.

Memories turn into tears,
Pain and lies only sink,
into grey.

Memory
Here you are again,
Back in my memorie tearing
My heart apart.

Hope

What hope means

Hope is candle in the night

Hope is the beam of light that shines in the darkness

Hope is nothing if you don't believe

I hope that you will shine, as the brightest star

What I hope for is that hope itself is not lost.

When I have nothing left to believe in

Hope gives me the courage to old on

Hope comes when there is no way in sight.

I hope some day you feel my pain

I hope

We can be like this forever

I hope

We can hold hands each other.

Some people say I am a
Brave woman,
A great woman.

words I speak.
I am me.

Woman...

Woman is a heaven,

I am a woman.
Always beyon
Comprehension.
I am unpredictable
Independent woman.

Woman...

A beautiful woman I am.

Woman...

You the essence of the heart.
I am me.

I am a woman.

Maria Luisa Taylor

I Hate Everything About You.

I hate those who lie
I hate you
I hate your lies.

I do not know you

You
I hate that you say you,
Care but you don't.

I hate everything you,
Said.

I hate your voice
I hate your looks.

I hate you.

I hate when you're,
Mad and take it out,
On me.

I hate the way you,
Talk to me
I hate the way you,
Make me feel.

I hate you.

I hate you for lying
I hate how you say,
You love me.

I hate you for treating,

Me soo cold
I hate you for who you,
made me.

I hate you.

I hate that you fooled,

Stay down low.

Made me feel
I hate that you hurt,

All on me

And broken promises

Maria Luisa Taylor

I Hope You'Re Proud

I hope you see what you have done
I hope you once loved me

I hope some day you feel my pain
I hope your heart breaks jus like,
Mine.

Pain running deep...deep down,
Into my soul.

I hope it hurts you.
I hope you get what you deserve.

I hope you find yourself
I hope you're happy now.

I hope you miss me.

I HOPE YOU'RE PROUD.

Maria Luisa Taylor

I Need To Believe

The truth cleans your mind
Truth refreshes
Truth is solid
Truth is beauty, beauty is truth

The truth will stand when all,
else falls.
Truth is never broken or hurt
Truth is being honest with one another
Lie... People say lies in order to cover
The truth.

What is truth?
Truth is... H'ard
I need to believe the truth in your words.
I need to believe.

Maria Luisa Taylor

I See A Star Tonight

I see a star wondering what is doing
Twinkling all the night
Star light... Star bright,
The most beautiful star in the sky
Sparkled like a diamond

I start to make a wish upon that,
Wishing star,
My lucky star
Shining with joy, ever so brilliantly
Shining star, shining star

You are my guiding star
The brightest star
The innocent star
Twinkle twinkle little star.

Maria Luisa Taylor

I See Something Wrong

Some people care about,
you.
Some people don't care
Would people listen to,
our lies?
Why are people abused
I see something wrong
There are pretty people
There ugly people
People play
People talk
I'm tired of people messing,
With me.
I guess people hate the truth
Some people are bad
Some people care
Others don't
Why do people cry?
This is life
I don't understand
Some people like to talk
Some people like to walk
Why people argue over nothing?
People act crazy
Why are people always cheating?
People that are lost
I admire people that have respect,
for others.

We are the people of the earth
What really goin on?
I really don't know

Maria Luisa Taylor

I'M Feeling All Alone

I've always said this is a big big world
And now I'm lost in this world
Lost feeling...
Lost love...
Lost and confused,
Even broken and used.

Lost everything for love
I'm so lost
Im dying inside
When trust is lost, how can things,
move forward?

I'm feeling all alone
I'm lost in my feelings
I'm lost in everything.

I lost him...
I lost his heart.

Wanted to write a poem
But lost the words
I've lost everything and I don't,
Know why.

I'm lost in this world
My mind is lost
I can't seem to trust anyone
Thoughts of nothing
No dreams or goals
I'm lost in this world.

Maria Luisa Taylor

I'M Running But To Where?

Running, running
There is nothing left to do.
Running...
Away from my tears
Away from my pen
Running to know who I,
am.

Running
But you, don't know what,
You're,
Running from.
Running in circles
Going nowhere.
I'm saying Goodbye
I am running away.

Never stop running
Words running through,
My mind.
Running away,
Like the coward,
Like him
Horrible words
I am running and running,
For you.

I m running but to where?
I can't believe
That I've put up with you lies.
Im running from the past..
Running out the pain.
Running with out you.

Inspiration

Inspiration by the light of day
Love is the inspiration for the
Heart to sing a tune
What gives inspiration to you and me

Inspiration really comes from everywhere
Love conversation you've shared with,
me gives inspiration deep inside,
My soul

Inspiration It help us to learn
Inspiration comes from deep within
Inspiration takes my pain.

