# Robert Lynnn()

I was born in New Jersey.

# Bitter Cikolata

Did you know that bitter is awesome?  
I think it is.  
You should ask me why?  
Then I would say Behlul loves 'bitter'

When you think about haramidere,  
What comes into your mind?

is there any value?  
who says there is value?

I always say;  
nothing will happen if you try once

Robert Lynnn

# Bla Bla See

I think somebody goes there  
What you think matters  
What they think don't really matter

have you heard it before?

Robert Lynnn

# Canpare

who is canpare?  
where does she come from?  
who eats it?  
is it delicious?

no water here and there  
what can you do without water?  
can you sleep or play?  
what's nct's position here?

i say no work on saturdays for nct kind  
there is no need  
no need for speed  
just do the dew

Robert Lynnn

# Come To Action

Tell me all  
Tell me all about action  
They used to say  
What happens in aksaray stays in aksaray

But, now I wonder  
I wonder what happens in yellow value's place  
I've asked many times  
To show value that's under the table

If she respects  
Then you obey  
If she rejects  
Then you swing

Sealll the plan  
Sealll the dream  
Sealll the passion

Don't ever stop  
If you stop there,  
nobody is there to support you

# Désir

mon désir  
est toujours la même, partout où la vie  
dépôts moi:  
Je veux mettre mon pied  
Et bientôt tout mon corps  
dans l'eau.  
Je veux secouer un balai de graisse  
Et balayer les feuilles séchées  
fleurs meurtries  
insectes morts  
Et la poussière.  
Je veux grandir  
quelque chose.  
Il semble impossible que le désir  
peut parfois se transformer en dévotion;  
mais ce qui s'est passé.  
Et c'est ainsi que j'ai survécu:  
la manière dont le trou  
Je soigneusement entretenus  
dans le jardin de mon cœur  
grandi un coeur  
pour le remplir.

Donating means saving a life

Donating means caring

That's why we should all donate blood

I say there is no sugar

does it sound like i am making fun  
i only talk about pure value

but only sometimes  
pick your color now  
and let me know

Robert Lynnn

# Let The Journey Begin

We have waited enough  
We have imagined enough  
We have seeked for the best for long time  
Now it is about time

Robert Lynnn

# Let's Go Home

Haven't I told you that being alone is not the answer?

So, let's go home.

Let's forget everything.

Enjoy the rest of our lives.

Let's be home.

Let's stay home.

So, just let us go home together.

Robert Lynnn

# Nct's Coffee Game

Once upon in a time of happiness  
NTC pops open an interesting offer  
Not tea actually it is coffee  
What shall we do now?

Is it the coffe or time with thee  
What's in the mind of ntc?  
Is he still digesting the result of elections?  
Or is it time to get over it?

Ntc's revenge is nowhere near  
but in his mind there is a big fear  
ntc's coffee is not a value  
comparing it with the tea..

hey handsome, hey master  
tell me where you stand  
will you stand by me against akp?  
or will you punch my now and let me bleed for free?

Robert Lynnn

# Neco Therapy

When neco is inside the play  
it becomes a therapy  
for all the questions regarding tea,  
yes man it is turkish tea

our heart will always seek earl grey tea  
no matter how much i hate tea  
i seem to like it when nobody is around  
that's my taste of life

I bullshit just to get attention  
I have my stripes every single day  
those stripes define my character  
ntc's the man, what can you say?

