Was born in 1995 september 13 in Lithuania city Šiauliai, Lived most of his life in new stone, small city near latvian d military service for 1 year due to conscription, Spend all of his time playing video games for 10 years he almost everyday has spend his days playing for appx 12 hours a day. He finished Ramuciai gymnasium high school on 2012 his grades were low, what he lacks in academic apptitude he excels in his creativity, madness and good spirits. Most would be terrified of thoughts that goes in this little man's head, but those who seek knowledge and truth will love this man. He began writing poems on 2016-10-22 without any knowledge on them.

Cold In My Feet

Autumn has come. Cold, Wet, Sad.

My feet are cold, winds blows chilly northern winds.

Leaves are falling on my feet, I look down.

My soul cries of despair, yet my mind does not waver.