Maria Luisa Taylor

I've Been Betrayed

Trust is very big word
A light that shines in your eyes
Trust is faith
Trust is something you believe in
Trust means the world

Without trust there is no love
Love and trust should walk,
Hand in hand.
The man I loved
My trust was broken
I share with them my whole,
Life.

My heart is empty
Its cold as ice
I feel lonely
How can I trust you
After all the lies you told.

I've been betrayed
I thought I could trust you
Never thought that you,
could do that.
I feel lonely
Feeling scared
My heart is broken
I've been betrayed.

Maria Luisa Taylor

Kiss My Heart

Kiss me and hold me tightly to you
Kiss me like a flower in the sun.
I can feel your magical touch.

kiss me softly
One more kiss
The kiss of passion
kiss, like wind on air.

Kiss me please
One kiss you gave me
Kiss me, kiss me.
The warmth of your lips.

Come and lay beside me
Love me sweetly
Love me... kiss me one more, my love.
Your soft lips against mine.

Kiss my heart and say I love you.

Lonely.

Lonely on the land I walk
Lonely are the nights
Lonely are the days
Lonely and empty.

A lonely star in the night sky
Alone in the walks of life
A lonely day
A lonely tear falls down.

I am lonely and I am scared
Only one star graces the blue sky
As lonely as me.
Hold my hand.

I feel lonely, very lonely.

Lost

Lost in thought
Los in fear
I am lost in your heart
Lost in a world, that scares me to death

Lost poem
lost feeling
Lost in the dark
Lost in the memories and wonderful sights

Lost cares
Lost everything for love
Lost the winter
Lost the summer

Needing to find myself,
but i dont think I can

Maria Luisa Taylor

Love Me.....

I want to be just you and me
I can feel your warm skin below
Vibrant colors flying of gift giving
I want to love every inch of you
Like the rivers flows tirelessly
with hearts beating as one.

Love Me....

Ignite the passion
Because passion is where I
Belong.
Your lips moist like the dew,
Drops on a rose.
Passion burns
! Faces face.

Love Me....

Lying in each others arms
Wanting to feel your touch

Love Me....

I want to be just you and me.

Music Can Tell A Story

I hear the music
Music is love
Music is life
Music can tell a story

Music cheers
But also brings memories
What's so special about music?
When I listen to music it takes me'
to another world.

Music is my passion
Music soothes the soul
Music can take away the pain
Our life is music.

Music inspires me
The music flows through me
Do you hear it?
The beats of music.

Come dance with me tonight.

Maria Luisa Taylor

One Lonely Tree

Lonely are the nights
Lonely are the days
Alone in the walks of life
One lonely tree
Lonely on the land I walk
Lost, wondering, confused
Like the lonely winter tree

Lonely smiles
On tears lonely lonely cry
I'm nowhere to be found
I feel lonely without your love
One life with a lost soul.

Lonely.

Pain In My Mind

Pain in my mind
Pain is what I go through,
Everyday
This pain fills me
Pain stuffed inside of me
Pain of stress on my life

You can feel the pain in my heart
I hide the pain behind the smile
I see myself in the past and I,
Dont want to return
I never knew how much pain,
cant hurt.

The memories of pain live,
on and on,
So much sadness in me
Years have passed,
Life begins again.

Maria Luisa Taylor

Painful Tears

I hurt inside
My heart is broken in two...
Do you see it bleeding in,
my hand?
A heart that's bound in,
Agony
My mind says to hate him,
My heart say you know you,
Love him.
Paint a smile on my face
try to hide the pain.
My heart is bleeding,
Because of you.
To you I entrusted my heart -,
My very soul
You make my eyes cry,
Drowning internally in these,
Painful tears.

My heart will never trust you
I still hurts soo much
I'll never let you in.

I don't know why you broke,
My heart and just tore it apart.

Only because of you.

Maria Luisa Taylor

Passion

Passion for the stars
Passion for the ocean
A moment of passion so easily shared,
With no fear or regret.
Passion is the eagerness to wake up with the light

A moment of passion I'll never forget
My passion found me
And what is my passion?
Passion and lust takes my mind

Passion the power to love,
The speed of passion: Furious
Passion is something you see
Passion is something you are.

