10 Steps To Live... ;)

123...be your self and see...

456...that everything will fits...

789...you will be just fine....

and when you get your 10
enjoy it, with every single thing

so kiss your pain away
and live your simple day

not every chance we get
will wait for you and sit

just do what ever you can
and be your biggest fan

winner or a loser
you are the chooser

life is too short
so, sit your goal and score.... ;)

A Dream

he is a dream that will never come true
he is a wish that am never gonna live
just an eye contact thats what i wanna do
because passion thats what he always gives
he belongs to Another heart but i belong to his
even if we are a part
in my mind he always exist
i love the look in his face
and the smile on his lips
his vision in every place
and he will always live in depth

A Man For A Woman..

we say we better off like this
hummm....! ! well, we actually lie about that
to find a man to be with...
like he is the mouse and you are the cat...

pretending that you don't need eachother
when the two of you really matter

'she can't live without me...I am the manhood she needs to see'...said by he! !

"take it easy man "...said by me
the prince wont be... without his princess
as much as you trying to hide...you always need her by your side
and also for you princess... show him some forgiveness
you need his care....we need his tenderness..

it's a matter of give and take
to achieve the safety you always seek.

show passion for him... take care of her
stay close and never be far

she is your woman... be her man
win her respect as much as you can

never come to her and say....
" ooh..you will be better off without me.."
" you are to much for me to see "
" i am sorry my lady am not the man i Supposed to be "

those silly words never be saying by the real man..
becuase the man she needs.... is the one who always can..

P.S: she is your lady.... keep her that way..or, someone else will..

A Pray

someday the sun will rise
and i will be on my way to paradise

and in your heaven let me be

thank god i am Muslim..

Am In Love

am in love, yes it is true
i feel it inside, and i feel his too
but my love for him is bigger than i thought
with all his passion and the joy he brought

even if we are a part
i always feel his heart
i would do the impossible
just to touch him and makes me tremble

i wanna die hear his voice whispering in my ear
saying i love you here and every where

baby...even in our bad time
you will always be my love
over all the things in my life
you will always be above

you found me.....and i think am lucky
that i ll be yours and you ll be my lovely hubby

i know your love its not like mine
because my love for you is out of lines

am giving you my heart, my love, my soul
thats mean am giving you.....my all

so don't you break my heart
because after you, i don't have a start

its an honor to be your bride
and thank you for what i feel deep inside...

Awakening

i miss your face...! !
.....hopeless case
maybe i miss me around you
but its not right to feel that too
i want you out of my heart
cause its over and we are apart
so why u still inside...!
no matter how much i tried to hide..!
as much as am lucky that am away from you
being a way from me and feeling lucky..! !
oh no baby....you will never do
you are a weak man and i don't need you
as much as i can i ll eliminate you
search all of your life
you will never find Another me
and thats not an Arrogance
but its something you did see
i was the candle that lighted your soul
you simply lost it, and so you will lose all
don't feel Stupid over this behavior
for me its a favor and am so thankful
u must feeling good that u have been mentioned in my poems
but don't be, cause i also write about how it hurts my foot to a wear a new boots
so in the end, its all kinds of pain
that comes and goes over and over again
and am strong enough
no matter how this wound is tough.....

Be Free...

luckily... not married to a stupid one

cheerfully.. not engaged to a selfish man

thank god.. single from men's headache

so..... i am just me

in a simple life, i wanna be

with a peaceful days, that i need to see

friends and family, around me

to all the single ones.....you are FREE

samah elhawy

Broken Smile

smile... with a broken lips

cry ... with a dry tears

you came to a point... you breathe no more

you want to be listened

but the words are gone

screaming through the silent

heartache... the unstoppable kind

whatever you do.. still.. there is no light

keep going into the valley of dark

it's your only way to pass this life

hoping to see the shining day..? ! ! :)

you are a master now of hiding your pain

you did it a lot... you can do it again

just keep the smile with the broken lips

that's your only gate to the heaven you wish :)

samah elhawy

Contract Of Love

as much as you need air
as much as i need you
i always ask a prayer
and you should do too
i love my self for being yours
and i wonder if you are mine
your love taking me in tours
which with me its fine
between us a contract, its called love
was sent by an angel from up above
thank you baby for the way i feel
we will be together, , and that's a deal

samah elhawy

Dady

god.. let my father rest in peace
and forgive him in every case
i know there is always a chance
so please erase all his saints
tell him i miss him so
and to him, i wanna go
i want to feel his arm
to protect me from harm

samah elhawy

Eagerness

its so hard when you need someone so much.....and you know he will never be near ﻿

you are despair to feel his touch..... but he wont be here

trying so hard to let go..... and that's all you are trying to show

but deep inside....you craving for him like a baby

to hold him tied.....and wondering maybe

laughing so hard... through an empty smile

tears falling you a part...like walking thousands miles

coz missing someone... is a painful case

its like looking to the sun.. with a burning face

it eats you inside out.....makes you wanna scream cry and shout

still miss him right? !