I have a friend,  
I like his color  
he gives me hope  
just like my father

we are from the same tribe  
we both want to just talk  
if you make us stop talking  
we will start shouting

they offer ntc job  
then he flies to happiness  
what can you expect in ist?  
other than staring at girls?

ntc's passion  
is saz's coffin  
until 2040 they should be free  
live, laugh, enjoy and leave for good

# Oh My Lady

hey sexy lady  
i'd like to party  
until the moonlight  
since everybody is gone  
what can I say sometimes  
it all started with nct  
then went on to e b  
place is empty now  
but wait  
saz is still active  
isn't she?

so, what should we think  
pray for nct's comeback or what?

new lady upstairs grabs the attention of ae  
but ae does not possess any merhametee

b is so happy in ybosna  
and i watch bosphorus for the sake of humanity as a whole

is anybody playing piano over there?  
tell me the latest pals

Robert Lynnn

# Once Summer Comes

It burns sky  
It burns ground  
It burns the blue  
It burns my heart

Robert Lynnn

# Once Upon A Time

Once upon a time  
a boy wen to phuket  
not knowing where it is  
not knowing who lives

phuket is an island of joy  
it means people want to stay  
and enjoy the show

Robert Lynnn

# One New Family

Nct  
Brother  
Sister  
Aunt  
Father  
Uncle

That's a one happy family  
And what are they missing now?  
Yes, it is their grandmother..  
I hope we will get a chance to see  
their grandma at some point in our lives.

They did something wrong to sell  
in the wake of hm  
i don't think he is happy now  
but where can he go?

can you ask him to leave oz?  
is it worth leaving such a value?

bt does not understand my poems  
from time to time  
but whenever he watches the cats  
of hoca,, he understands the whole story  
so what is behind this idea?

are we saying goodbye to nct?  
or do we have more days to spare?

what do you think about europe  
when saz takes place in the middle?

who wants her to come back?  
anyone?  
may be lamp producers of our country..

Robert Lynnn

# Punto

this is punto  
get ready  
it is about to get heavy  
just follow your instinct

Robert Lynnn

# Saved By The Bell

It is all right  
We are saved by the bell

No matter how much time passes  
That bell will ring again

Robert Lynnn

# Selfie Selfie Lady

Kaybet bu öfkeni,  
İçinde sakladığın.  
Terk et o derdini,  
Benden almadığın.  
Sabret sonu aynı değil!  
Söylüyorum.  
Dinle, rüyaların her gün aynı,  
Olmayacak!  
Şimdi vazgeçersen geriye döneceksin,  
Gitme! Kaybedince daha çok seveceksin  
Biliyorum, hiç bir anlamı yok:  
Yokluğunda, yokluğunda, yokluğunda...

# So Many Days

Robert Lynnn

# There Comes Victory

Victory is hope  
It is a goal  
Without victory  
No meaning at all

When you go for it  
Go for the big goal  
Make sure you hold on to your dreams

Robert Lynnn

# Time To Say Goodbye

Yepp

It is about time now

No more lamp

No more noise

No more nonsense

At least for couple of days

Isn't that great?

I think it is.

Unless we get caught by NCT  
our life should be happy for some time.

And what if there is a surprise?

What if saz never comes back?

Then we have to celebrate this...

Robert Lynnn

# To Whom 'it May Concern'

Life is full of colors  
These colors mean a lot  
Yellow means enjoyment  
Brown means happiness

Robert Lynnn

# Too Soon

don't go too soon  
don't leave too soon  
don't judge too soon  
don't lie too soon

don't feel too soon  
don't tear too soon  
don't shake too soon  
don't fake too soon

Robert Lynnn

# Trial And Error

Robert Lynnn

# What Is Value?

Value is beauty  
value is fame  
value goes around  
value is game

sell goes to pick apples  
we watch him fall down  
then he says there is value  
in this tragedy

sell dreams  
chicko cleans  
whole world blinks

Robert Lynnn

# Who Loves Nct?

Nct's an asset  
Nct's got talent  
Nct loves bullshit

One day NCT runs in with pure happiness  
next day Nct is sad like a moron  
and we say keep going on

so what makes Nct so special?  
is it the attitude?  
is it the atmosphere?  
is it the offer he's getting?

is that an urban legend?  
because I know Nct is a legend  
in his hometown

I wonder about the spark  
we can see when Nct goes to sazz  
whose got more value

nct's mission  
is saz's addiction  
nct never grew up to see  
a forest
