# A Friend Of Mine

A FRIEND OF MINE

by: Monica Sevilla

'If ever should my body,  
Lay touching yours alone;  
As we explore each other,  
Like two souls coming home.  
' Once in a lifetime comes a love,  
So sweet, so pure, so rare.  
A flashing, brilliant, blinding light,  
Like a comet through the air.

A love without rhyme or reason,  
That knew no space or time;  
Wrapped itself around my soul,  
And captured this heart of mine.

A once in a lifetime dreams come true,  
Of a love that knows no end;  
Had been there with me through the years,  
In the one I'd called my 'friend'

There was something there so special,  
Mere words cannot explain;  
The way our hearts were intertwined,  
And how that still remains.

A fabric woven tightly,  
Each strand a color rare;  
An intricate pattern of richness,  
With beauty beyond compare.

Once in a lifetime comes a love,  
With no beginning or no end;  
The sweetest gift I ever shared,  
With the one I call my ' friend '

# Angelmine

ANGELMINE

By: monica sevilla

Unexpected and unprepared  
That's how you entered my world  
But you bring me so much happiness  
That no one can told...  
Days are passing by, that I've made  
So many mistakes and shed so  
Many tears, but just a smile from you  
It takes it all away, and i can make it through  
Every time you are with me...  
My searching is over, my despair days have gone  
Because I've already found my real  
Precious one! ! !

# First Love Never Dies

'First love never dies'

by: Monica Sevilla

You are the one who showed me  
What love means and I am the one  
Who showed you how love hurts...

I regretted the moment i lost you  
In my life but i know its too late  
For me to realize because there's  
Already a big change in our both lives...

How i wish i could be worthy, that  
Someday you would be my destiny  
But i know this can't be because you  
Already love somebody else not me! ! !

The memories we shared will remain  
Forever in my heart and even though  
Destiny takes us apart, I want you to know  
That you will always be my 'FIRST LOVE'

Till the end of my life! ! !

# If Were Not Meant To Be

In our lives, many people just come and go  
That brings happiness and sadness too...

That's why when you came to my life  
Im always ready to face strife just to  
Hold you tight...

But if GOD prepares someone for you  
Then I have nothing to do  
But just to accept the fact and pray that  
She will love you more than I do...

And if one day you will just walk away  
From me, I want you to know how much  
You mean to me..

IF WERE NOT MEANT TO BE! ! !

# Love At First Sight

'Love at first sight'

by: Monica Sevilla

From the day i met you  
Until the moment you've gone  
From my very sight, I'm always  
Wondering about you and I can't  
Avoid the fact that you're always  
On my mind! ! !

But i don't wanna be fall again!  
I don't wanna risk my heart from breaking again  
But i do believe everyone deserves a second chance  
And i want to give my self that chance...

I wanna fall for an imperfect person  
That would love me perfectly...

And i wish that someone is YOU! ! !

# Love-Taking Risk

LOVE-TAKING RISK

by: Monica Sevilla

I loved but been hurt,  
Cared but been taken for granted,  
Trust but been betrayed..  
All my life, ive waited for someone  
Someone who'll sees me like im the only woman on earth  
Someone who'll treat me as precious as gold  
Someone who'll never ever leave by my side...  
And if that someone comes? ? ?  
I'll swear to GOD! i will dedicate my whole life with him,  
Faithfully be his woman, and love him till eternity! ! !

# Miserable Life

I hate my self  
I curse the day that I was born  
I wish to die  
So I could not feel the pain anymore

But life must go on  
Fight! Dream! and Move on!  
And you'll see that life is ain't that bad  
You just need to learn the GAME  
Aim to WIN and you'll never be sad! ! !

## Mr.N

I'm quite nervous and excited  
wondering if its real, but i can  
feel the cold that runs through  
my veins, facing the unexpected  
situation was never in my dreams...

Trust is what i seek and i found  
in him, when he met me at the  
airport, the feeling i have, i cant  
explain, but one thing i remember  
i feel so comfortable like I've known  
him for so many years...

the two days we spend together  
the way we talk, laugh and held each others  
hands, are the best things that happened  
in my life, it feels so good that it makes me  
forget the differences we had...

but everything has an ending  
i have to leave and say goodbye  
i know that he has a million girls out there  
but all i can say 'if i can't sing the song right,  
i would just love it hear sang by others' So  
if he cant find the happiness in me then i would  
just let him go and just pray to GOD that he could  
find true love and contentment like i do! ! !  
(when i found you..MR.N)

# Simple Star

You came to my life unexpectedly  
Like a thief in the night that  
Stole my heart tenderly

When the day came that you  
Owned a part of me, I ask myself  
Is it you my destiny or just my fantasy?

Every time we were together  
I'm always wishing that like the stars,  
We will stay forever

So now please don't leave me  
Because for sure the hurt and pain  
Could only kill me! ! !

I know that day will come  
You will be far, that's why  
I want you to know that you're  
My one and only 'Simple star'

# Sunshine After The Rain

Life in this world is really wonderful  
Though sometimes we experienced the pain,  
Still we know that there will be  
Sunshine after the Rain...

Sometimes we feel so alone  
Thinking that the world would end so soon  
But my friend there's only one decision  
That you should never forget and that is to  
Reach GOD'S hands that's for sure  
You will never regret! ! !

Perhaps you may stumble  
Perhaps you may fall  
But then, GOD is always ready  
To answer your call...

So whatever your cross  
Whatever your pains, you should '  
Always remember that there is  
Always GOD! who will never ever leave  
Your side, HE is the sunshine after the rain  
So, just call HIS name! ! !

# Unexpected Love

UNEXPECTED LOVE

by: Monica Sevilla

In unexpected way and unexpected time  
I met someone whom unexpected to be mine  
A night of February when i met the naughty boy  
Named ' APPLE REY', that night i think i found  
The true treasure of life's beauty...

At first i was confused, if hes love for me  
Is really serious, but I end up loving him  
When he proves to me that in his life  
I'm really precious...

We call each other as mine, always wishing  
That someday together we will be bind and  
Love each other till the end of time! ! !