i know....

just be calm and quiet

one day you ll see him at your door

and you ll miss him no more

but if its not and your door is shut? !

then he is not the one to love and to adore....

so stay close to Allah... coz he is your savior and that's for so sure...

samah elhawy

Egypt

the base of humanity
the heart of history
called Egypt
the art of loyalty
the home of safety
means Egypt
the great land
the gold sand
it is Egypt
the mother that hold us all
the achievement of every goal
the house where every body is welcome
the place of honor and wisdom
the power of the great soldiers
and over that this country is immortal
so people out there..! ! be careful and respect the respectable because its not
always will be forgivable
for all the Egyptians out there.....
we are the pharaohs
no matter who will stupidly dare.....

samah elhawy

Enough.! !

enough , ! ! ., I will listen no more
I'm done! ! , of that I m so sure

where is the ear, that could listen to me?
where is the care, that I need to see?

I'm not gonna live like this
like a cheek without a kiss

this silent, I shall break
to make it true, and finally speak

stop talking, , ! because I'm not gonna listen
no matter why, no matter how, no matter what you will be given

I can see the sun now..!
she is rising up above
she is listening, she is covering me with love
she is wiping a way my tears
and that's made the pain disappears

over that, I'm getting free
living this life, just for me

and I will move on, no matter what or who will be gone

samah elhawy

Fantasy World...

in another world... when we are horses ﻿

when you are perfect.... and i am gorgeous

when you are my hubby..... and i am your mate

when we are so happy.... it will be great

in a fantasy world... where you near by

with all our passion.... our limits is our sky

i know its a dream... it may never be

but i love that dream... even if its hard to see

but we can do that (my perfect)

right next to ME..(your gorgeous)

because we are... pretty strong horses

samah elhawy

Friends

when we talk a bout friends

it means forgiveness

he is the witness on your life

the happiness of your time

the tears when you cry

the water when you dry

the soulmate for you

and he is you partner too

sometimes he will fall,

so don't you leave him at all

sometimes he will do mistakes

so take it as a pace of cake

be close to your friends, love them, protect them, and they will do the same

so.. tell them you loves them

samah elhawy

but i found my way.....
....he is gone for good
with nothing to say
sometimes i wonder how is that happens...! !

.....praying for him the best
and to take a way the weight on his chest
...good bye the man that i thought you were

my days will come, and...with a true love i ll be living
.....with a true passion i ll be given

samah elhawy

Great Love

we all need to fly
and rise our heads high
because we have Allah above the sky

Happy New Year.

a new year is a bout to be...

a new chance is a bout to see...

step in and wish for the better

start a new beginning as you live for ever

dropp all your badnessand start it sad-less

it's a new page.. write what you want

find your goals.. and make it a front

you will live once... so that's your only chance..! !

make every moment a special...

no matter how much you see it ' little'

so.... go for it

try to improve it a bit

always keep in mind....

that Allah is so close to find..

watching us... protecting us...here and everywhere...

so let's wish for a happy new year..

samah elhawy

He Is All That...

when am just simple, he makes me feel beautiful
when am being spoiled, he thinks am adorable

i love the way he looks at me
it's like am the most pretty girl in the world

safe and caring.. that's what i feel
and with that person am so proud

i know nothing is forever but that's how i feel when we are together
i know love is so hard to keep but what we have is so much in deep
i will always say.. this simple pray that i need you here with me..
each and everyday...

samah elhawy

I Am

i am what i am, because you are my choice
i know how you feel from the sound of your voice
your shadow giving me power
and raising me like a flower
my all belongs to you
your heart belongs to me
with every beat in you
always be with me

samah elhawy

Is It Safe...! !

while i was wondering... i reached to that thinking :
that...

i grew up on my own

i always waited up for my dawn

i don't know who we call brave

i don't know what is it feel to be safe

is it to be with someone who loves you? ! !

or being a way from something you are afraid to do! ! ?

