MONI ROY GHOSH()

Love Desire

** 'When did you realize that you loved so much... When did you come so close,
did not you know.....
Where have you been?
Why or why?
Maybe I had a fault, I could not find you like a treasure, maybe too close to me, I
did not want it, maybe you could not even recognize me.
It was too late to find you that a lot of late,
Today I am not entirely yours... today I am someone else, even though he is not
the owner of my mind, it is very straightforward to understand that he is just
owner of the mind, he only knows my body, he still did not know my mind....but
He claimed me...But never touched the heart, .I'm the only body to him..... He is
happy with that, it is hard work to know the mind, ... It is a difficult task. It is
easier than body shade, I do not know whether I will be born again or later. I do
not believe in any time But, I have heard that incomplete souls are born again...
I am also not satisfied, I did not even thirst,
Thirst for love..... I will be born again with thirst, I will find you again, no, no
more... will not be wrong now, to recognize you, take you to yourself
completely....

Vagabond Mind

I did not talk to you long ago
I have not seen much in your eyes.
The two eyes which made me feel confused.
What did you think you forgot?
The rain is like a wet, unsteady bird
Find the missing memories of today.
Burned in the sunny sunlight
I repeatedly saw the courtyard of the mind
The rain water can not touch
Just in the sight of the uneven desert.
One way to avoid depression and despair
I'm tired of today
As far as the eye goes, no, neither you nor...I'm just lonely..