Peace

Peace to the world
Like a flower in the sky
Peace
Peace-overcoming evil with good be
Peace

Give me peace I won't cry anymore
White dove symbol of peace
Peace can be found deep down in the heart
Peace in the winds that sleep upon the deep

I want peace
Peace in my personal space
I want peace in my feelings
Cloth me in white
The color of peace

Maria Luisa Taylor

Silence

Silence means you never hate me
Silence means you need some time
Silence force that drives the world
Silence

Silence when we think
Silence is an absence
Silencio speaks
Silence is what I fear

The silence cry
Frozen tears of the heart
Silence seems to be charming
In silence I'm missing you so much

So Angry, So Sad

Anger is a form of fear
Anger is a force that can never die
Anger building up
Anger is a virus
Anger is a like vicious circle it goes,
around and around
Anger,
The root of all evil
Anger is such a strong emotion
So angry,
So sad
Anger is bubbling away at me
I have good reason to be angry
No one understand,
No one cares
It tears out my heart

Maria Luisa Taylor

Sometimes

Sometimes I feel alive
Sometimes I feel dead
Sometimes, I want to laugh

Maria Luisa Taylor

Sweet Kiss

Kiss me,
Kiss me and tell me everything,
will soon be okay,
Kiss me slowly
One more kiss to keep me,
sane
The kiss of passion

Kiss me with promises that,
you'll always be there
I can feel your magical touch,
When you kiss me
A kiss from your sweet lips,
Last a lifetime
That kiss

Your kiss,
The taste still lingers on,
my lips
I feel its presence there,
A forbidden kiss
Kiss me tonight without,
Saying anything

Crawl your lips on mine and,
give me a kiss
Kiss me like you have never,
kissed before

The Child

Deep down inside there's a child,
A child that's abused,
A child that couldn't smile,
A child that a sick person,
used

Give this child what she needs,
Love, shelter,
Inocent child
Love was a child who smiled,
Love was a child who jumped,
in puddles in the rain

Beautiful child, being so small,
You inspire me soo big
Precious moments my san,
first steps,
Sweet is the smile,
On the face of a child

Listen to the child in your,
Heart.
Dear God, take care of,
The little childs on this,
World.

To be a mother is the most,
Beautiful feeling in the world.

Thank you God for my child.

Maria Luisa Taylor

The Memory Of You

You walked in to my life,
Of those great moments,
when we are together.
In my own remembering,
I can see so many things
His blue, blue eyes
Are just a memorie.

Oh sweet memorie
Its painful to let something,
go, after so long.
Your memorie,
Tearing us apart,
Fear of moving on.
How we used to love each,
Other.

No more lies
No more tears coming from,
my eyes.
You serve as my sunset in life
The memory of you
You loved me from the star.
Moments I treasure.

Memories
I wrote your name in the,
stars.
I still love him.
The memorie of a kiss
I close my eye's,
You become just a,

Memorie in my life.

This Living Thing Called Love

I reach out to you with longing arms
But I feel nothing,
This living thing called love gets,
Inside you burrows itself deep,
in your heart it can either give
you great joy or it can rip your
world apart.

You can't escape the hurt
You can't dogge the pain
It comes down and slams you
Like a vicious torrid rain.

I guess I'll have to leave your side
And turn my face around although
It hurst so much inside
Although my soul will die.

I wish you could remember
Everything we share.

I reach out to you with longing
arms...

But I feel Nothing.

Maria Luisa Taylor

Time And Time And Time Again

Time created the universe
A time to fill our hearts,
With joy
A time for silence and,
A time to scream.
There is a time for poetry

Find time to embrace,
Someone when they,
are cool
Time to love and laugh,
one more.
Its time to be strong.

Times fades the cuts,
but the scars never,
Go away
Time and time and,
Time again.

Somewhere in time,
We fell in love,
Make up your mind,
Take me or leave me.

Time is something I,
Dont have.

Tired Of Living A Lie

I 'Am sick of all the crying
I 'am sick of not knowing
I'am sick of not showing
I' am sick, of people
I'm sick of pretending is
all perfect.

Tired of living a lie
sick of loving you
Tired of the tear I cry
Sick of anger
Sick of pain in my heart
Sick of having to do this
Again.

Veronica (My Loving Dog I Miss You So Much.)

The most beautiful star in the sky
A star that looks down on me
That star shines brighter than light
Very loving you are, and love you
I do.

You my wonderful delight
A star magical
Shine and shine my loving star
My star is always with me.

So special to me
Way out in space
The brightest star in the sky
O star, how I miss you.

I miss you, my dear friend
I see you light in the night
Shining very bright
The most beautiful star
On the sky.

What Is Beauty?

There is so much beauty in life
Beauty is a gift of God
Beauty is in the heart wick touches,
another
Simplicity is beauty.

Beauty of sun setting in to ocean,
in evening
Truth is beauty, beauty is truth
Beauty is the best treasure for,
one's eye
the beauty of a love that is real.

Bright colors of the rainbow,
the beauty of spring
What is beauty?
Beauty is you.