so why love cant just makes you feel so? ! !

i wish i am a baby who always feel that

if you just hugged him good

feeling alone among your persons

and when you search.. you wont find the reasons

but the truth is.... you won't be safe

because that's what life gave

just live your moment as if it's your last

forget all the sadness in your past

try to live in peace.. act as if you are safe

and always remember nothing is for ever

no matter how is it hater

turn to Allah... say AlhmdullAllah ツ

samah elhawy

Is It?

with your passion, is it hard to make me sway?
deep inside, is it hard to feel that way?

i just wanna feel your care
all your moments, i want to share

u say u love me, but i don't feel it
u say u need me, like u don't mean it

its not the life what am gonna blame
because my life and yours are just the same

but when you love someone you don't take him for granted
and don't say you don't do this because thats how i felt it
yes he loves you, even though, you might lose him one day
so keep him close because love its not just a word to say....

samah elhawy

Its Just You

when i think of you i feel your touch
some people say that's just a crash
with you am living all my hopes
its coming true like a rain drops
your eyes makes me fly
your love pushing me high
please take care of my heart
and never make us a part

samah elhawy

It's Not A Word

to fall in love with someone... it's easy

to keep that love safe... it's hard ﻿

saying ' i love you ' it's easy to hear

but the hard is that the good and the bad... you will have to share

respect every moment that you have together

because., you can hold him now... but not for ever

you think it's enough just to love! !

the truth is.. love is just what you begin with..

there comes a lot of things...

respect, care , giving, without the word " it depends"

people! !it's a pure link between two hearts

so don't let stupid things cut it a part....

and to keep it close..... grow it and not break it! ! ...

it is something you chose...

samah elhawy

Magical Night Among The Stars..

Hush...! !

moments of silent.. that's what i need

no words, no voices, no minds to read

Float in the air like a White feather..

searching for the butterflies and fly together..

up to the blue ... flirting the clouds

singing with birds, ooh! ! ... how beautiful that sounds..! !

here is the moon... coming near

and the sun just winked ;) ... she will disappear

i asked him... where is your stars..?

he smiled at me and said.... angel. you are my star ;)

ooh... am blushed.. and said.... 'what a sweetie you are '

but here is the stars come along

they all shining making a beautiful dawn

'will u stay with us angel..! ? '..'said by the stars'

oh...what a wish that i hope to see and among your sparkle i always can be..

well...we will watch you from up here

and pray for your badness to disappear

'kiss kiss' my stars ;) big kiss my moon ;)

I'll miss our time... but I'll see you soon

back to the ground

hearing an amazing sound

it's a white rose

singing to me

am sitting next to her

and she singing even more

I'll hold her and full a sleep

hmmm... how essential and passion she has in deep.....

Hush..! !

'good night my rose'.....'good night my angel'

What a sweet dreams i hope you'll see... :)

samah elhawy

Mama

mama, with your passion i feel strong
please forgive me for any wrong
under your feet there is heaven
and that's what i ask to be given
someday the sun will rise
and one of us will be gone
but i ll meet you in paradise
with god wheeling, that's were we belong

samah elhawy

My Man

when he asks me to marry him i will say yes
for the rest of my life i wanna be his
he will give me a ring of gold
just with him i wanna grow old
he will always be my man
and i will always be his lady
i will make him happy as much as i can
and i will be glad to carry his baby
if i meet him very soon
my life will shine like a moon....

samah elhawy

My Name Is..

my name is a little tear
i was born in a beautiful eye
i am not from fear
but over someone die
i cant stop growing
this is hurt me a lot
and this is become boring
because i am a tear of blood
this love is gone and never will be back
and that's made a part of my heart become black
god, , please let me dry
and with this love make me fly

samah elhawy

Purification

i am a survivor
i am gonna keep hurt from getting deeper
i am gonna live like if its my last day
i am gonna pray like if its my last pray

thank you god for the love of yours
which opening for me all the doors
thinking of you, its a soul purification
obeying you, its the foundation
there is no god but you
my heart believes and living that too

pace be upon your prophet
and all of his beloved

samah elhawy

Qur'Aan

thanking god, , thats what we need
this word is a soul feed
and when i read our book
i feel greatness
yes... just open it and look
your eyes will be your Witness
because this is the ((Qur'aan))
it's our life's dawn
god blessed us with this honor
to teach us the great manners
just keep learn it in your days
and god will light up all your ways

samah elhawy

Shall We? !

