All Of This Pain

All Of This Pain

All of this pain behind these eyes, All of this pain I seem to carry inside, All of this pain I deal with everyday, Sometimes I wonder if it will ever go away, All of this pain just seems so unfair, All of this pain will it always be there? All of this pain is sometimes hard to bare but then I think to myself lady have no fear. All of this pain makes me shed so many tears as they run down my cheeks as they have done throughout the years. All of this pain I've always held deep inside, now I'm praying to God to give me back my life, All of this pain has done is destroy me and all I want to do is find that happy girl I used to be. All of this pain I carry around is driving my loved ones into the ground. All of this pain will you please go away, All I want is to be normal someday.