I thought every day will pass, I'd feel better
But every day passing just making me weaker
Just a look from his eyes, that's what I wish for
His absence every day, damaging me more and more
a hug from his arm, a kiss on his cheek, that's I would die for
I'm not gonna see him a gain,
and that's causing me a lot of pain
they told me by time I will be fine
but I'm telling u, they just lieing
every day forward taking a peace of me
because I'm not that person that I used to be
for the rest of my life I will feel like this
tell the day will come and I reach my death
so, , ! Shall I meet u there? !
in paradise, where I hope we share? !

I miss u every day
more than words can ever say..

just for u daddy

samah elhawy

Sweetness

talking to him its like talking to me
always the pretty things he makes me see
i love the way he treat me, just like a princess
the way he talks to me, its leave me speechless
when i thought life is a pain
he made me smile again
my heart was dry
suddenly, , pumping when he said hi
i hope it will pump for ever
and always will be together...

samah elhawy

Talking To The Soul

It's so strange how life changes you
And how pain strongly gets to you
When you thought that this is your end
You find a whole new beginning
While wondering all the things that life brings
You will always find yourself winning
Be thankful for the worse before the better
Don't lose your temper and keep it together
Life is a game to win or to lose
For each way it is something you chose
Don't let bad times get to your pure soul
Try hard to win your battle
Move on to achieve your goal
You will have ups and downs
Don't worry; it's not bad as it sounds
That's what will push you through
To make your dream come safely true
And always remember Allah is here, there, and everywhere
So sit your dream, go for it, and don't despair.....

samah elhawy

Taste Of Freedom..

that day came and we finally living the freedom..

Of course the land is not the same.... with a little loss but at least we feel that with a lot of wisdom...

whatever if the worst is happening... always the better is yet to come..

stay together

stay close

follow your heart... and make a choose.

samah elhawy

The Greatest Person Ever (The Prophet Mohamed)

the fact that i am Muslim like him
that's give me a strong motive
he told us to ride, shoot and to swim
his life making me more creative
his love like a deep sea
which has no end
he is the one that i would die to see
he is the light that Allah sent
every thing i do i ask what if he were here
because with his castle in paradise i hope to share
god let me be in paradise
to have the honor of looking to his eyes
prophet, peace be upon you
and i really hope to be with you

samah elhawy

The Prophet Mohamed (P.B.U.H)

we were in the dark
suddenly we are in a beautiful park
god sent him to us
to teach us what he does
i wish we can see his eyes
and show us a lot of wise
with his life he sacrificed
and for Allah he would die
he did his best for Islam
for all the people after he came
we have to rise again
to follow his plan
prophet, peace be upon you
We will do what you ask us to do..

samah elhawy

To Love A Man..

when you love a man try to earn his respect

if you did this you will feel every love he can get

he always see the best of you...& if that what he always do..! ! ...that's means he adores you

sometimes he will be upset.., so feel his pain with every bit

sometimes he will just smile.. smile back..even for a little while

he will do what ever he can.. to make you happy on his plan

his hug will be like a beautiful day.... where you run, swing, and play

treat him as a king... and you will be his sweet spring

respect who he is... because that's what he will does

so.. tell him you love him so.. and never will let him go

samah elhawy

What If...? ?

what if another mind wants to come in! ! ?
the problem is, i don't get anything

i like you! ! , i miss you! ! , i love you..? ? ?
i don't believe that

shall i stay away? ?
or prepare the price that i ll have to pay! !

shall i start another story? ! !
shall i do this with nothing to worry! !

but i just cant do it anymore
and the thing is..am so deep sure: S

they say that this is a sign of weakness
but this is the only way to keep my heart painless

am sorry if i will hurt you
but this is something i didn't mean to do

but after all this...

i feel that this day will come and i will be me again
to be strong enough and face all kinds of pain

when that day will be...! !

honestly...that is something i just cant see....

samah elhawy

Yours

what can i do to make you mine
thats my only way to be fine

what did you do
to make me fall in you

what did you say
to make me feel that way

i love you with every blink in my eyes
with every beat in my heart

even if we are not gonna be together
i will be yours for ever

samah elhawy

?????...Thoughts

O Allah.. Reverence in prayer is not easy for us... It is the weakness of us you know us better than us.. It is also proof of the greatness of you (O The Majesty and the Honor)

O God, give us the sweetness of faith in the greatness of humiliation and reverence in our prayers until we feel the meaning of (the nearest the person can be from his god it's when he is kneeling)
